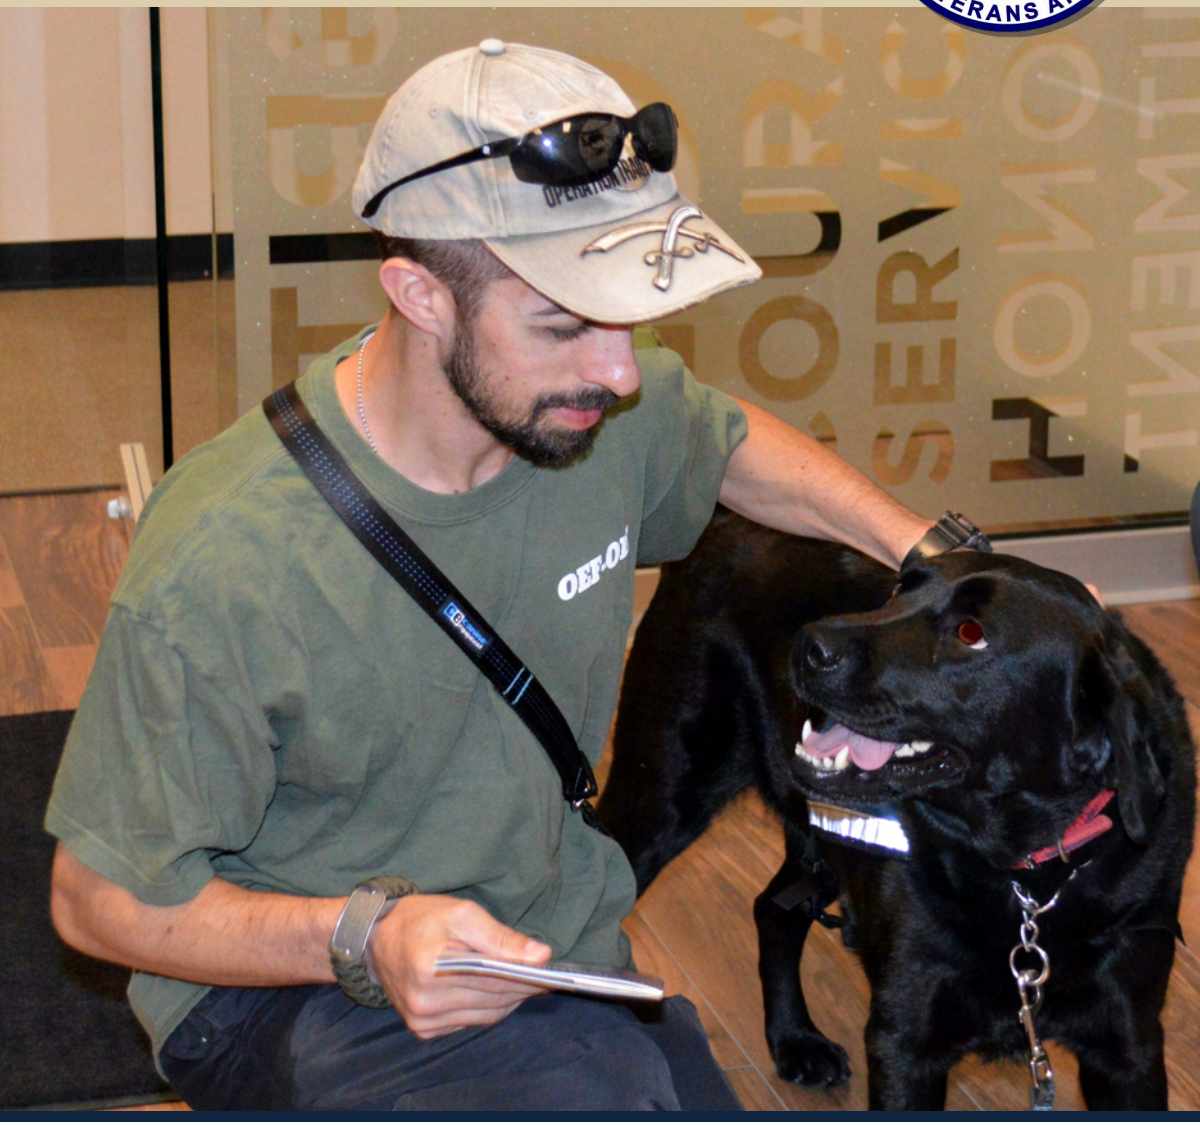
Veterans *first*



Annual Report

Bill Haslam, Governor

Many-Bears Grinder, Commissioner

Fiscal Year 2011-2012

Message from the Commissioner

Fiscal year 2011-2012 was filled with incredible success for Tennessee Veterans and their families. The Tennessee Department of Veterans Affairs (TDVA) helped thousands of Veterans and dependents to receive 1.6 billion dollars in federal benefits from the United States Department of Veterans Affairs. This accomplishment not only supplements and enriches the lives of those who served in the Armed Forces, but it also becomes revenue for our state and local communities. Governor Bill Haslam's Tennessee Excellence Accountability Management (TEAM) Act passed the Tennessee General Assembly in April 2012. This new law will give Veterans and their spouses interview preferences in both applications and promotions within state government. This year, we also moved three of our TDVA field offices into existing Tennessee Department of Labor Career Centers. This consolidation will save Veterans time as they search for answers regarding federal benefits and employment opportunities. TDVA continues to partner with