CRITERIA AND STANDARDS

Attachment 1N

STATE OF TENNESSEE

STATE HEALTH PLAN

CERTIFICATE OF NEED STANDARDS AND CRITERIA
FOR

HOME HEALTH SERVICES

The Health Services and Development Agency (HSDA) may consider the following standards and criteria for applications seeking to provide home health services. Rationale statements for each standard are provided following the standard. Existing providers of home health services are not affected by these standards and criteria unless they take an action that requires a new certificate of need (CON) for such services.

These standards and criteria are effective immediately upon approval and adoption by the Governor. However, applications for certificates of need to provide home health services that are deemed complete by HSDA prior to the approval and adoption of these standards and criteria by the Governor shall be considered under the Guidelines for Growth, 2000 Edition.

Definitions

Home Health Service: "Home health service" is defined by Tennessee Code Annotated § 68-11-201. This definition is included in HSDA Rule 0720-9-.01. As set out in the statute, home health services include skilled nursing care; physical, occupational, or speech therapy; medical social services; home health aid services; and the provision of certain medical supplies and medical appliances. For the purposes of these standards and criteria, a "home health service" shall be performed by a "home care organization." Please see Note 1 for information regarding Professional Support Services and Personal Support Services.

Home Care Organization: "Home care organization" is defined by Tennessee Code Annotated § 68-11-201 and includes an entity that provides home health services.

Service Area: Refers to the county or contiguous counties in which the applicant intends to provide home health services.

Joint Annual Reports (JARs): The JARs prepared and submitted by home care organizations shall be identified by the Health Services and Development Agency (HSDA) as the primary source of data regarding home health services performed in Tennessee. The Tennessee Department of Health (TDH) maintains the JARs and is responsible for generating reports utilizing TDH data as required by the Certificate of Need program.

Private Duty Services: Refers to those skilled nursing and CNT services under physician orders provided in the home or community setting.

Intermittent Care Services: Refers to those nursing services provided by an RN or an LPN, therapist, social worker, or aide under physician orders that are normally no more than one visit per day of a maximum duration of two hours.

Standards and Criteria

1. **Determination of Need:** In a given county, 1.5 percent of the total population will be considered as the need estimate for home health services in that county. This 1.5 percent formula will be applied as a general guideline, as a means of comparison within the proposed Service Area.

   Rationale: After much effort, the Division has determined that limitations of the data obtained from the current JAR form do not permit a revision of the Need formula, and that there are no more accurate data sources available. Consequently, it has at this time decided to retain the current Need formula from the Guidelines for Growth, and has repeated it herein. The Division commits to working with stakeholders to assess the data needs of the HSDA, the TDH, and stakeholders and to revise the JAR form accordingly. Once sufficient data are collected, a review of the Need formula will be undertaken.

   The existing Need formula is admittedly a conservative one. The Division's research regarding Medicare-Medicaid fraud and abuse in the home health services industry supports a conservative Need formula. In 2012, the Government Accountability Office reported that 40% of all fraud convictions initiated by a group of Medicaid fraud-control units were for home health services — the biggest category of providers convicted through the Medicaid units' efforts. The Centers for Medicare and Medicaid Services (CMS) states that home health agencies offer services and supplies "vulnerable to fraud."

   Applicant Response: Please see Attachment 1A – Item 2 (HHA Need Projections). The attachment shows the need (surplus) for the 95-county service area for home health services. There are no counties that show a need in 2028. The need formula is not an accurate predictor of the need for infusion therapy services. The provision of these home health services is limited to infusion therapy for the specialty pharmaceuticals of its related licensed pharmacy. Without the approval of this application, certain necessary pharmaceuticals will not be readily available to patients of Tennessee.

2. The need for home health services should be projected three years from the latest available year of final JAR data. **Note:** The Division recognizes that a home care organization can be established within a 12-15 month period of time, and that ideally a one year planning horizon would be used. However, in this instance a three-year planning horizon is used because final JAR data lag significantly behind the current date. Final 2012 JAR data became available in May 2014, thus providing data for need to be projected in 2015 but not for any other future full calendar year. Should a change occur that enables TDH to provide final JAR data significantly earlier, the Division would propose a change in the planning horizon.

   Applicant Response: Please see Attachment 1A – Item 2 (HHA Need Projections). The population-based need projection compared to actual utilization is determined by the most recent JAR data (2025) and compared against the 2028 projected data.

3. The use rate of existing home health agencies in each county of the Service Area will be determined by examining the latest utilization rate as calculated from the JARs of existing home health agencies in the Service Area. Based on the number of patients served by home health agencies in the Service Area, an estimation will be made as to how many patients could be served in the future.

   Rationale: This Standard is carried over from the Guidelines for Growth.

   Applicant Response:

   This application is for the establishment of a home health agency owned by Dixie Home Health, LLC, to initiate and provide home health services limited to home infusion services and related nursing services for pharmacy patients of Dixie Infusion Pharmacy, LLC for 95 counties. This application will enable the applicant to provide services in the entire State of Tennessee. Lake and Pickett Counites are underserved and do not require a CON to initiate services or establish a home health agency. Applicant is proposing to establish a home health agency limited to home infusion services to serve patients of the existing pharmacy business of Dixie Infusion Pharmacy, LLC, which currently has an operational location in Clarksville (Montgomery County). If approved, Applicant projects the proposed project will open for service in April, 2027.

   Applicant does not propose to operate a traditional home health agency, nor does it expect to compete with existing home health agencies for patients. The projected utilization in this application is based solely on patients of Dixie Infusion Pharmacy who need infusion therapy in the home.

4. **County Need Standard:** The applicant should demonstrate that there is a need for home health services in each county in the proposed Service Area by providing documentation (e.g., letters) where: a) health care providers had difficulty or were unable successfully to refer a patient to a home care organization and/or were dissatisfied with the quality of services provided by existing home care organizations based on Medicare's system Home Health Compare and/or similar data; b) potential patients or providers in the proposed Service Area attempted to find appropriate home health services but were not able to secure such services; c) providers supply an estimate of the potential number of patients that they might refer to the applicant.

   Rationale: This Standard seeks to promote State Health Plan Principle 2 concerning Access to Care. The Division believes that if the Need formula is not met, a pattern of problems with referring patients successfully to home care organizations should be demonstrated by the applicant. If no such pattern can be established, there is likely not a need for a new home care organization.

   Applicant Response: Please see letters of support in favor of Applicant included in Attachment 4N.

5. **Current Service Area Utilization:** The applicant should document by county: a) all existing providers of home health services within the proposed Service Area; and b) the number of patients served during the most recent 12-month period for which data are available. To characterize existing providers located within Tennessee, the applicant should use final data provided by the JARs maintained by the Tennessee Department of Health. In each county of the proposed Service Area, the applicant should identify home health agencies that have reported serving 5 or fewer patients for each of the last three years based on final and available JAR data. If an agency in the proposed Service Area who serves few or no patients is opposing the application, that opponent agency should provide evidence as to why it does not serve a larger number of patients.

   Rationale: From comments expressed by many stakeholders, the Division is aware that a home care organization may be licensed to provide services in a county/Service Area but may serve few or no patients there. The Division believes this situation may unreasonably impede the expansion of home health services in a county/Service Area and that any such home care organization that is opposing an application should provide evidence that supports its low market penetration.

   Applicant Response: According to the Tennessee Joint Annual Reports, there were 183 licensed home health agencies in the State in 2025. These agencies served 168,139 patients. Of these, 14 agencies reported serving patients in need of infusion services in the state. The total for these agencies was 14,534 home infusion visits and 38,840 infusion hours. (Please note that Blueberry Health Infusion Nursing was licensed in 2025 but did not report utilization on the 2025 JAR.) Please see Attachment Item 5N (Service Area Historical Utilization – infusion Visits and Hours) for infusion therapy service provider information and Attachment Item 1N – Criteria 5 (Service Area Utilization) for current service area information.

6. **Adequate Staffing:** Using TDH Licensure data, the applicant should document a plan demonstrating the intent and ability to recruit, hire, train, assess competencies of, supervise, and retain the appropriate numbers of qualified personnel to provide the services described in the application and document that such personnel are available to work in the proposed Service Area. The applicant should state the percentage of qualified personnel directly employed or employed through a third party staffing agency.

   Rationale: This Standard seeks to promote State Health Plan Principle 5 concerning a sufficient and quality health care work force. Home care organization workers do not necessarily need to live in the county in which they work. However, in the short-term, the number of possible workers in a general area is unlikely to change quickly. In order to promote economic efficiencies and access to health care through reduced personnel cost, applicants should demonstrate that they have a plan to recruit sufficient workforce in the general area within reasonable commuting distance of the proposed Service Area. Moreover, the applicant should present its long-term plans to ensure an adequate supply of quality home care workers is available to meet future needs.

   Applicant Response: Applicant has reviewed the standards for home care organizations and will comply with applicable standards, including those related to staffing. Applicant plans to utilize RNs to deliver the proposed infusion therapy services; these RNs will already have or will receive the specialized training necessary to perform home infusion therapy. The applicant also plans to use RNs on a PRN basis, which helps alleviate issues in securing the necessary staff. RNs will be hired in the geographic areas where the pharmacy patients will be located.

7. **Community Linkage Plan:** The applicant should provide a community linkage plan that demonstrates factors such as, but not limited to, referral arrangements with appropriate health care system providers/services (that comply with CMS patient choice protections) and working agreements with other related community services assuring continuity of care focusing on coordinated, integrated systems. A new provider may submit a proposed community linkage plan.

   Rationale: This Standard seeks to promote State Health Plan Principles 3 and 4 concerning Economic Efficiencies and Quality of Care, respectively. To promote economic efficiencies and the quality of health care provided in Tennessee, applicants should demonstrate that they have established relationships with other health care providers that will ensure a continuity of care for their patients.

   Applicant Response: A list of anticipated referral sources is included in Attachment 7N. In addition to the referral sources, Applicant's community linkage plan will consist of: (i) coordinating with Dixie Home Infusion Pharmacy's nurse liaison to inform and update offices on Applicant's services; (ii) Applicant's Director of Nursing will interact directly with referral sources; (iii) notifications of Applicant's services will be sent to all current referral sources; and (iv) Applicant will engage in community events to promote its services.

.

8. **TennCare Managed Care Organizations (MCOs) and Financial Viability:** Given the time frame required to obtain Medicare certification, an applicant proposing to contract with the Bureau of TennCare's MCOs should provide evidence of financial viability during the time period necessary to receive such certification. Applicants should be aware that MCOs are under no obligation to contract with home care organizations, even if Medicare certification is obtained, and that Private Duty Services are not Medicare certifiable services. Applicants who believe there is a need to serve TennCare patients should contact the TennCare MCOs in the region of the proposed Service Area and inquire whether their panels are open for home health services, as advised in the notice posted on the HSDA website, to determine whether at any given point there is a need for a provider in a particular area of the state; letters from the TennCare MCOs should be provided to document such need. See Note 2 for additional information. Applicants should also provide information on projected revenue sources, including non-TennCare revenue sources.

   Rationale: This Standard seeks to promote State Health Plan Principle 3 concerning Economic Efficiencies. This Standard further seeks to promote the orderly development of the health care system by bringing to the forefront issues concerning Medicaid/Medicare certification.

   Applicant Response: The Applicant does not plan to be Medicare-certified unless it is required to do so. If required, it will seek Medicare certification for the purposes of providing infusion therapy services through Medicare Advantage plans only. The applicant will not be TennCare/Medicaid certified as TennCare/Medicaid does not cover or reimburse the nursing services necessary to administer many of the specialty infusion therapies that require RN administration and monitoring. Even if the applicant were to be TennCare/Medicaid certified, the nursing hours allowed are very limited and not sufficient to cover the nursing required for infusion therapy. TennCare/Medicaid patients either have to receive the infusion therapy in a higher cost inpatient or outpatient setting or find a specialty pharmacy that can provide the medication and supplies for the infusion and a home health agency that is willing to absorb the infusion therapy nursing services as a cost of care by providing them as "charity" care. The applicant will work with the patient and the patient's physician to evaluate that the patient is suitable for home infusion therapy and try to find a HHA provider that is willing and able to provide the services. If not, the patient can travel to the pharmacy clinic location in Clarksville at 311 Landrum. The applicant will work to find alternative payment sources, or the applicant can provide the required nursing services as charity care. If the applicant is unable to coordinate care for a particular patient, it will work with the physician to find alternate options for the patient.

9. **Proposed Charges:** The applicant's proposed charges should be reasonable in comparison with those of other similar agencies in the Service Area or in adjoining service areas. The applicant should list:
   a. The average charge per visit and/or episode of care by service category, if available in the JAR data.
   b. The average charge per patient based upon the projected number of visits and/or episodes of care and/or hours per patient, if available in the JAR data.

   Rationale: This Standard seeks to promote State Health Plan Principle 3 concerning Economic Efficiencies through greater marketplace transparency.

   Applicant Response: The Applicant's proposed charges are reasonable in comparison with those of other similar agencies in the service area. This application constitutes the entire state as the service area. The

number of visits and the length of those visits will vary based on the medication being infused. If there is a difference in the overall charge, it is generally due to the number of nursing hours per visit.

