The Tennessee Board of Chiropractic Examiners Partners with CE Broker

CE Broker is now the official CE tracking system of the Tennessee Board of Chiropractic Examiners. Your board has provided you with a free Basic Account, so you have our most helpful CE tracking tools right at your fingertips.

Free Access

With the free Basic account, you will have access to your Course History. This lists all of the courses you have completed so far so you can easily find and report any CE that might be missing. You will never have to pay to access all the necessary tools to renew your license.

Comprehensive Course Search

One of the best tools we offer licensees is our Course Search. You can find every course you need to complete your license renewal. After you are finished with each course, many educational providers will report to CE Broker for you.

Helpful Support Center

Our support center is staffed with experts who have been trained on the rules and regulations of the Tennessee Board of Chiropractic Examiners. You can reach them by phone, live chat, or email 8AM-8PM ET Monday through Friday.

Upgraded Account Options

You can also subscribe to Professional or Concierge Accounts, which offer above-and-beyond CE tracking tools to further simplify your renewal process. With our Professional account you can access a personal CE Transcript which outlines exactly what requirements you have left to complete. The Concierge account includes your own CE Broker account manager who can guide you through the CE process, step by step.