the United States Department of Veterans Affairs, fellow state agencies, county service officers and Veterans service organizations to look for programs or resources to help Veterans connect with jobs, training and continued education, as well as updated information regarding benefits and healthcare.

Many-Bears Grinder
Commissioner

Service Officer Training 2012

TENNESSEE STATE VETERANS HOMES

There are three Tennessee State Veterans Homes to serve our aging Veteran population.

⇒ Plans for new State Veterans Homes in Montgomery and Bradley Counties are underway.

⇒ The homes are self-sustaining, but are built with federal, state and local funding.

⇒ The Tennessee Department of Veterans Affairs is a liaison between the homes and the State of Tennessee.

Tennessee State
Veterans Home

TDVA Strategic Plan

Continue to expand our outreach programs and efforts

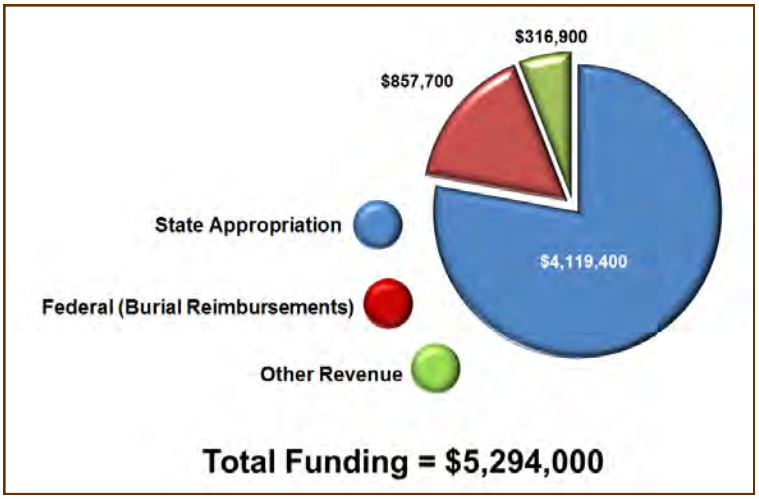
Develop a personnel plan to expand highly qualified claims services

Establish a training division

Establish a new State Veterans Cemetery in East and West Tennessee

Continue to meet with county leaders to ensure all county service offices are fully resourced to cover all 95 counties