Access: In concert with the factors set forth in HSDA Rule 0720-11-.01(1) (which lists those factors concerning need on which an application may be evaluated), the HSDA may choose to give special consideration to an applicant that is able to show that there is limited access in the proposed Service Area for groups with special medical needs such as, but not limited to, medically fragile children, newborns and their mothers, and HIV/AIDS patients. Pediatrics is a special medical needs population, and therefore any provider applying to provide these services should demonstrate documentation of adequately trained staff specific to this population's needs with a plan to provide ongoing best practice education. For purposes of this Standard, an applicant should document need using population, service, special needs, and/or disease incidence rates. If granted, the Certificate of Need should be restricted on condition, and thus in its licensure, to serving the special group or groups identified in the application. The restricting language should be as follows: CONDITION: Home health agency services are limited to (*identified specialty service group*); the expansion of service beyond (*identified specialty service group*) will require the filing of a new Certificate of Need application. Please see Note 3 regarding federal law prohibitions on discrimination in the provision of health care services.

Rationale: This Standard seeks to promote State Health Plan Principle 2 concerning Access to Care.

Applicant Response: Infusion therapy provided at home is generally at a lower cost than infusion therapy provided in the hospital, an outpatient setting, or a physician's office. Insurance companies are increasingly allowing for reimbursement for infusion therapies provided in the home. Home infusion is more convenient for patients. Many of these patients have long term chronic conditions requiring ongoing infusions, and many have mobility challenges or are prone to infections such that limiting exposure to potentially infectious patients in hospitals or outpatient settings is key. When the patient does not have to travel to receive their infusion therapy, there is also better patient adherence to the prescribed therapy, because the RN comes to them and starts the IV, administers the pharmaceutical, monitors for adverse events and educates patients about potential side effects. Many of these patients receive care from physicians located in large medical center areas who specialize in treating complex disease states involving neurological, immunological, dermatological, rheumatological conditions that frequently require lifetime infusion therapy. They may live several counties and many hours away from their treating physician. The approval of this application will increase access to necessary infusion services for Tennessee residents.

11. **Quality Control and Monitoring:** The applicant should identify and document its existing or proposed plan for data reporting (including data on patient re-admission to hospitals), quality improvement, and an outcome and process monitoring system (including continuum of care and transitions of care from acute care facilities). If applicable, the applicant should provide documentation that it is, or that it intends to be, fully accredited by the Joint Commission, the Community Health Accreditation Program, Inc., the Accreditation Commission for Health Care, and/or other accrediting body with deeming authority for home health services from CMS.

Rationale: This Standard seeks to promote the State Health Plan Principle 4 concerning Quality of Care. The Division recognizes that certain home care organizations are certified by CMS but are not necessarily accredited by the entities listed above.

Applicant Response: The applicant plans to be accredited by the Accreditation Commission for Health care. The applicant plans to adopt policies related to data reporting, quality improvement and an outcome and process monitoring system. Attachment 5C includes drafts of some of these policies.

12. **Data Requirements:** Applicants should agree to provide the Department of Health and/or the Health Services and Development Agency with all reasonably requested information and statistical data related to the operation and provision of services and to report that data in the time and format requested. As a standard of practice, existing data reporting streams will be relied upon and adapted over time to collect all needed information.

Rationale: This Standard seeks to promote accurate health planning through the availability of accurate and timely data.

Applicant Response: Applicant agrees to provide the Department of Health and/or the Health Facilities Commission with all reasonably requested information and statistical data related to the operation and provision of services and to report that data in the time and format requested.

8A. Name of Management/Operating Entity *(If Applicable)*

MNM Health Partners, LLC

Name

311 Landrum Place	Montgomery
Street or Route	**County**

Clarksville	Tennessee	37043
City	**State**	**Zip**

N/A

Website Address

For new facilities or existing facilities without a current management agreement, attach a copy of a draft management agreement that at least includes the anticipated scope of management services to be provided, the anticipated term of the agreement, and the anticipated management fee payment schedule. For facilities with existing management agreements, attach a copy of the fully executed final contract. (Attachment 8A)

9A. Legal Interest in the Site

Check the appropriate box and submit the following documentation. (Attachment 9A)

The legal interest described below must be valid on the date of the Agency consideration of the Certificate of Need application.

- ☐ Ownership (Applicant or applicant's parent company/owner) – Attach a copy of the title/deed.
- ☐ Lease (Applicant or applicant's parent company/owner) – Attach a fully executed lease that includes the terms of the lease and the actual lease expense.
- ☐ Option to Purchase - Attach a fully executed Option that includes the anticipated purchase price.
- ☑ Option to Lease - Attach a fully executed Option that includes the anticipated terms of the Option and anticipated lease expense.

RESPONSE: Please see Attachment 9A for a copy of the fully executed option to lease.

10A. Floor Plan

If the facility has multiple floors, submit one page per floor. If more than one page is needed, label each page. (Attachment 10A)

- Patient care rooms (Private or Semi-private)
- Ancillary areas
- Other (Specify)

RESPONSE: Please see Attachment 10A for the space to be used for the office for the home health agency. It is anticipated to be approximately 280 square feet in space leased from MNM Holdings LLC.

11A. Public Transportation Route

Describe the relationship of the site to public transportation routes, if any, and to any highway or major road developments in the area. Describe the accessibility of the proposed site to patients/clients. (Attachment 11A)

RESPONSE: Old Ashland City Road intersects with Memorial Drive, a major thoroughfare in Clarksville. Transportation to the site would be through the Clarksville Transit System or local medical transport options. However, since the service provided is home health, the provider travels to the patient's home to provide infusion therapy so the accessibility of public transportation is not necessary to the provision of the proposed services.

12A. Plot Plan

Unless relating to home care organization, briefly describe the following and attach the requested documentation on a letter size sheet of white paper, legibly labeling all requested information. It **must** include:

- Size of site (in acres);
- Location of structure on the site;

13A. Notification Requirements

- TCA §68-11-1607(c)(9)(B) states that "... If an application involves a healthcare facility in which a county or municipality is the lessor of the facility or real property on which it sits, then within ten (10) days of filing the application, the applicant shall notify the chief executive officer of the county or municipality of the filing, by certified mail, return receipt requested." Failure to provide the notifications described above within the required statutory timeframe will result in the voiding of the CON application.
  - ☐ Notification Attached (Provide signed USPS green-certified mail receipt card for each official notified.)
  - ☐ Notification in process, attached at a later date
  - ☐ Notification not in process, contact HFC Staff
  - ☑ Not Applicable

- TCA §68-11-1607(c)(9)(A) states that "... Within ten (10) days of the filing of an application for a nonresidential substitution based treatment center for opiate addiction with the agency, the applicant shall send a notice to the county mayor of the county in which the facility is proposed to be located, the state representative and senator representing the house district and senate district in which the facility is proposed to be located, and to the mayor of the municipality, if the facility is proposed to be located within the corporate boundaries of the municipality, by certified mail, return receipt requested, informing such officials that an application for a nonresidential substitution based treatment center for opiate addiction has been filed with the agency by the applicant.
  - ☐ Notification Attached (Provide signed USPS green-certified mail receipt card for each official notified.)
  - ☐ Notification in process, attached at a later date
  - ☐ Notification not in process, contact HFC Staff

EXECUTIVE SUMMARY

1E. Overview

Please provide an overview not to exceed **ONE PAGE** (for 1E only) in total explaining each item point below.

- Description: Address the establishment of a health care institution, initiation of health services, and/or bed complement changes.

  RESPONSE:

  The applicant seeks to establish a home care organization and initiate home health services limited to home infusion services with pharmaceuticals obtained from Dixie Infusion Pharmacy.

- Ownership structure

  RESPONSE: Dixie Home Health is an LLC, whose sole member is ALB Infusion Pharma Holdco. An organizational chart is included in Attachment 7A. The member/owner of Dixie Home Health is ALB Infusion Pharma Holdco, LLC.

- Service Area

  RESPONSE: The service area consists of all 95 counties in Tennessee. Lake and Pickett counties are underserved and therefore do not require a Certificate of Need ("CON") application.

- Existing similar service providers

  RESPONSE: While there are other home health agencies limited to providing infusion therapy services, they are only similar to the applicant in that they also provide home infusion therapy services. In general, home health agencies that provide infusion therapy services are limited to serving patients who receive pharmaceuticals from a related pharmacy. Thus, they are not available to provide services to treat the patient population proposed to be treated by the applicant.

- Project Cost

  RESPONSE: The estimated project cost is $121,571.16. The Fair Market Value ("FMV") of the property has been included rather than the lease cost, as it is higher.

- Staffing

  RESPONSE: The applicant anticipates having a total staffing of 6 FTEs during the first full year of operation.

2E. Rationale for Approval

A Certificate of Need can only be granted when a project is necessary to provide needed health care in the area to be served, will provide health care that meets appropriate quality standards, and the effects attributed to competition or duplication would be positive for consumers

Provide a brief description not to exceed ONE PAGE (for 2E only) of how the project meets the criteria necessary for granting a CON using the data and information points provided in criteria sections that follow.

- Need

  RESPONSE: The applicant is proposing to establish a home health agency limited to infusion therapy and related nursing services to patients of Dixie Infusion Pharmacy, a related entity. The existing need formula is not an accurate predictor of the need for infusion therapy services because it does not take into consideration the specialized nature of those services. The need for the infusion therapy services proposed by the applicant is supported by qualitative factors beyond the traditional need formula established by the Health Facilities Commission. These include the experience of Dixie Infusion Pharmacy in currently providing infusion therapy services to patients in a clinical setting in Clarksville. Dixie Infusion Pharmacy operates as a franchisee of Vital Care Infusion Services. Dixie Infusion Pharmacy understands the limitation of providing infusion therapy services in a clinical setting and understands the benefits to patients of being able to receive those specialized services in the home, as well as the demographics of the proposed service area and the number of patients for whom it is difficult to receive such services. Demand for home infusion therapy continues to rise, as insurance companies expand reimbursement for the services provided in the home. Receiving treatment at home is often a more cost-effective option for patients, as well as being more convenient and optimal for their ongoing treatment. Home infusion therapy frequently provides better clinical outcomes with fewer complications for the patient, causes less disruption to the patient, and his or her family, and their work and personal obligations, results in fewer adverse side effects than when administered in a hospital or office setting, and is generally preferred by patients.

- Quality Standards

  RESPONSE: The applicant will ensure that its staff are trained to provide the highly specialized infusion therapy services. The applicant plans on seeking ACHC (Accreditation Commission for Health Care) accreditation and Dixie Infusion Pharmacy is already ACHC accredited (See Attachment 2.E.2). The applicant will ensure that quality is measured and monitored and plans to adopt policies and procedures to do so, as well as performing periodic audits to ensure compliance. Some of the policies and procedures to be adopted will address data reporting, quality improvement, and outcome and process monitoring.

- Consumer Advantage
  - Choice

    RESPONSE: Only a limited number of home health agencies provide specialty infusion services in the State of Tennessee. Those that do are generally limited to providing them to patients of a related pharmacy. The approval of this application will increase patient choice and enhance the provision of these specialized services to residents of Tennessee. Traditional home health agencies do not provide infusion therapy because of the length of time required to administer the pharmaceuticals, the need for specialized training for RNs, and the reimbursement challenges. Approval of this project will allow patients to have access to the pharmaceuticals provided by Dixie Infusion Pharmacy. There are strict requirements for the management of the medications, reporting the nursing data, and reporting to manufacturers, making it important for a provider who specializes in the provision of infusion therapy for these pharmaceuticals to be able to do so. In this situation, patient choice is a necessity.

  - Improved access/availability to health care service(s)

    RESPONSE: Some home health agencies providing infusion therapy have exited the market in Tennessee, including Coram/CVS. The exit of these companies has disrupted the ability for patients to receive certain

pharmaceuticals, which makes it even more important for the applicant to receive approval to provide infusion therapy services. Dixie Infusion Pharmacy, a sister entity, has a difficult time finding home health agencies to administer the necessary pharmaceuticals through infusion therapy in the home. The approval of the applicant's CON for a home health agency limited to infusion therapy will increase the access of Tennessee residents to specialty pharmaceuticals in the home. As stated elsewhere in this application. the ability to receive infusion therapy in the home often is less costly, produces better outcomes, and is more convenient and less disruptive for patients and their families.

- Affordability

  RESPONSE: As shown elsewhere in the application, the applicant's charges are in line with the charges for other providers of infusion therapy services in the state.

3E. Consent Calendar Justification

- ☐ Letter to Executive Director Requesting Consent Calendar (Attach Rationale that includes addressing the 3 criteria)
- ☑ Consent Calender NOT Requested

If Consent Calendar is requested, please attach the rationale for an expedited review in terms of Need, Quality Standards, and Consumer Advantage as a written communication to the Agency’s Executive Director at the time the application is filed.

