Joining Together Making a Difference

A Letter from Governor Haslam

Dear Tennessee State Employees,

As Chair of the Tennessee Employees Charitable Campaign, I want to thank those who have Supported this effort in years past and encourage even more of us to participate this year.

During the 2014 campaign, 2,291 state employees pledged $332,497 in donations to participating charitable organizations across the state that serve a wide variety of needs in our communities.

We are fortunate in Tennessee to have charitable organizations ready to step in and assist those who may need a helping hand. Your support of the organizations participating in this campaign will translate directly to support for your fellow Tennesseans in the areas of health, medical research, human services, and social and environmental issues. Please consider continuing the Tennessee spirit of volunteerism by making a donation.

You can participate in the campaign by making a one-time donation or a monthly donation in the amount of your choice. Another way to contribute is the "Buck-A-Week" program. If every state employee who did not participate in last year's campaign considered the "Buck-A-Week" option outlined on the pledge form, our combined generosity would provide more than $2,000,000 in donations to these worthy charities.

The 2015 Tennessee Employees Charitable Campaign begins October 26, 2015, and extends through November 20, 2015. I hope that you will join me in continuing to support this campaign. We can represent our proud heritage and reach out to improve our communities in powerful ways by "Joining Together – Making A Difference."

Sincerely,

Bill Haslam

Does my dollar a week really make a difference?

Yes! If you'd like to help make Tennessee a better place to live, giving a **Buck-A-Week** can make an extraordinary difference in our community covering many areas of need. Here are a few examples of what a Buck-A-Week can do:

• Provide milk for two children living at TBCH for one week • Cover the cost of one uninsured patient's return visit to Salvus Center • Restore 4 feet of destroyed creek bank. • Provide 40 one way bus tickets for individuals who are disabled and are working towards self-sufficiency • Provide a meal and 4 comfort kits including hygiene items for a family of four displaced by a disaster • Provide disaster relief training for 18 volunteers • Provide one month of homebound meals for a senior citizen • Cover the cost of providing after school program which includes tutoring, homework assistance, and sports and enrichment activities for one youth for nine months • Provide 1 high school student the opportunity to strengthen research, leadership and public speaking skills • Buy 26 awards medals for Special Olympics' athletes this year • Provide a teen with funds to help with back to school supplies • Provide a family with a home visitor every week to provide parent coaching, and strengthen parents' bond with their young baby • Feed a nestling songbird, a baby squirrel, a cottontail or box turtle for one day • Pay for four Tennessee children to receive one book per month delivered to their home for an entire year • Purchase helmets for 7 epileptic children who can't afford them • Provide an eye exam and glasses for a child in need

Please consider giving a **Buck-A-Week** through payroll deduction and help us change the lives of millions of Tennesseans.

INDEPENDENT CHARITABLE ORGANIZATIONS

– There are twenty-four independent charitable organizations conducting a wide range of health, welfare and educational programs, and providing services to individuals across the state.

The American Cancer Society served over 10,000 patients and helped Tennesseans with nearly 39,000 services last year by providing assistance with transportation, lodging, information, and through other patient related programs.
