Subject: Statewide Transportation Improvement Program Amendment #22

Dear Mr. Hurst:

The Federal Highway Administration has reviewed your electronic submittal of the August 9, 2017, request of concurrence with Amendment 22 to the Statewide Transportation Improvement Program (STIP). The Federal Highway Administration concurs with the project change to the FY 2017-2020 STIP as listed below:

TIP Number	Action	Project Description	FY	Phase	Funding Source	Programmed Federal Funds
2009-72-035	Add new project	SR-109 Widening (SR-24/US-70 to Dry Fork Creek)	2018	CONST	NHPP	$38,560,000

As discussed, this concurrence is based on an assurance that the STIP will be adjusted for consistency between the Total Project Cost and the FY 2018 Construction cost as soon as possible.

If you have any questions regarding this concurrence, please contact me at (615) 781-5767 or sean.santalla@dot.gov.

Sincerely,

Sean Santalla
Planning & Air Quality Specialist