GENERAL CRITERIA FOR CERTIFICATE OF NEED

In accordance with TCA §68-11-1609(b), "no Certificate of Need shall be granted unless the action proposed in the application for such Certificate is necessary to provide needed health care in the area to be served, will provide health care that meets appropriate quality standards, and the effect attributed to completion or duplication would be positive for consumers." In making determinations, the Agency uses as guidelines the goals, objectives, criteria, and standards adopted to guide the agency in issuing certificates of need. Until the agency adopts its own criteria and standards by rule, those in the state health plan apply.

Additional criteria for review are prescribed in Chapter 11 of the Agency Rules, Tennessee Rules and Regulations 01730-11.

The following questions are listed according to the three criteria: (1) Need, (2) the effects attributed to competition or duplication would be positive for consumers (Consumer Advantage), and (3) Quality Standards.

NEED

The responses to this section of the application will help determine whether the project will provide needed health care facilities or services in the area to be served.

1N. Provide responses as an attachment to the applicable criteria and standards for the type of institution or service requested. A word version and pdf version for each reviewable type of institution or service are located at the following website. https://www.tn.gov/hsda/hsda-criteria-and-standards.html (Attachment 1N)

RESPONSE:

Please see Attachment 1N.

2N. Identify the proposed service area and provide justification for its reasonable ness. Submit a county level map for the Tennessee portion and counties boarding the state of the service area using the supplemental map, clearly marked, and shaded to reflect the service area as it relates to meeting the requirements for CON criteria and standards that may apply to the project. Please include a discussion of the inclusion of counties in the border states, if applicable. (Attachment 2N)

RESPONSE:

The applicant proposes to provide infusion therapy services for all 95 counties in Tennessee. A service area map is included as Attachment 2N. Two Tennessee counties, Lake and Pickett, are underserved areas that do not require a CON for the initiation of services. No counties in any border states are included in the proposed service area. Infusion therapy is a highly specialized service, frequently focusing on patients who have autoimmune disorders and/or chronic health conditions. An entity that has common ownership with Dixie Home Health LLC, Dixie Infusion Pharmacy, will be providing the pharmaceuticals for the patients to be served. Because Tennessee is so rural, and the service so specialized, it is reasonable to allow the proposed home health agency to provide services as needed in any county in the state. Currently, patients who need specialty pharmaceuticals from Dixie Infusion Pharmacy, have to receive the services in a clinical setting. This is difficult, if not impossible, for many of the patients needing these pharmaceuticals. Even though the applicant does not necessarily think it will see patients in all counties the first year of operation, the ability to do so is important for these specialized services and is consistent with most of the home health providers providing these services in Tennessee. Because this is a new service, there is no historical utilization to report. Please see the table below, which identifies where the applicant anticipates it will serve patients in its first year of operation. 2027.

Complete the following utilization tables for each county in the service area, if applicable.

PROJECTED UTILIZATION

Unit Type:

- ☐ Procedures
- ☐ Cases
- ☑ Patients
- ☐ Other

Service Area Counties	Projected Utilization Recent Year 1 (Year =)	% of Total
Montgomery	46	34.07%
Davidson	25	18.52%
Robertson	36	26.67%
Cheatham	28	20.74%
Total	135	100%

3N. A. Describe the demographics of the population to be served by the proposal.

RESPONSE:

Please see attached Table 3N for the population to be served by the applicant. The applicant anticipates that it will serve patients of all ages, as the pharmacy will provide the specialty pharmaceuticals as it does currently.

B. Provide the following data for each county in the service area:

- Using current and projected population data from the Department of Health. (www.tn.gov/health/health-program-areas/statistics/health-data/population.html);
- the most recent enrollee data from the Division of TennCare (https://www.tn.gov/tenncare/information-statistics/enrollment-data.html),
- and US Census Bureau demographic information (https://www.census.gov/quickfacts/fact/table/US/PST045219).

RESPONSE:

The applicant does not anticipate a specific target population, as it will be serving patients of all ages. The applicant has used 2025 as the current year and 2028 as the target year, as that is the data available for the need projected for home health services by the state. Table 3N, in Attachment 3N, shows that the largest counties in the state, in order, are Shelby, Davidson, Knox, and Hamilton. The Davidson County MSA, however, comprised of the counties of Cheatham, Davidson, Dickson, Hickman, Macon, Maury, Robertson, Rutherford, Smith, Sumner, Trousdale, Williamson and Wilson, is the largest area in the state, both by population and by land mass. Cumberland County has the oldest median age at 53.0 and highest percentage of people below the poverty level at 31.2%, while Williamson County has the lowest percentage of persons below the poverty level at 4.5%. Tennessee has 14.7% of persons below the poverty level. Knox County has the largest population increase between 2025 and 2028 at 7.04%, only slightly higher than Wilson County at 7.00%, and Rutherford County at 6.90%. Montgomery County, the location of the proposed parent office for this home health agency, and Maury County both have an increase in population of 6.50%. Tennessee has a population increase of 2.30% overall. The biggest decreases in population are in Haywood County, at (2.98)% and Grundy County at (2.65)%. Williamson County has both the highest median household income at $135,594, and the lowest percentage of TennCare enrollees at 4.80%. McNairy County has the highest percentage of TennCare enrollees at 91.90%. Clay County has the lowest median household income at $39,972. Tennessee has a median household income of $69,595, and 18.8% of people enrolled in TennCare.

4N. Describe the special needs of the service area population, including health disparities, the accessibility to consumers, particularly those who are uninsured or underinsured, the elderly, women, racial and ethnic minorities, TennCare or Medicaid recipients, and low income groups. Document how the business plans of the facility will take into consideration the special needs of the service area population.

RESPONSE:

The patients needing the specialty infusion services proposed by Dixie Home Health LLC are typically patients with chronic medical conditions and multiple co-morbidities. Frequently, they have compromised immune systems or autoimmune disorders. Treatment may be for the entire lifetime of the patient. Many infusion treatments for chronic patients are given 3-5 days a month and last 4-7 hours at a time. Infusion therapy services are very different from those provided by traditional home health agencies.

Tennessee is a largely rural area. It is generally more difficult for patients in rural areas to receive access to necessary health care services. In fact 78 of the 95 counties, or 82%, in Tennessee are considered rural according the the U.S. Census Data Information. Access to specialty services like infusion therapy is even more difficult in a rural area than other health care services because patients in rural areas have more barriers to access care. One of these is longer travel times, which also means more time off from work, and increased cost for travel, which given the lower income and higher poverty in the rural counties makes it increasingly difficult to receive care. In addition, patients receiving infusion therapy are frequently suffering from chronic conditions and may be immunocompromised, which makes it difficult to receive care outside the home, and the risk of infection more likely. If Dixie Home Health can provide these high quality infusion services in the home, it reduces the barriers for patients to access such care. Home infusion therapy has also been shown to provide better clinical outcomes with fewer patient complications and is less disruptive to the patient and the patient's families' personal obligations, as it is more convenient for the patient and their families to access care.

The applicant intends to treat all patients, however, reimbursement is not expected to be received by TennCare/Medicaid for the nursing services provided by Dixie Home Health LLC. The TennCare/Medicaid benefits are not structured to provide adequate reimbursement for the longer hours of nursing care required for infusion therapy. Thus, the applicant will not bill TennCare for the nursing services and will not be TennCare/Medicaid certified. Dixie Home Health LLC has projected three percent of gross revenue for charity care/medically indigent patients. The necessary pharmaceuticals provided by Dixie Infusion Pharmacy will be reimbursed by TennCare/Medicaid.

5N. Describe the existing and approved but unimplemented services of similar healthcare providers in the service area. Include utilization and/or occupancy trends for each of the most recent three years of data available for this type of project. List each provider and its utilization and/or occupancy individually. Inpatient bed projects must include the following data: Admissions or discharges, patient days. Average length of stay, and occupancy. Other projects should use the most appropriate measures, e.g. cases, procedures, visits, admissions, etc. This does not apply to projects that are solely relocating a service.

RESPONSE:

Please see Attachment 5N for the home health agencies providing infusion therapy services in Tennessee. There are currently 14 licensed agencies, with two additional agencies that have been approved but are not yet licensed. Blueberry Health Infusion Nursing LLC is licensed but has not been licensed long enough to file a Joint Annual Report ("JAR"). Naven Health, Inc. was approved at the June Health Facilities Commission Meeting, and SunRay HHA TN, LLC was approved at the September Health Facilities Commission Meeting. Both were approved for all 95 Counties in Tennessee. The majority of the agencies providing infusion therapy are licensed in all counties in the state. Except for Naven Health Inc., the existing and recently approved home health agencies are limited to providing infusion therapy for patients using a related pharmacy, just as the applicant proposes to do. Therefore, the existing home health agencies apart from Naven Health Inc., are unable to provide infusion therapy services for the applicant's proposed patient population because of the limitation on their Certificate of Need, and vice versa.

Traditional home health agencies are not staffed with specially trained infusion staff, nor are they set up to operate to provide services for the longer, more sporadic visits that are required for infusion therapy patients. Traditional home

health agencies provide staff for shorter, more regular visits, for a specified time period, with an end date. The services proposed by the applicant are provided over an extended period -- frequently years -- and often for the duration of the patient's life.

6N. Provide applicable utilization and/or occupancy statistics for your institution services for each of the past three years and the project annual utilization for each of the two years following completion of the project. Additionally, provide the details regarding the methodology used to project utilization. The methodology must include detailed calculations or documentation from referral sources, and identification of all assumptions.

RESPONSE:

This is a new provider so there is no existing utilization. The table below provides projected annual utilization for the two years following completion of the project. To determine projected utilization for the proposed home health agency, the applicant looked at the number of patients currently receiving infusion services from the related pharmacy. Then, it determined which of those patients would be appropriate for infusion therapy services in the home. If given the choice, the applicant feels that the majority of those patients would choose home infusion therapy. Applicant also looked at the growth in the number of pharmacy patients and used that as an estimate for an increase in the number of patients who would receive infusion therapy in the home.

2024	2025	2026	2027	2028
0	0	0	135	150

7N. Complete the chart below by entering information for each applicable outstanding CON by applicant or share common ownership; and describe the current progress and status of each applicable outstanding CON and how the project relates to the applicant, and the percentage of ownership that is shared with the applicant's owners.

RESPONSE:

Not applicable.

CONSUMER ADVANTAGE ATTRIBUTED TO COMPETITION

The responses to this section of the application helps determine whether the effects attributed to competition or duplication would be positive for consumers within the service area.

1C. List all transfer agreements relevant to the proposed project.

RESPONSE: Not applicable.

2C. List all commercial private insurance plans contracted or plan to be contracted by the applicant.

3C. Describe the effects of competition and/or duplication of the proposal on the health care system, including the impact upon consumer charges and consumer choice of services.

RESPONSE:

The approval of this application should have little to no effect on competition as it is not a duplication of services. All but one of the existing (or approved) home health providers providing infusion therapy services are limited to doing so for patients of related pharmacies, just as this provider will be. The related pharmacy of the applicant is currently providing infusion therapy at a physical location to which the patient travels to receive services. The ability to receive infusion therapy services at home will enable patients to receive the necessary treatment they need more easily, as well as make the services more readily available to patients who may have difficulty or be unable to travel to receive these important services.

There are few home health providers in Tennessee who offer infusion therapy services. The approval of this application will increase access for patients and resolve many of the care challenges patients experience to receive these specialized services. Home health providers who do not provide infusion therapy services are generally both unable and unwilling to provide the services proposed by the applicant. Approval will also provide choice for patients -- both with their pharmaceuticals and the provision of those pharmaceuticals. There will be no effect on charges as a result of the approval of this application.

Attachment 4N contains letters of support from the community.

4C. Discuss the availability of and accessibility to human resources required by the proposal, including clinical leadership and adequate professional staff, as per the State of Tennessee licensing requirements, CMS, and/or accrediting agencies requirements, such as the Joint Commission and Commission on Accreditation of Rehabilitation Facilities.

RESPONSE:

The applicant understands the education, training and assessment requirements for the specialized staff to perform these services. The related pharmacy currently provides infusion therapy services at its site in Clarksville, Montgomery County, Tennessee. It anticipates that as patients choose to receive infusion therapy services in the home that some of the staff currently providing the services in a clinical setting may be reassigned to a home setting for the applicant. The applicant does not anticipate any issues with recruiting and training the appropriate staff to provide the infusion therapy services requested in this application.

5C. Document the category of license/certification that is applicable to the project and why. These include, without limitation, regulations concerning clinical leadership, physician supervision, quality assurance policies and programs, utilization review policies and programs, record keeping, clinical staffing requirements, and staff education.

RESPONSE:

The applicant will seek and maintain home health agency licensure from the Tennessee Health Facilities Commission, limited to home infusion services. The applicant plans to seek accreditation by the Accreditation Commission for Health Care ("ACHC"). The applicant has reviewed the standards for clinical leadership, physician supervision, quality assurance policies and programs, utilization review policies and programs, record keeping, clinical staffing requirements, and staff education and will comply with all applicable standards and adopt any necessary policies to ensure compliance with the same.

8C. Provide the proposed charges for the project and discuss any adjustment to current charges that will result from the implementation of the proposal. Additionally, describe the anticipated revenue from the project and the impact on existing patient charges.

RESPONSE:

See chart above for the proposed charges for the project. Because this is a new project, there are no existing charges and therefore no impact on existing charges because of this project.