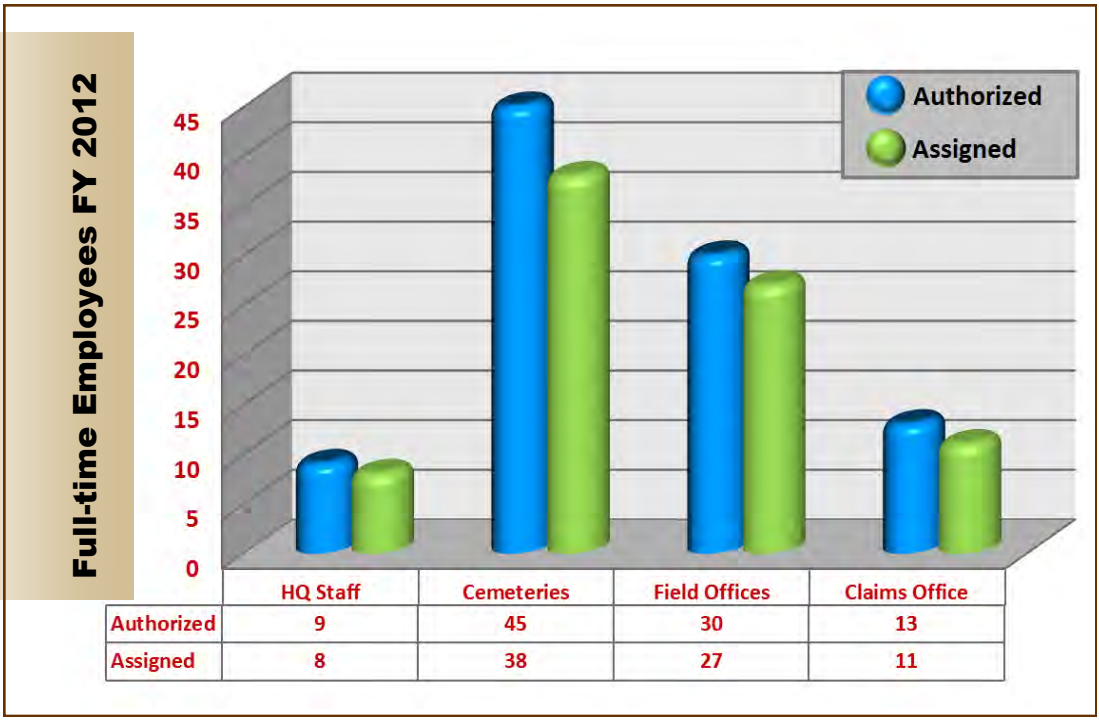
The Tennessee Department of Veterans Affairs budget for FY 2011-2012 was nearly 5.3 million dollars. The department continues to preserve the interests of taxpayers while serving nearly half a million Veterans and 1.5 million family members.



Budget 2013 & Beyond

The Tennessee Department of Veterans Affairs is moving forward with plans to expand our outreach efforts. It is our priority to provide highly qualified claims assistance for our stakeholders. To maintain our momentum we will develop a long-range personnel plan to expand our specialized employees while establishing a training division. TDVA also continues to assist the West Tennessee State Veterans Cemetery Steering Committee with plans to build a new final resting place in that region. Plans continue to move forward to build new State Veterans Homes in Montgomery and Bradley Counties.

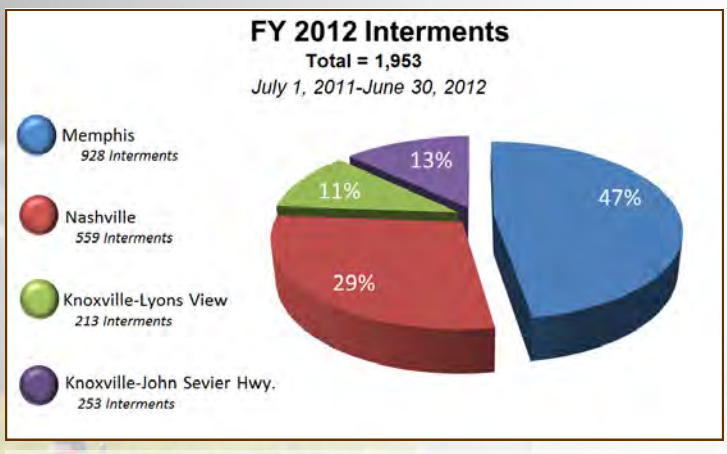
2012 TDVA Staffing



- ⇒ The Tennessee Department of Veterans Affairs is authorized to have 97 employees. However, 84 of those positions are filled according to the budget of fiscal year 2012.
- ⇒ It takes 45% of TDVA's staff to maintain four State Veterans Cemeteries.
- ⇒ Approximately, 32% of the department's employees are in 12 field offices throughout the state to assist Tennessee Veterans in 95 counties with claims assistance for federal benefits.
- ⇒ Another 13% review claims from the state and submit to the United States Department of Veterans Affairs.
- ⇒ The remaining 10% are located at TDVA Headquarters in Nashville.

