About TSBA's Fall District Meetings

In September, TSBA will travel to Tennessee's nine development districts to honor public education leaders and update board members on state education issues. This year's program will provide school board members and superintendents with a discussion of next year's legislative issues and an overview and discussion on the Every Student Succeeds Act. The event will conclude with a dinner recognizing school board members; a local school volunteer award finalist; and a local student who is competing for a college scholarship. TSBA District Director elections for the South Central, Upper Cumberland, and East Districts will be held after the award ceremony.

Please RSVP no later than two weeks prior to the meeting you wish to attend. You can register for the event by contacting the TSBA Registrar at registrar@tsba.net or 615/815-3910.

We look forward to seeing you at this year's Fall District Meetings!