9C. Compare the proposed project charges to those of similar facilities/services in the service area/adjoining services areas, or to proposed charges of recently approved Certificates of Need.

If applicable, compare the proposed charges of the project to the current Medicare allowable fee schedule by common procedure terminology (CPT) code(s).

RESPONSE:

Please see Attachment 9C for a list of the per visit charges for the existing home health agencies providing infusion therapy services. It is difficult to provide an accurate comparison of charges for the applicant with those of existing infusion providers because the Joint Annual Report ("JAR") data does not clearly identify the specific types of services provided. The applicant believes that its proposed charges are reasonable compared to those of other home health agencies providing infusion therapy services, in particular others compared to recently approved applications.

10C. Report the estimated gross operating revenue dollar amount and percentage of project gross operating revenue anticipated by payor classification for the first and second year of the project by completing the table below.

DEVELOPMENT SCHEDULE

TCA §68-11-1609(c) provides that activity authorized by a Certificate of Need is valid for a period not to exceed three (3) years (for hospital and nursing home projects) or two (2) years (for all other projects) from the date of its issuance and after such time authorization expires; provided, that the Agency may, in granting the Certificate of Need, allow longer periods of validity for Certificate of Need for good cause shown. Subsequent to granting the Certificate of Need, the Agency may extend a Certificate of Need for a period upon application and good cause shown, accompanied by a non-refundable reasonable filing fee, as prescribed by rule. A Certificate of Need authorization which has been extended shall expire at the end of the extended time period. The decision whether to grant an extension is within the sole discretion of the Commission, and is not subject to review, reconsideration, or appeal.

- Complete the Project Completion Forecast Chart below. If the project will be completed in multiple phases, please identify the anticipated completion date for each phase.
- If the CON is granted and the project cannot be completed within the standard completion time period (3 years for hospital and nursing home projects and 2 years for all others), please document why an extended period should be approved and document the "good cause" for such an extension.

PROJECT COMPLETION FORECAST CHART

Assuming the Certificate of Need (CON) approval becomes the final HFC action on the date listed in Item 1 below, indicate the number of days from the HFC decision date to each phase of the completion forecast.

Phase	**Days Required**	**Anticipated Date (Month/Year)**
1. Initial HFC Decision Date		12/09/26
2. Building Construction Commenced		12/08/26
3. Construction 100% Complete (Approval for Occupancy)		12/08/26
4. Issuance of License	90	03/08/27
5. Issuance of Service	90	03/08/27
6. Final Project Report Form Submitted (Form HR0055)	120	04/07/27

Note: If litigation occurs, the completion forecast will be adjusted at the time of the final determination to reflect the actual issue date.

Good Neighbors Theatre thanks community following successful Rollercoaster Yard Sale, performances for Steel Magnolias announced

Good Neighbors Theatre would like to extend a heartfelt thank you to the community for the tremendous support shown during this year's Rollercoaster Yard Sale.

From everyone who donated items to those who stopped by to shop, every contribution helped make the annual fundraiser a success. GNT would especially like to recognize the many volunteers who gave their time throughout the sale — sorting and pricing donations, setting up, working the sale, helping customers and tackling the enormous job of cleanup afterward. They also want to recognize the Town of Byrdstown and Mayor Sam Gibson for their continued support of the organization. "We simply could not do what we do without that support, and we are incredibly grateful." stated theatre president, Megan Mertsock.

The Rollercoaster Yard Sale has grown to become the theatre's second-largest annual fundraiser, and events like this are an important part of keeping Good Neighbors Theatre operational. As a nonprofit community theatre, GNT relies heavily on fundraising, donations and volunteers to help cover the everyday costs of maintaining the theatre, producing shows and continuing to provide arts opportunities for the community.

Visitors returning to the theatre this fall will also notice some exciting changes. Good Neighbors Theatre has been busy completing facility improvements made possible through a $40,270 Rural Arts Facilities Fund grant from the Tennessee Arts Commission. Projects include improvements to the theatre's exits and safety hardware, new flooring, exterior siding, gutters and downspouts, soffit work and other facility upgrades.

The renovations are helping make the theatre safer, more accessible and better equipped to serve audiences, performers and volunteers for years to come. GNT is excited to welcome the community back into the theatre and give everyone a chance to see the improvements during its upcoming production of Steel Magnolias, opening October 22.

Steel Magnolias Takes the Stage October 22–25. Set in Truvy's beauty salon in Louisiana, Steel Magnolias brings together six unforgettable women whose friendship carries them through laughter, gossip, celebrations and some of life's most difficult moments. Filled with Southern humor and plenty of heart, the beloved story is ultimately a celebration of friendship, strength and the people who stand beside us when we need them most.

Five performances are scheduled:
Thursday, October 22 — 7:00 p.m.
Friday, October 23 — 7:00 p.m.
Saturday, October 24 — 2 p.m. & 7 p.m.
Sunday, October 25 — 2:00 p.m.

Tickets are $15 for adults and $10 for children and are available in advance through the Pickett County Chamber of Commerce/Welcome Center at 931-864-7195. Tickets will also be available at the door as seating allows.

Following the final Sunday performance, the fun continues with Good Neighbors Theatre's Second Annual Cake Walk at 4:00 p.m. Rounds are just $2 each, with cakes up for grabs and all proceeds benefiting the theatre.

Good Neighbors Theatre invites everyone who donated, shopped, volunteered or otherwise supported this year's Rollercoaster Yard Sale to come back and see what that community support helps make possible.

First Baptist Church 2026 Christmas Angel Tree Program

Welcome to the Holiday Season! The First Baptist Church of Byrdstown's 2026 Christmas Angel Tree Program has started to prepare for our big event.

Thank you to the organizations and private donors who have provided very generous contributions to our program, and of course, thank you to the wonderful people who have previously select an angel off of the tree. We are so thankful for those of you who have helped to provide gifts, so beautifully wrapped, so that the children can experience the joy of Christmas. We hope you will support us again this year.

Our 2026 Christmas Angel Tree will be displayed again in the lobby of People's Bank, November 9-30. Please stop by and select an Angel. Thank you!

2026 Christmas Angel Tree

TWIN LAKES COMMUNICATIONS

CAREER OPPORTUNITY

Technical Support Representative

General Summary:

At Twin Lakes, we are committed to delivering best-in-class customer service and technical support—and we're looking for passionate problem solvers who take pride in being the best at what they do. As a Technical Support Representative, you will be the first line of support for our valued customers, working in a dynamic call center environment to troubleshoot and resolve technical issues. In this role, you will handle service tickets, inbound emails, and phone calls, collaborating with both customers and technicians to provide seamless day-to-day account support, problem resolution, and technical guidance.

Successful candidates are adaptive problem solvers with a strong technical foundation, excellent communication skills, and the ability to multitask in a fast-paced team setting. You must demonstrate strong oral and written communication, organizational skills, and sound decision-making while delivering an outstanding customer experience. A commitment to excellence, integrity, and results-driven performance is essential, along with the ability to thrive in a fast pace and team-oriented culture.

Functions of the Position*:

- Provide technical assistance to answer questions or resolve problems using various communication methods.
- Assist with installation and testing of customer premise equipment using various communication methods.
- Utilizes team collaboration, diagnostic tools, service aids, and product schematics in assessing and resolving customer issues.
- Monitors Network Management Systems to proactively identify and resolve network issues.
- Performs all record keeping functions as directed.

*Functions and abilities listed are not all inclusive of the job description.

Qualifications and Requirements:

- Must possess a High School diploma or equivalent. Candidates possessing IT certifications and technical support experience are preferred.
- Possess comprehensive knowledge of personal computer uses and basic IT concepts.
- Proficient in using and supporting common IT related systems, including various versions of Microsoft Windows, Office, macOS, mobile devices, networking components, remote access software, and antivirus software.
- Must be able to work on day, evening, weekend, or holiday shifts as scheduled.
- Must be able to work be on call, as necessary.
- Must be an adaptive problem solver with well-balanced technical experience.
- Must possess strong oral/written communication.
- Must be a team player within the organization.

Job Location:
Livingston, Tennessee

Applications for this position must be submitted on the Twin Lakes website at https://twinlakes.workable.com . Questions can be directed to careers@twinlakes.net.

Online applications and resumes will be accepted until October 16, 2026.

Twin Lakes is an Equal Opportunity Provider and Employer.

CAREER OPPORTUNITY

Technical Support Representative

General Summary:

At Twin Lakes, we are committed to delivering best-in-class customer service and technical support—and we're looking for passionate problem solvers who take pride in being the best at what they do. As a Technical Support Representative, you will be the first line of support for our valued customers, working in a dynamic call center environment to troubleshoot and resolve technical issues. In this role, you will handle service tickets, inbound emails, and phone calls, collaborating with both customers and technicians to provide seamless day-to-day account support, problem resolution, and technical guidance.

Successful candidates are adaptive problem solvers with a strong technical foundation, excellent communication skills, and the ability to multitask in a fast-paced team setting. You must demonstrate strong oral and written communication, organizational skills, and sound decision-making while delivering an outstanding customer experience. A commitment to excellence, integrity, and results-driven performance is essential, along with the ability to thrive in a fast pace and team-oriented culture.

Functions of the Position*:

- Provide technical assistance to answer questions or resolve problems using various communication methods.
- Assist with installation and testing of customer premise equipment using various communication methods.
- Utilizes team collaboration, diagnostic tools, service aids, and product schematics in assessing and resolving customer issues.
- Monitors Network Management Systems to proactively identify and resolve network issues.
- Performs all record keeping functions as directed.

*Functions and abilities listed are not all inclusive of the job description.

Qualifications and Requirements:

- Must possess a High School diploma or equivalent. Candidates possessing IT certifications and technical support experience are preferred.
- Possess comprehensive knowledge of personal computer uses and basic IT concepts.
- Proficient in using and supporting common IT related systems, including various versions of Microsoft Windows, Office, macOS, mobile devices, networking components, remote access software, and antivirus software.
- Must be able to work on day, evening, weekend, or holiday shifts as scheduled.
- Must be able to work be on call, as necessary.
- Must be an adaptive problem solver with well-balanced technical experience.
- Must possess strong oral/written communication.
- Must be a team player within the organization.

Job Location:
Livingston, Tennessee

Applications for this position must be submitted on the Twin Lakes website at https://twinlakes.workable.com . Questions can be directed to careers@twinlakes.net.

Online applications and resumes will be accepted until October 16, 2026.

ments, nor the rescue squad, had a pay increase in 23 years," Young said. "That's way too long, and I am making a motion here for a $1,000 increase from $2,500 to $3,500 for each department and for the rescue squad.

"Not just the fire departments, but the rescue squad too, and I would appreciate it if everybody would vote for that."

Young's fellow commissioners joined him in supporting the increase, as the budget amendment unanimously passed.

"We originally was going to try to double that, but we are kinda just gonna make little increments and try to get to at least double what it was before, okay, until we see what our budget looks like after we do that," Brannon said after the increase passed.

Commissioners also unanimously approved Cassie Haney as the county's judicial commissioner, appointed members to the E-911 Board, and voted to transfer a piece of surplus property from Clay County EMS to the sanitation department.

A couple of other budget amendments were also passed, along with a resolution requesting the Tennessee General Assembly "to authorize the investment of the state's reserve for revenue fluctuations through the state pooled investment fund and to distribute 25% of positive net investment earnings to Tennessee's economically distressed counties."

In addition, commissioners voted to transfer surplus property from the Clay County Sheriff's Department to the Celina K-8 Jr. High football team.

"This was an enclosed trailer that we received on a grant back in 2004 when meth labs was really spiking and we had to carry around a lot of equipment to work with meth labs," sheriff Brandon Boone said. "Basically the school came to me and asked if we were using it—it's not been utilized in a number of years now.

"It actually is in need of some small repairs. Marty Maxfeild, the coach, is willing to do that and asked if we could, and I told them I would come to the commission and see if it was okay."

To view the full meeting, follow the Dale Hollow Horizon Facebook page, where a video of the proceeding is posted.

The next county commission meeting will be held here at the Clay County Government Complex Monday, November 2 at 6:30 p.m. and will be broadcast by the Horizon LIVE Network.

Wix was named to the all-tournament team, while Garrison and Smith were named all-district.

Clay County beat York 3-0 in their quarterfinal game in Celina, before battling the Lady Blue Devils throughout.

They evened their final match at one set apiece by following up 25-18 opening-set loss with a 25-20 win in the second set.

Then in the third set, Jackson County dominated by a score of 25-9, before the Lady Blue Devils went on to advance to the district title game with a 25-20 fourth-set victory.

THE JUVENILE COURT OF MEMPHIS AND SHELBY COUNTY, TENNESSEE

State of Tennessee Department of Children Services,
Petitioner,

vs.
DOCKET NO. GG7118

Christian Nicole Holt, Robert Eugene Garcia, and Paris Hatchel,
Respondent.

