Re: Saint Francis Hospital Bartlett- CN1701-004
Certificate of Need for Freestanding Emergency Department

Dear Ms. Hill:
I am the Mayor of the City of Bartlett, and I am writing today to express my support for Saint Francis Hospital-Bartlett, and the excellent things they have done in our community. Saint Francis Hospital-Bartlett has a strong reputation for providing outstanding health care services in Shelby County and serves as a pillar of the Bartlett community. Not only does SFH-Bartlett offer important services to the citizens of our community, but they uphold themselves as excellent corporate citizens in their own right. SFH-Bartlett offers important health care services to members of the Bartlett community and those in outlying areas who traditionally have had more difficulty in accessing care. When a family member or I need medical attention, I know that I can turn to SFH-Bartlett because when it comes to high quality care, SFH-Bartlett is the foremost leader in our community.

For the above reasons, I strongly support Saint Francis Hospital-Bartlett and their endeavors in our community. Please do not hesitate to contact me if I can provide any further information.

Sincerely,

A. Keith McDonald

A. Keith McDonald
Mayor