State Veterans Cemeteries

The Tennessee Department of Veterans Affairs has established and maintains four Tennessee State Veterans Cemeteries to include one in Nashville, one in Memphis and two in Knoxville.



The East Tennessee State Veterans Cemetery on Lyons View is at capacity. The current West Tennessee State Veterans Cemetery had the most interments for 2012 and only has 5,421 plots available before additional developments are completed.

	Memphis	Nashville	Knoxville-Lyons View	Knoxville-John Sevier Hwy
Available	5,421	21,559	22	4,324
Capacity	30,000	30,813	6,000	4,475

In 2012, the West Tennessee State Veterans Cemetery Steering Committee was formed to raise funds for land acquisition for a new cemetery and recommended a site.

Upcoming Cemetery Improvements

The Tennessee Department of Veterans Affairs is in the process of implementing several new features to better serve Veterans and their families.

- Columbariums to respectfully and securely preserve urns
- Kiosks to allow visitors to easily find burial locations with a name search
- On-line pre-applications to submit to the State Veterans Cemetery of choice to ensure burial eligibility is pre-determined

Service Officer Training

The Tennessee Department of Veterans Affairs is mandated by Tennessee Code Annotated 58-3-106 (b) to train service officers to ensure Veterans and their families are served with high quality, efficient and informed customer service. TDVA is committed to ensure service officers across the state are trained and informed to provide consistent highly-qualified assistance for stakeholders.

⇒ TDVA trains the department's Veterans Benefits Representatives as well as County Service Officers through regional quarterly training sessions and a statewide annual training session.

⇒ Service officers are required by the United States Department of Veterans Affairs to complete training to receive accreditation through TDVA to file claims for federal benefits.

⇒ TDVA requires all service officers to successfully complete annual testing to ensure comprehension of updated federal laws and procedures regarding claims.

⇒ One TDVA training officer provides training for 23 Veterans Benefits Representatives and County Service Officers in 82 counties with the assistance and support of regional Assistant Commissioners.

⇒ The department is continuing to develop on-line training resources through the ***TDVA Training Site***.

Fiscal Year 2012

Accomplishments

- Opened new State Veterans Cemetery in East Tennessee in August 2011.
- TDVA's inaugural Women Veterans Summit was attended at maximum capacity in April 2012. The state's first Woman Veteran of the Year was recognized.
- TDVA submitted 67% of the claims submitted to the United States Department of Veterans Affairs Regional Office resulting in $1.1 billion in tax-free income for Veterans and for the state.
- Reviewed 9,526 claims; 87.5% were Fully Developed Claims which improves backlogs at the federal level.
- Hosted 125 outreaches in 2012 to help 4,985 Veterans, dependents and survivors in 63 counties with filing assistance and other federal, state and local resources.
- Recruited the National Association of State Directors of Veterans Affairs (NASDVA) Conference to come to Nashville in 2013.

Mary Ross named Tennessee's first Woman Veteran in April 2012

***Received the Tennessee Fallen Heroes Medal**

In 2012, TDVA developed a standard operating procedure for casualty assistance and notifications.

- The new policy allows TDVA to assist casualty officers, surviving family members and other state agencies in our response to honor and remember Tennessee service members killed in combat.
- Surviving families are consulted regarding their wishes to notify the public and media regarding their loved one's sacrifice and arrangements.
- TDVA also ensures surviving family members are aware of the services available at the Tennessee State Veterans Cemeteries as well as other federal and state survivor benefits.
- For the first time in Tennessee history, Governor Bill Haslam and First Lady Crissy Haslam recognized and presented memorial items to surviving families during the Governor's Memorial Day Event 2012 organized by TDVA.
- TDVA has presented five Tennessee Fallen Heroes Medals since the law designating the new honor went into effect in July 2011.