IN THE MATTER OF:
Zane Garcia Holt, DOB: 6/22/2023
Child Under Eighteen (18) Years of Age

ORDER OF PUBLICATION

Special Judge W. Ray Glasgow's Court Order from a hearing on September 17, 2026, is incorporated in part, as follows:

In this cause, it appearing to the court from the allegations of the Petition filed, and the affidavit of the Petitioner that the residences of Respondents Robert Eugene Garcia (hereinafter "Mr. Garcia") and Paris Hatchel (hereinafter "Mr. Hatchel") are unknown and cannot be ascertained by diligent search and inquiry; and that the whereabouts of Respondents Mr. Garcia and Mr. Hatchel cannot be found or the post office address of Respondents Mr. Garcia and Mr. Hatchel cannot be ascertained, and therefore, the ordinary process of law cannot be served upon Respondents Mr. Garcia and Mr. Hatchel.
IT IS THEREFORE ORDERED that the Motion for Order of Publication shall be granted.
Clerk's Notice to Respondent:

DCS has filed a Petition against you seeking to terminate forever your parental rights on the ground of abandonment and/or for other reasons. It appears that ordinary process of law cannot be served upon you because your whereabouts are unknown. In order to avoid a judgement by Default against you, you must appear in Court on January 11, 2027 at 9:00 a.m. or file an answer to the Petition filed against you. All future hearings/or documents filed in this cause shall be filed with the Clerk and shall be considered as service upon you. You may request all pleadings filed in this cause from the Clerk of Court. Service of notice of these proceedings shall occur for four (4) consecutive weeks in a printed copy of the State Gazette of Dyer County, Tennessee as to Respondents Mr. Garcia and Mr. Hatchel.

IN THE CHANCERY COURT FOR DYER COUNTY, TENNESSEE

The Estate of
Bobby Williamson,
Petitioners
No.24-CV-114

ORDER OF PUBLICATION FOR SERVICE OF PROCESS AND NOTICE OF HEARING

IT APPEARING that upon Petition to Establish Heirs being filed in this matter and motion made therein for publication to any undiscovered, unidentified or unknown heirs of Bobby Williamson, and after reasonable and due diligent effort of the Petitioner as evidenced by the allegations in said petition and supplemented by Affidavit of Heirship and Exhibit from the Estate Researcher employed by Legacy Probate International, forensic geneology research firm, and supplemented by Affidavit of Counsel made a part of this record, that personal service of process cannot be reasonably anticipated to be accomplished upon certain of the named /potential heirs in this cause, or upon other unnamed parties who may not have been found or identified, known or unknown, born or unborn and may claim an interest in the assets of the estate of the decedent, Bobby Williamson, and IT FURTHER APPEARING that such individuals or entities may also require additional measures to insure proper process of service thereon, and IT FURTHER APPEARING that such persons, after due diligent effort, either fail to be the subjects of personal service of process or may be unnamed parties, unfound parties, known or unknown, born or unborn, which may claim an interest in the assets of the estate of Bobby Williamson, and

IT FURTHER APPEARING it is necessary to insure proper service on those individuals identified above by the further process through publication as allowed by law.

IT IS THEREFORE ORDERED that any known or unknown, unfound, born or unborn heirs or any other parties claiming any interest in the assets of the estate of Bobby Williamson be served by publication stating that if they object to the Petition to Establish Heirs they each are hereby required to appear and answer or otherwise defend against the Petition To Establish Heirs and serve a copy of their answer upon Petitioner's attorney, Mark D. Johnston, whose address is 217 W. Market St., P.O. Box 1326, Dyersburg, Tennessee 38025-1326, within thirty(30) days after the date of the last publication of this notice, otherwise, default judgment may be entered against them resulting in their rights being permanently adjudicated and the assets of the estate being distributed to the known heirs.

IT IS FURTHER ORDERED that this notice be published for (4) consecutive weeks in the State Gazette, a newspaper published and circulated in Dyer County, Tennessee on 10/1, 10/8, 10/15 and 10/22/2026 .

IT IS FURTHER ORDERED that this publication shall serve as Notice of Hearing for purposes of entry of a Final Order to Establish Heirs as to all persons who have failed to timely otherwise appear in this matter with such hearing to be held at the Chancery Court Room for Dyer County Chancery Court on the **30th day of November, 2026** @ 9am or at such other place and time as the court may then direct .

SUBSTITUTE TRUSTEE'S NOTICE OF SALE

Sale at public auction will be on **November 23, 2026 at 10:00AM local time,** at the east door, Jackson County Courthouse, 101 Main Street, Gainesboro, Tennessee pursuant to Deed of Trust executed by James D. Stewart, to William E. Hilton III, Trustee, as trustee for Mortgage Electronic Registration Systems, Inc., as beneficiary, as nominee for Loandepot.com, LLC, its successors and assigns on February 8, 2024 at Book 116, Page 755; conducted by LLG Trustee TN LLC, having been appointed Substitute or Successor Trustee, all of record in the Jackson County Register's Office. Default has occurred in the performance of the covenants, terms, and conditions of said Deed of Trust and the entire indebtedness has been declared due and payable.

Party Entitled to Enforce the Debt: MidFirst Bank, its successors and assigns.

The real estate located in Jackson County, Tennessee, and described in the said Deed of Trust will be sold to the highest call bidder. The terms of the said Deed of Trust may be modified by other instruments appearing in the public record. Additional identifying information regarding the collateral property is below and is believed to be accurate, but no representation or warrant is intended.

Street Address: 320 E Hill Road, Gainesboro, Tennessee 38562

Parcel Number: 051 034.00

Current Owner(s) of Property: James D. Stewart

This sale is subject to all matters shown on any applicable recorded Plat or Plan; any unpaid taxes and assessments; any restrictive covenants, easements or setback lines that may be applicable; rights of redemption, equity, statutory or otherwise, not otherwise waived in the Deed of Trust, including rights of redemption of any government agency, state or federal; and any and all prior deeds of trust, liens, dues, assessments, encumbrances, including those created by a fixture filing or any applicable homeowners' association dues or assessments; any defects, adverse claims and other matters that may take priority over the Deed of Trust upon which this foreclosure sale is conducted or are not extinguished by this Foreclosure Sale; all claims or other matters, whether recorded or not, which may encumber the purchaser's title and any matter that an accurate survey of the premises might disclose.

The following parties may claim an interest in the above-referenced property to be affected by the foreclosure: any judgment creditor or lien holder with an interest subordinate to the said Deed of Trust or any party claiming by, though, or under any of the foregoing. Such parties known to the Substitute Trustee may include: None.

Terms of Sale will be public auction, for cash, free and clear of rights of homestead, redemption and dower to the extent disclaimed or inapplicable, and the rights of James D. Stewart, and those claiming through him/her/it/them.

Any right of equity of redemption, statutory and otherwise, and homestead are waived in accord with the terms of said Deed of Trust, and the title is believed to be good, but the undersigned will sell and convey only as Substitute Trustee.

The right is reserved to postpone or adjourn the sale to another time certain or to another specified date, time, and location certain, without further newspaper publication upon announcement by posting with the third-party internet posting company and announcing on the date, time, and location of each sale set forth above or any subsequent postpone or adjourned date, time, and location of sale; provided, however if the sale is postponed or adjourned for less than five (5) days after the original sale, announcement by internet posting is not required.

If you purchase a property at the foreclosure sale, the entire purchase price is due and payable at the conclusion of the auction in the form of a certified/bank check made payable to or endorsed to LOGS Legal Group LLP. No personal checks will be accepted. To this end, you must bring sufficient funds to outbid the lender and any other bidders. Insufficient funds will not be accepted. Amounts received in excess of the winning bid will be refunded to the successful purchaser at the time the foreclosure deed is delivered.

This property is being sold with the express reservation that the sale is subject to confirmation by the lender or trustee. This sale may be rescinded only by the Substitute Trustee at any time. If the Substitute Trustee rescinds the sale, the purchaser shall only be entitled to a return of any money paid towards the purchase price and shall have no other recourse. Once the purchaser tenders the purchase price, the Substitute Trustee may deem the sale final in which case the purchaser shall have no remedy. The real property will be sold AS IS, WHERE IS, with no warranties or representations of any kind, express or implied, including without limitation, warranties regarding condition of the property or marketability of title.

THE PROPERTY IS SOLD WITHOUT ANY REPRESENTATIONS OR WARRANTIES, EXPRESSED OR IMPLIED, RELATING TO TITLE, MARKETABILITY OF TITLE, POSSESSION, QUIET ENJOYMENT OR THE LIKE AND FITNESS FOR A GENERAL OR PARTICULAR USE OR PURPOSE. The title is believed to be good, but the undersigned will sell and convey only as Substitute Trustee.

Trousdale County announces meal assistance policy

Trousdale County Schools today announced its policy for free and reduced-price meals for children served in schools under the National School Lunch Program and/or School Breakfast Program. For School Year 2026-2027 Trousdale County Schools will continue participation in the Community Eligibility Provision (CEP). No further action is required of you. This USDA provision allows your child(ren) to participate in the school meal programs without having to pay a fee or submit a meal application.

CEP is a key provision of the Healthy, Hunger Free Kids Act of 2010, which allows schools and school districts in low-income areas to eliminate school meal applications and serve breakfast and lunch at no charge to all enrolled students. CEP gives food service professionals more time to focus on preparing nutritious meals that their students will enjoy and gives students more time to eat those meals by cutting down on time spent in the lunch line. More importantly, by offering all students a nutritious breakfast and lunch at no cost, CEP helps ensure more students come to class well-nourished and ready to learn.

Children need healthy meals to learn. Trousdale County Schools offers healthy meals every school day. Breakfast and lunch meals will follow the United States Department of Agriculture (USDA) guidelines for healthy school meals, so please encourage students to participate.

"In the operation of child feeding programs, no child will be discriminated against because of race, sex, color, national origin, age or disability."

Parents or guardians who need further information may contact Kathryn Atwood, Child Nutrition Program Director at kathyatwood@tcschools.org, 103 Lock Six Road, Hartsville, TN 37074, (615)374-2193.

USDA NONDISCRIMINATION STATEMENT

In accordance with Federal civil rights law and U.S. Department of Agriculture (USDA) civil rights regulations and policies, the USDA, its Agencies, offices, and employees, and institutions participating in or administering USDA programs are prohibited from discriminating based on race, color, national origin, sex, disability, age, or reprisal or retaliation for prior civil rights activity in any program or activity conducted or funded by USDA.

Persons with disabilities who require alternative means of communication for program information (e.g., Braille, large print, audiotape, American Sign Language, etc.), should contact the Agency (State or local) where they applied for benefits. Individuals who are deaf, hard of hearing or have speech disabilities may contact USDA through the Federal Relay Service at (800) 877-8339. Additionally, program information may be made available in languages other than English.

To file a program complaint of discrimination, complete the USDA Program Discrimination Complaint Form, (AD-3027) found online at: https://www.usda.gov/oascr/how-to-file-a-program-discrimination-complaint, and at any USDA office, or write a letter addressed to USDA and provide in the letter all of the information requested in the form. To request a copy of the complaint form, call (866) 632-9992. Submit your completed form or letter to USDA by:

Mail: U.S. Department of Agriculture Office of the Assistant Secretary for Civil Rights 1400 Independence Avenue, SW Washington, D.C. 20250-9410 or Fax: (202) 690-7442; or Email: program.intake@usda.gov

WILLOW BARK BENEFITS

MATTIE SEARS, CERTIFIED HERBALIST

Willow bark provides natural pain relief and reduces inflammation because it contains a chemical called salicin, which works in the body much like aspirin. If you prefer drinking tea, you can use loose, dried willow bark or tea bags. Simmer 1 to 2 teaspoons (about 1–3 grams) of dried bark in 8 ounces of boiling water for 10 to 15 minutes. Strain out the pieces before drinking. You can drink 1 to 3 cups per day.

Health Benefits:

Pain Relief: People use willow bark to ease headaches, muscle aches, and joint discomfort.

Back and Joint Support: Studies show it can help short-term lower back pain and mild knee or joint discomfort from osteoarthritis.

Lowering Inflammation: It contains flavonoids and polyphenols that help block body chemicals responsible for swelling and pain.

Skincare Benefits:

Fights Acne: Skincare products use willow bark extract as a gentle alternative to synthetic salicylic acid.

Clears Pores: It helps exfoliate dead skin cells, control excess oil, and soothe red or irritated skin without causing heavy dryness.

THE TRUTH ABOUT YOUTH

The Officer Gomez most important choices kids and adults will ever make short list.

Some choices in childhood swing the doors of the future wide open. Here are three decisions your kids will face that can shape their entire path:

1. Substances
Drugs, alcohol, tobacco, and vapes can derail a young life faster than most parents realize.

2. Education
Showing up, trying hard, and caring about school will always be a superpower.

3. Sexual Choices
When and with whom they become intimate carries long-term emotional and legal consequences.

And then there are the big three parent decisions that steer the ship long before kids know a map exists:

1. Choosing the other parent
This one silently sets the tone for everything that follows. (Picking specific people to have sex with that will be good parents and partners.)

2. The Home Mindset
Respect, calm, chaos, accountability… kids absorb the atmosphere you build.

3. When to hand over a smartphone
One of the most underestimated decisions of modern parenting.

There are plenty of other choices that matter, but these tend to echo the loudest throughout a child's life.

Happy Parenting,
Officer Gomez

OBITUARIES

PEGGY JO FULLAGAR

Nov. 14, 1969 - Oct. 3, 2026

Peggy Jo Fullagar, age 56, of Hohenwald, Tennessee, passed away on October 3, 2026. She was born on November 14, 1969, in Buffalo, New York, to the late Edward Rodgers and Patricia Sulter Rodgers.

Peggy spent much of her early life in New York before moving to Erin, Tennessee, in 1991. She later made Hohenwald her home in 2016. She was married to her husband, Michael Fullagar, for 26 years.

Nursing and caring for others were central to Peggy's life. While living in New York, she worked in numerous hospitals as a medical billing coder. After moving to Tennessee, she worked as a home care nurse, where she continued doing what she loved most—helping and caring for others. Nursing was truly her life and something she held close to her heart.

Outside of her work, Peggy enjoyed Star Wars and loved spending time coloring. She was also a member of the Women's Auxiliary of the American Legion.

She is survived by her husband, Michael Fullagar; sons, Jonny Rammacher, Albert Bass, Joshua Bass, and Joshua Fullagar; daughters, Charity Arndt and Tammy (Tony) Pitts; sisters, Jolene, Kimmy, Dawn, and Mary; grandchildren, Hunter Bass, Majestic Graham, Dillon Kelly, Rebecca Akins, Alexis Brittain, Eric Fullagar, Nathen Fullagar, Tim Fullagar, and Alex Fullagar; great-grandchildren, Chris Howard, Kayden Howard, Elijah Akins, Kedron Kelly, and Aries Kelly; along with numerous nieces, nephews, and extended family members.

In addition to her parents, Peggy was preceded in death by Edward Rodgers and Patricia Sulter Rodgers.

In accordance with Peggy's wishes, she will be cremated and returned home to New York, where she will be laid to rest with her family.

A memorial service will be announced at a later date.

BE WEATHER READY: NATIONAL WEATHER SERVICE STORM SPOTTER COURSE OFFERED LOCALLY

The Hohenwald Amateur Radio Club will host a National Weather Service (NWS) SKYWARN Storm Spotter Course, presented by personnel from the NWS Nashville office, on **Tuesday, October 20, at 6:00 p.m**. The training will be held at the Lomax Church of Christ Life Center.

This free two-hour program is open to the general public, as well as area first responders and anyone interested in gaining a better understanding of severe weather and storm safety. Attendance does not obligate participants to serve as storm spotters after completing the course.

SKYWARN is a volunteer program developed by the National Weather Service that trains citizens to recognize and report severe weather conditions. Storm spotters provide real-time reports of events such as tornadoes, large hail, damaging winds, and flash flooding. These reports help meteorologists verify hazardous weather and issue more accurate and timely warnings, improving public safety throughout local communities.

Anyone interested in attending is encouraged to reserve a seat in advance. For additional information or to register, contact the Hohenwald Amateur Radio Club through its Facebook page or by email at k4hrc@myyahoo.com.

Public Notices

NOTICE OF PUBLIC HEARING

NOTICE IS HEREBY GIVEN that on October 21, 2026, a public hearing as required by Section 147(f) of the Internal Revenue Code of 1986, as amended (the "Code") will be held with respect to the proposed issuance by the National Finance Authority (the "Issuer") of its qualified 501(c)(3) bonds, as defined in Section 145 of the Internal Revenue Code of 1986 (the "Code"), for hospitals or other health facilities, in one or more series, from time to time, pursuant to a plan of financing, in an aggregate principal amount not to exceed $100,000,000 (the "Bonds"). The public hearing is required by Section 147(f) of the Code and Section 162-S:10 of the New Hampshire Revised Statutes. The public hearing is being held on behalf of the Issuer and the State of Tennessee.

The proceeds of the Bonds will be loaned to Madison Sustainable Energy Partners LLC, a Delaware limited liability company (the "Borrower"), the sole member of which is Genesis Capital Finance Corporation, a Delaware nonstock corporation and an organization described in Section 501(c)(3) of the Code (the "Sole Member"), which will pay or reimburse the costs of the acquisition, development, construction, improvement and equipping of certain energy related improvements, including but not limited to upgrading and replacing central utility plant assets, upgrading building automation systems, implementing energy savings measures, and making other infrastructure improvements at certain hospitals and related facilities (the "Project") owned and/or principally used by Jackson-Madison County General Hospital District, a joint, nonprofit hospital district created by Chapter 686 of the Private Acts of Tennessee Legislature for 1949, as amended, doing business as West Tennessee Healthcare ("West Tennessee Health") and/or certain affiliates of West Tennessee Health (which affiliates are governmental entities and/or organizations described in Section 501(c)(3) of the Code), and generally located at the following locations:

(1) the West Tennessee Healthcare Dyersburg Hospital campus, generally located at 400 E. Tickle St., Dyersburg, TN 38024 ($19,873,000 maximum principal amount);
(2) the West Tennessee Healthcare Henry County Hospital campus, generally located at 301 Tyson Avenue, Paris, TN 38242 ($37,587,000 maximum principal amount);
(3) the West Tennessee Healthcare Jackson Madison General Hospital campus, generally located at 620 Skyline Drive, Jackson, TN 38301 ($57,154,000 maximum principal amount);
(4) the North Hospital campus, generally located at 367 Hospital Blvd, Jackson, TN 38305 ($14,954,000 maximum principal amount);
(5) the West Tennessee Healthcare Milan Hospital campus, generally located at 4039 Highland Street, Milan, TN 38358 ($13,343,000 maximum principal amount);
(6) the West Tennessee Healthcare Volunteer Hospital campus, generally located at 161 Mt. Pelia Road, Martin, TN 38237 ($19,586,000 maximum principal amount); and
(7) the West Tennessee Healthcare Camden Hospital campus, generally located at 175 Hospital Drive, Camden, TN 38320 ($9,375,000 maximum principal amount).

The Bonds and the obligation to pay principal of and interest thereon and any redemption premium with respect thereto do not constitute indebtedness or an obligation of the Issuer, the State of New Hampshire, the State of Tennessee or any political subdivision thereof, within the meaning of any constitutional or statutory debt limitation, or a charge against the general credit or taxing powers of any of them. The Bonds shall be a limited obligation of the Issuer, payable solely from certain revenues duly pledged therefor.

The public hearing will commence at 3:00 p.m. ET, or as soon thereafter as the matter can be heard, via toll-free telephonic means accessible to the public by dialing toll-free (844) 854-2222 and entering the participant code 920111. Interested persons wishing to express their views on the issuance of the Bonds and the financing of the facilities, including the nature and location of such facilities, may attend the public hearing, or, prior to the time of such hearing, submit written comments.

Additional information concerning the above matter may be obtained from, and written comments should be addressed to, National Finance Authority 135 N. State Street, Concord, N.H. 03301, Attn: John Stoeker, telephone (603) 369-3886, email: john@nfabonds.com

Trump speaks to 4,500 during campaign stop in Clarksville

Richard Spears
Fentress Courier Today

President Donald Trump visited Clarksville on Saturday, Oct. 10, as part of his campaign tour ahead of the November midterm elections, addressing an estimated 4,500 people at F&M Bank Arena.

During the rally, Trump spoke about U.S. Sen. Marsha Blackburn, the Republican candidate for Tennessee governor, and U.S. Sen. Bill Hagerty. Both senators joined the president onstage.

Trump also addressed the upcoming congressional elections, saying that if Republicans lose their current majority in Congress, "the blame would most likely be on" him.

The president promised that if Republicans maintain control of both the House and Senate, every adult U.S. citizen would receive a $5,000 payment. The proposal would carry an estimated total cost of $1.2 trillion.

The Clarksville appearance marked Trump's second visit to Tennessee in recent weeks. He previously visited the state Saturday, Sept. 26, to attend the University of Tennessee football game against Texas at Neyland Stadium in Knoxville.

Rosenbaum appointed to food bank advisory committee

Fentress County Executive Jacob Rosenbaum has been appointed to represent Fentress County on the Advisory Committee of Second Harvest Food Bank of East Tennessee.

The committee brings together representatives from across Second Harvest's 18-county service area to provide local insight, expertise and community connections. Members help the organization better understand the needs of the communities it serves and contribute to discussions about improving access to nutritious food throughout East Tennessee.

"I am grateful for the opportunity to represent Fentress County and to make sure the needs and perspectives of our community have a voice in this important work," Rosenbaum said. "Food insecurity affects our neighbors of every age, from children and working families to senior citizens. Second Harvest and its local partners provide an important service to people when they need a helping hand, and I look forward to working with representatives from across East Tennessee to strengthen those efforts."

Second Harvest Food Bank of East Tennessee serves Fentress County as part of an 18-county service area and works with local food pantries, schools, churches, community organizations and other partners to provide food assistance to East Tennesseans experiencing hunger.

Rosenbaum's appointment is for a one-year term.

"This appointment provides another opportunity to advocate for Fentress County and strengthen our connections with organizations serving our people," Rosenbaum said. "I appreciate Second Harvest for inviting me to serve, and I look forward to listening, learning, and contributing wherever I can."

Johnson City Press | SIXRIVERS MEDIA

PART-TIME JONESBOROUGH REPORTER

The Johnson City Press is looking for a curious, enterprising journalist to cover Jonesborough and the surrounding community as a part-time reporter.

This is an opportunity to become the eyes and ears of one of Northeast Tennessee's most distinctive communities while helping build the Johnson City Press' coverage of Washington County.

We are looking for someone who understands that community journalism is more than covering meetings and community events. The right reporter will find stories, ask questions, develop sources and tell readers what is happening in their community and why it matters.

What you'll cover

- Jonesborough town government, including Board of Mayor and Aldermen meetings
- Development, planning, zoning and growth
- Schools and education
- Public safety and courts
- Business and economic development
- Local government decisions and their impact on residents
- Community organizations and civic issues
- Festivals, arts, tourism and other events when they have genuine news value
- Features and enterprise stories that help readers understand the community
- Breaking news and developing stories
- Stories that originate from reader tips, public records and the reporter's own reporting

The reporter will also be expected to look beyond the obvious story. A meeting agenda may produce a story, but the reporter should also be asking: What does this mean for people who live here? What isn't being discussed? What should readers know next?

What we're looking for

- Curious and comfortable asking questions
- Strong writers who can produce clean, accurate copy
- Comfortable interviewing people and developing sources
- Able to work independently and manage deadlines
- Interested in local government and public affairs
- Comfortable attending evening meetings when necessary
- Able to recognize the difference between a press release and a story
- Willing to pursue follow-ups rather than simply moving on to the next assignment
- Comfortable working in a digital-first newsroom
- Interested in using social media and other digital tools to help reach readers
- Able to take photographs or produce basic multimedia content when appropriate

Previous professional journalism experience is preferred, but we will consider strong candidates who are early in their journalism careers. College journalism or communications experience is helpful but not necessarily required for the right candidate.

This is a reporting job

We want someone who wants to report. That means developing sources, attending public meetings, reviewing documents and public records, asking difficult questions when necessary, finding people affected by decisions and pursuing stories that aren't handed to us.

Community involvement is important, but the job is not simply about promoting Jonesborough or highlighting positive community events. The Johnson City Press is committed to independent journalism that serves readers.

AI and journalism

The Johnson City Press recognizes that AI tools can assist journalists with research, organization and other newsroom tasks. Reporters are expected to use AI responsibly and in accordance with company and newsroom policies.

AI does not replace reporting. Original reporting, interviews, source development, fact-checking, verification and the final journalistic judgment must come from the reporter. Candidates should be comfortable learning new technology while understanding the ethical and editorial responsibilities that come with using it.

Schedule

This is a part-time position, with a flexible schedule built around the needs of the Jonesborough beat. It would be centered around a 24-hour work week.

The position will require some daytime availability as well as occasional evenings for government meetings and other important events.

Why the Jonesborough beat?

Jonesborough is Tennessee's oldest town and a community with a strong identity, active local government, growing development pressures, tourism, business activity and a rich cultural life.

It also is an important part of the Johnson City Press' Washington County readership.

The reporter in this position will have the opportunity to build a beat, develop a source network and establish a recognizable presence in the community.

If you are the kind of journalist who sees a town council agenda and immediately starts wondering what questions need to be asked, we'd like to hear from you.

To apply

Please submit a resume, cover letter and 2-3 examples of your best journalism to Cliff Hightower, managing editor of the Johnson City Press, at **chightower@sixriversmedia.com.**

Please include "Jonesborough Reporter" in the subject line.

The Johnson City Press is an equal opportunity employer.

The Erwin Record, a weekly newspaper in Unicoi County, is looking for a **part-time news writer/reporter.**

The Erwin Record is an award-winning newspaper serving Erwin and Unicoi County with an uninterrupted history of publication dating back to 1928. The Erwin Record won the prestigious General Excellence Award at the annual Tennessee Press Association state press contest awards held this past summer and aims to continue this record.

Candidates should have:
- Solid grasp of basic composition and ability to summarize complex information into an easily comprehended style. Attention to attribution is an absolute necessity. The ability to incorporate quotations to provide authority to a story is a plus.
- Ability to establish enduring connections (people skills) and cultivate reliable and dependable sources.
- Agility at pivoting to handle both the reporting and the writing duties. Quick but accurate turn-around is essential.
- Know something of social media, photography and videography.
- Experience of website CMS (content management system) platforms is a plus.
- Demonstrate the ability and willingness to learn new tasks and skills.

Expected Beats
Law enforcement, municipal government and local education are the core of the expected coverage beats, but not the extent of it.

There are no small stories at The Erwin Record. All stories should be approached with creative flair, accuracy and fairness.

The candidate for his position will be responsible for coverage of various aspects of local government, including local education and law enforcement. The candidate should be able to take on assigned stories and pitch stories of their own.

Some weekend work will be necessary, but hours are flexible.

Send a resume and an introductory letter about why you would be a great fit for this part-time reporting and writing position to **bstevens@sixriversmedia.com**

CONSTITUTIONAL AMENDMENT # 1 (Vote For One (1))

Summary:
This amendment changes Article I, section 15 of the Tennessee Constitution by allowing a court to hold a defendant without bail before trial when that defendant is accused of: an offense punishable by the death penalty, an act of terrorism, second degree murder, aggravated rape of a child, aggravated rape, grave torture, or any crime for which a convicted person would be required to serve eighty-five percent of their sentence. This amendment requires courts to state on the record the reasons for their decision to grant or deny bail in those cases.

Question:
Shall Article I, Section 15 of the Constitution of Tennessee be amended by deleting the following:

That all prisoners shall be bailable by sufficient sureties, unless for capital offences, when the proof is evident, or the presumption great. And the privilege of the writ of Habeas Corpus shall not be suspended, unless when in case of rebellion or invasion, the General Assembly shall declare the public safety requires it. and substituting instead the following:

(a) All prisoners shall be bailable by sufficient sureties unless for the following when the proof is evident or the presumption great:
(1) A capital offense;
(2) An act of terrorism;
(3) Second degree murder;
(4) Aggravated rape of a child;
(5) Aggravated rape;
(6) Grave torture; and
(7) Any other offense for which, as of November 3, 2026, a defendant, if convicted, could not be released prior to the expiration of at least eighty-five percent of the entire sentence imposed.
(b) In any case in which bail for an offense listed in subsection (a) is granted or denied before conviction, the judge or magistrate shall place in the record the judge's or magistrate's reasons for granting or denying bail.
(c) The privilege of the writ of Habeas Corpus shall not be suspended, unless when in case of rebellion or invasion, the General Assembly shall declare the public safety requires it.

CONSTITUTIONAL AMENDMENT # 3 (Vote For One (1))

Constitutional Amendment # 3
Vote for One (1)
Summary:
This amendment changes Article I, section 35 of the Tennessee Constitution by clarifying existing rights for crime victims and adding new rights. The amendment gives victims new rights: to fair treatment; to be informed about and participate in the parole process; to be protected from harassment, intimidation, and abuse; to be informed of the minimum sentence the convicted criminal will serve, as well as their scheduled release date; and to have their safety, their family's safety, and the public's safety taken into account before any decision is made to release the convicted criminal. The amendment also maintains or clarifies victims' existing rights: to be informed about legal proceedings involving the accused or convicted criminal; to be present at public criminal proceedings; to be informed of any release, transfer, or escape of the accused or convicted criminal; to talk to prosecutors; to make statements about conviction, sentencing, or release of the accused person; to a speedy resolution of the case; to restitution from the convicted criminal; and to be informed of their rights. The amendment does not restrict the powers of prosecutors or
courts and does not create a cause of action or claim for damages against the State of Tennessee.

Question:
Shall Article I, Section 35 of the Constitution of Tennessee be amended by deleting the section in its entirety and substituting the following:
Section 35. That to preserve and protect the rights of victims of crime to justice and due process throughout the criminal and juvenile justice systems, a victim, as defined by law and which may be expanded by the General Assembly, shall have the following rights, which shall be protected:
(1) The right to be treated with fairness for the victim's safety and dignity;
(2) The right, upon request, to reasonable notice of all public criminal proceedings and all public juvenile delinquency proceedings involving the accused;
(3) The right to be present at all public criminal proceedings and all public juvenile delinquency proceedings involving the accused;
(4) The right upon request to be heard in any proceeding involving release, plea, sentencing, disposition, and parole, as well as any public proceeding when relevant during which a right of the victim is implicated;
(5) The right to be heard and informed of all parole procedures, to participate in the parole process, to provide information to the parole authority to be considered before the parole of the offender, and to be notified, upon request, of the parole or other release of the offender;
(6) The right to be free from harassment, intimidation, and abuse throughout the criminal justice system, including reasonable protection, as defined by the General Assembly, from the accused or any person acting on behalf of the accused;
(7) The right, upon request, to reasonable notice of any release, transfer, or escape of the accused or convicted person;
(8) The right to full and timely restitution from the offender;
(9) The right to a speedy trial or disposition and a prompt and final conclusion of the case after the conviction or sentence;
(10) The right to be informed of the minimum sentence the offender will serve in custody and the scheduled release date;
(11) The right to have the safety of the victim, the victim's family, and the general public considered before any parole or other post-judgment release decision is made;
(12) The right, upon request, to confer with the prosecution; and
(13) The right to be fully informed of all rights afforded to crime victims.

CONSTITUTIONAL AMENDMENT # 3 (Vote For One (1))

A victim may assert the rights enumerated in this section, not as a party, but in the manner further provided by the General Assembly protecting the victim's right to standing. The General Assembly has the authority to enact substantive and procedural laws to further define, implement, preserve, and protect the rights guaranteed to victims by this section. This section must be interpreted
to preserve and protect the rights of all persons to due process. This section, or any law enacted under this section, does not create a basis for vacating a conviction. This section does not restrict the powers of the District
Attorney General or the inherent authority of the court.

Other than as provided in the preceding paragraph, this section does not create a cause of action or claim for damages against the state or a political subdivision of the state; an officer, employee, or agent of the state or of any
of its political subdivisions; or an officer or employee of the court.

Celebrating Constitution Week

The Americaa 250 Event will be a Color Guard ceremony that will assist the Daughters of the American Revolution in the honoring of this American Patriot. It will be an educational event that Americans will always remember.

Proclamations were signed by Marshall County Mayor Craig Blackwell, Lincoln County Mayor Walt Patrick, Petersburg Mayor Kevin Coffield and Commander of American Legion Hart-Beard Post # 155 Petersburg Cole Blocker.

Commemorative gifts were shared with the following Lincoln County offices and Library, Registrar, Assessors, Archives, and the Lincoln County and Petersburg Mayor's offices as well as several local Petersburg businesses.

Educational outreach was initiated with Raising Arrows Home School. Also book donations were made to the Chapel Hill Library, Forrest High School Library, first and third grade classes at Chapel Hill Elementary, and Cornersville schools. Facts to share with the students about the Constitution were provided to the schools. For the general public a display was set up at the Chapel Hill Library.

The Marshall County High School and the Petersburg Lions Club celebrated Constitution Week on their outdoor signs. Robert Lewis printed posters and provided them for display to local businesses and other public areas.

Bell ringing on Constitution Day is a tradition recalling the bells which rang in Philadelphia on September 17, 1787, when delegates completed the U.S. Constitution. Petersburg again participated in this tradition by ringing three bells. Our Ringers were Greg Merritt, Petersburg Cumberland Presbyterian Church, Pastor Doug Watt, Petersburg United Methodist Church, and Mayor Kevin Coffield, who rang the Historic Town Square Bell.

The Robert Lewis Chapter NSDAR thanks the community in helping to celebrate our history during this commemorative week.

The next event is the grave marking of American patriot John Dysart. It will be on Saturday, October 17 at 1 p.m. in Bills Cemetery, 2102 John R. Hill Road. All are invited to attend.

The Daughters of the American Revolution is a nonprofit, nonpolitical volunteer women's service organization whose mission is to promote historic preservation, education, and patriotism. Any woman 18 years or older, regardless of race, religion or ethnic background, who can prove and document lineal descent from a Patriot of the American Revolution is eligible. If interested in membership, please email robertlewis@tndar.

NOTICE
OF INTENT TO REQUEST A RELEASE OF FUNDS

Date of Notice: October 13th, 2026
Name of Responsible Entity [RE]: Clay County, TN
Address: 145 Cordell Hull Dr.
City, State, Zip Code: Celina, TN 38551
Telephone Number of RE: (931)243-2436

On or about October 21st, 2026, Clay County will submit a request to the Tennessee Housing Development Agency for release of HOME funds under Title II of the Cranston-Gonzalez National Affordable Housing Act of 1990, as amended, to undertake a project known as 2025 HOME Grant for the purpose of rehabilitating up to eight (8) homes in the boundaries of Clay County, TN, with an estimated cost of $750,000.00.

The activities proposed are categorically excluded under HUD regulations at 24 CFR Part 58 from National Environmental Policy Act (NEPA) requirements. An Environmental Review Record (ERR) that documents the environmental determinations for this project is on file at Clay County Mayor's office at 145 Cordell Hull Dr., Celina, TN 38551, and may be examined or copied weekdays 8 a.m. to 4 p.m.

PUBLIC COMMENTS

Any individual, group, or agency may submit written comments on the ERR to Clay County Mayor's office. All comments received by October 20th, will be considered by Clay County prior to authorizing submission of a request for release of funds.

ENVIRONMENTAL CERTIFICATION

Clay County certifies to the Tennessee Housing Development Agency that Greg Brannon, in his capacity as Mayor, consents to accept the jurisdiction of the Federal Courts if an action is brought to enforce responsibilities in relation to the environmental review process and that these responsibilities have been satisfied. The Tennessee Housing Development Agency's approval of the certification satisfies its responsibilities under NEPA and related laws and authorities and allows Clay County to use Program funds.

OBJECTIONS TO RELEASE OF FUNDS

The Tennessee Housing Development Agency will accept objections to its release of funds and Clay County's certification for a period of fifteen (15) days following the anticipated submission date or its actual receipt of the request (whichever is later) only if they are on one of the following bases:

a) the certification was not executed by the Certifying Officer of Clay County;
b) Clay County has omitted a step or failed to make a decision or finding required by HUD regulations at 24 CFR Part 58;
c) the grant recipient or other participants in the development process have committed funds, incurred costs, or undertaken activities not authorized by 24 CFR Part 58 before approval of a release of funds by the Tennessee Housing Development Agency; or
d) another Federal agency acting pursuant to 40 CFR Part 1504 has submitted a written finding that the project is unsatisfactory from the standpoint of environmental quality.

Because the grant award year Project will involve activities at several scattered sites for which the exact location will not be known for some time, an environmental review strategy has been developed, including Site Specific Checklists to assure that the required environmental review is completed for each site. If environmental factors are identified as having an impact on the project or any of the specific project sites, they will be addressed on a case-by-case basis.

Objections must be prepared and submitted in accordance with the required procedures (24 CFR Part 58, Sec. 58.76) and shall be addressed to the Tennessee Housing Development Agency, Andrew Jackson Building, Third Floor, 502 Deaderick Street, Nashville, TN 37243, Attention: Community Programs Division. Potential objectors should contact the Tennessee Housing Development Agency to verify the actual last day of the objection period.

Foreclosure / Sheriff Sales

Notice of Foreclosure

WHEREAS, ROBERT DONALD WALKER (collectively, the "Grantor"), by that certain Deed of Trust dated March 21, 2019, recorded as Instrument No. 201904100032642 (the "Deed of Trust"), in the Register's Office of Davidson County, Tennessee (the "Register's Office"), conveyed to Darrin F. Davidson, Trustee, the Property (as hereinafter defined) to secure the payment of certain indebtedness described in the Deed of Trust (the "Indebtedness"), which Indebtedness is presently held and owned by Newtek Small Business Finance, LLC (the "Lender"); and

WHEREAS, default has occurred by Grantor's failure to comply with the terms and conditions of the Deed of Trust, and the Indebtedness has been declared due and payable as provided in the Deed of Trust, and the Indebtedness has not been paid; and

WHEREAS, Lender, the owner and holder of the Indebtedness, has demanded that the Property be advertised and sold in satisfaction of the Indebtedness and the costs of foreclosure, in accordance with the terms of the Deed of Trust; and

WHEREAS, Joseph Vincent Ronderos, Jr. (the "Successor Trustee") has been duly appointed as Successor Trustee in the place and stead of Darrin F. Davidson, and any and all prior Trustees, by appointment recorded as Instrument Number 20260609-0051835, in said Register's Office.

NOW, THEREFORE, notice is hereby given that I, Joseph Vincent Ronderos, Jr., Successor Trustee, pursuant to the power, duty and authority vested in and imposed upon me in the Deed of Trust, will on Thursday, October 22, 2026, at 11:00 a.m. prevailing Central time, at the Davidson County Courthouse, 1 Public Square, Nashville, Tennessee 37201, in the manner further described herein, offer the Property, as such term is hereafter defined, for sale to the highest bidder for cash, and free from equity of redemption, and any statutory or common law right of redemption, homestead, dower, marital share, and all other exemptions, all of which are expressly waived in the Deed of Trust. The term "Real Property" as used herein shall mean all of Grantor's right, title and interest in and to the real property, as defined in said Deed of Trust, together with all the improvements, tenements, hereditaments and appurtenances, all easements serving or benefiting the Property, and any or all fixtures and improvements now or hereafter attached to the Property, situated in Davidson County, Tennessee, described as follows (the "Property"):

Legal description: Found in Instrument No. 201904100032642, Register's Office of Davidson County.

Common description: Map and Parcel No(s).: 052-13-0-046.00

Street address is believed to be: 2624 Miami Avenue, Nashville, Tennessee 37214

In the event of any discrepancy, the legal description herein shall control.

In accordance with Tennessee Code Annotated Section 47-9-604, the sale of the Real Property will be combined with a sale of any and all personal property covered by or described in the Deed of Trust which under applicable law may be subject to a security interest pursuant to the Uniform Commercial Code as enacted in the State of Tennessee, including, without limitation, any and all proceeds hereof (collectively, the "Personal Property").

As used herein, the "Property" shall mean the Real Property and the Personal Property.

A review of the records at the Register's Office disclosed that the Property may be subject to certain matters set forth below and that the persons named below may be interested parties, along with the persons named in the first paragraph of this Notice of Foreclosure:

Any and all unpaid ad valorem taxes payable to Davidson County, Tennessee (plus penalty and interest, if any) that may be a lien against the Property.

Any and all unpaid ad valorem taxes payable to the City of Nashville, Tennessee (plus penalty and interest, if any) that may be a lien against the Property.

Deed of Trust from Robert Donald Walker, an unmarried man to Jonathan R. Vinson, Trustee, to secure to F&M Bank, the original principal indebtedness of $448,780.00, dated October 26, 2018, recorded October 29, 2018, filed of record in Instrument No. 20181029-0106655, Register's Office for Davidson County, Tennessee.

Deed of Trust from Robert Donald Walker to Darrin F. Davidson, Trustee, to secure to Newtek Small Business Finance, LLC, the original principal indebtedness of $2,092,000.00, dated March 21, 2019, recorded April 10, 2019, filed of record in Instrument No. 20190410-0032642, Register's Office for Davidson County, Tennessee; and further, Appointment of Successor Trustee of record in Instrument No. 20260609-0051835, said Register's Office.

Deed of Trust from Robert Donald Walker to Darrin F. Davidson, Trustee, to secure to Newtek Small Business Finance, LLC, the original principal indebtedness of $762,000.00, dated March 21, 2019, recorded April 10, 2019, filed of record in Instrument No. 20190410-0032643, Register's Office for Davidson County, Tennessee.

The foregoing matters may or may not take priority over the Deed of Trust. To the extent such matters do take priority over the Deed of Trust under applicable law, the sale will be subject to them, and to the extent such matters do not take priority over the Deed of Trust under applicable law, the Property will not remain subject to them after the sale.

The sale will also be subject to any and all liens, defects, encumbrances, conveyances, adverse claims and other matters which take priority over the Deed of Trust upon which this foreclosure sale is had, and any statutory rights of redemption not otherwise waived in the Deed of Trust, including rights of redemption of any governmental agency, state or federal, which have not been waived by such governmental agency, and matters that take priority over the Deed of Trust which an accurate survey of the Property might disclose.

The Property is to be sold AS IS WHERE IS, without representations or warranties of any kind whatsoever, whether express or implied. Without limiting the foregoing, the property is to be sold without any implied warranties of merchantability or fitness for a particular use or purpose. Successor Trustee will make no covenant of seisin or warranty of title, express or implied, and will sell and convey his interest in the Property by Successor Trustee's Deed as Successor Trustee only.

The right is reserved to adjourn the day of sale to another day and time certain, without further publication and in accordance with law, upon announcement of said adjournment on the day and time and place of sale set forth above, to sell the Property with or without division if the Property consists of more than one parcel, and to sell to the second highest bidder in the event the highest bidder does not comply with the terms of the sale.

This 16th day of September, 2026.

Public Notices

NOTICE OF PUBLIC HEARING

NOTICE IS HEREBY GIVEN that on October 21, 2026, a public hearing as required by Section 147(f) of the Internal Revenue Code of 1986, as amended (the "Code") will be held with respect to the proposed issuance by the National Finance Authority (the "Issuer") of its qualified 501(c)(3) bonds, as defined in Section 145 of the Internal Revenue Code of 1986 (the "Code"), for hospitals or other health facilities, in one or more series, from time to time, pursuant to a plan of financing, in an aggregate principal amount not to exceed $100,000,000 (the "Bonds"). The public hearing is required by Section 147(f) of the Code and Section 162-S:10 of the New Hampshire Revised Statutes. The public hearing is being held on behalf of the Issuer and the State of Tennessee.

The proceeds of the Bonds will be loaned to Madison Sustainable Energy Partners LLC, a Delaware limited liability company (the "Borrower"), the sole member of which is Genesis Capital Finance Corporation, a Delaware nonstock corporation and an organization described in Section 501(c)(3) of the Code (the "Sole Member"), which will pay or reimburse the costs of the acquisition, development, construction, improvement and equipping of certain energy related improvements, including but not limited to upgrading and replacing central utility plant assets, upgrading building automation systems, implementing energy savings measures, and making other infrastructure improvements at certain hospitals and related facilities (the "Project") owned and/or principally used by Jackson-Madison County General Hospital District, a joint, nonprofit hospital district created by Chapter 686 of the Private Acts of Tennessee Legislature for 1949, as amended, doing business as West Tennessee Healthcare ("West Tennessee Health") and/or certain affiliates of West Tennessee Health (which affiliates are governmental entities and/or organizations described in Section 501(c)(3) of the Code), and generally located at the following locations:
(1) the West Tennessee Healthcare Dyersburg Hospital campus, generally located at 400 E. Tickle St., Dyersburg, TN 38024 ($19,873,000 maximum principal amount);
(2) the West Tennessee Healthcare Henry County Hospital campus, generally located at 301 Tyson Avenue, Paris, TN 38242 ($37,587,000 maximum principal amount);
(3) the West Tennessee Healthcare Jackson Madison General Hospital campus, generally located at 620 Skyline Drive, Jackson, TN 38301 ($57,154,000 maximum principal amount);
(4) the North Hospital campus, generally located at 367 Hospital Blvd, Jackson, TN 38305 ($14,954,000 maximum principal amount);
(5) the West Tennessee Healthcare Milan Hospital campus, generally located at 4039 Highland Street, Milan, TN 38358 ($13,343,000 maximum principal amount);
(6) the West Tennessee Healthcare Volunteer Hospital campus, generally located at 161 Mt. Pelia Road, Martin, TN 38237 ($19,586,000 maximum principal amount); and
(7) the West Tennessee Healthcare Camden Hospital campus, generally located at 175 Hospital Drive, Camden, TN 38320 ($9,375,000 maximum principal amount).
The Bonds and the obligation to pay principal of and interest thereon and any redemption premium with respect thereto do not constitute indebtedness or an obligation of the Issuer, the State of New Hampshire, the State of Tennessee or any political subdivision thereof, within the meaning of any constitutional or statutory debt limitation, or a charge against the general credit or taxing powers of any of them. The Bonds shall be a limited obligation of the Issuer, payable solely from certain revenues duly pledged therefor.
The public hearing will commence at 3:00 p.m. ET, or as soon thereafter as the matter can be heard, via toll-free telephonic means accessible to the public by dialing toll-free (844) 854-2222 and entering the participant code 920111. Interested persons wishing to express their views on the issuance of the Bonds and the financing of the facilities, including the nature and location of such facilities, may attend the public hearing, or, prior to the time of such hearing, submit written comments.
Additional information concerning the above matter may be obtained from, and written comments should be addressed to, National Finance Authority 135 N. State Street, Concord, N.H. 03301, Attn: John Stoeker, telephone (603) 369-3886, email: john@nfabonds.com

- Monitor vital signs and report changes.
- Administer prescribed oral medications as directed.
- Provide companionship, emotional support, and engagement through conversation, reading, and accompanying clients to appointments.
- Maintain accurate, timely documentation of services provided and client progress.
- Collaborate with family members, caregivers, and interdisciplinary team members to ensure coordinated care.

Qualifications:
- Valid driver's license.
- Compassion, patience, and a commitment to deliver respectful, high quality care.
- Demonstrated knowledge of basic healthcare practices and safe client handling techniques.
- Ability to lift, transfer, and assist clients safely.
- Strong communication skills and the ability to interact professionally with client, families, and staff.

Preferred Experience:
- Prior experience in home health, personal care, or related caregiving roles.

Work Environment: This position involves providing services in clients' home. Flexible scheduling options may be available.
How to Apply: Interested candidates should submit a resume and cover letter to vibrant51.sm@gmail.com

Finding balance...

FROM PAGE A5

worries and toward positive experiences and accomplishments.

Connect with Others
Spending time with family, friends, neighbors, and community groups can provide valuable emotional support during stressful periods.

Achieving Better Work-Life Balance
Work-life balance remains a challenge for many families. The growing ability to work from anywhere has created flexibility, but it has also blurred the lines between personal time and work responsibilities.

Experts suggest establishing clear boundaries by:
- Setting consistent work hours
- Taking regular breaks throughout the day
- Avoiding work emails during family time
- Using vacation days and personal leave when available
- Prioritizing activities that recharge energy
- Creating balance doesn't necessarily mean doing less. Instead, it means spending time on what matters most while protecting personal well-being.

Fun Fall Activities That Support Wellness
Many seasonal activities naturally encourage mindfulness and relaxation:
- Visiting a pumpkin patch
- Taking a scenic nature walk
- Attending a local harvest festival
- Making homemade soup with family
- Decorating with natural materials
- Watching a sunset on a cool evening
- Reading by candlelight
- Enjoying a backyard bonfire
- Collecting colorful leaves
- Baking apple or pumpkin treats

These simple experiences encourage people to slow down and appreciate the present moment.

The Power of Seasonal Self-Care
Self-care doesn't have to be expensive or complicated. Sometimes it looks as simple as getting enough sleep, drinking a warm cup of tea, taking a quiet walk, or setting aside time to enjoy a favorite hobby.

Fall reminds us that nature itself follows cycles of growth, change, and rest. As leaves fall and the pace of life begins to shift, the season offers a valuable reminder that people also need time to recharge.

Looking Ahead
As communities prepare for autumn celebrations and the approaching holiday season, maintaining balance may be one of the most important goals of all. Through mindfulness, stress management, healthy routines, and meaningful connections, individuals and families can enjoy a season filled with both productivity and peace.

This fall, take time to breathe deeply, step outside, and enjoy the beauty of the season. The pumpkins, colorful leaves, and crisp mornings may be fleeting, but the healthy habits built during this time can last all year long.

For more mindfulness tips, visit Decatur County UT Extension on Facebook at facebook.com/DecaturCoExtension/ or contact Jenny Smith at 731-852-2831.

SUBSTITUTE TRUSTEE'S NOTICE OF SALE

Sale at public auction will be on November 9, 2026 at 11:00AM local time, at the front door, Hardin County Courthouse, 465 Main Street, Savannah, Tennessee pursuant to Deed of Trust executed by Darla Turner and Ray Turner, to Larry A. Weissman, Trustee, as trustee for Mortgage Electronic Registration Systems, Inc., as beneficiary, as nominee for SunTrust Mortgage, Inc., its successors and assigns on October 24, 2008 at Record Book 483, Page 48-63; conducted by LLG Trustee TN LLC, having been appointed Substitute or Successor Trustee, all of record in the Hardin County Register's Office. Default has occurred in the performance of the covenants, terms, and conditions of said Deed of Trust and the entire indebtedness has been declared due and payable.

Party Entitled to Enforce the Debt: Truist Bank, its successors and assigns.

The real estate located in Hardin County, Tennessee, and described in the said Deed of Trust will be sold to the highest call bidder. The terms of the said Deed of Trust may be modified by other instruments appearing in the public record. Additional identifying information regarding the collateral property is below and is believed to be accurate, but no representation or warrant is intended.

Street Address: 990 Yellow Creek Lane, Counce, Tennessee 38326
Parcel Number: 174K A 027.00

Current Owner(s) of Property: The Gregory Allen Fortune Trust, dated May 31, 2012

This sale is subject to all matters shown on any applicable recorded Plat or Plan; any unpaid taxes and assessments; any restrictive covenants, easements or setback lines that may be applicable; rights of redemption, equity, statutory or otherwise, not otherwise waived in the Deed of Trust, including rights of redemption of any government agency, state or federal; and any and all prior deeds of trust, liens, dues, assessments, encumbrances, including those created by a fixture filing or any applicable homeowners' association dues or assessments; any defects, adverse claims and other matters that may take priority over the Deed of Trust upon which this foreclosure sale is conducted or are not extinguished by this Foreclosure Sale; all claims or other matters, whether recorded or not, which may encumber the purchaser's title and any matter that an accurate survey of the premises might disclose.

The following parties may claim an interest in the above-referenced property to be affected by the foreclosure: any judgment creditor or lien holder with an interest subordinate to the said Deed of Trust or any party claiming by, though, or under any of the foregoing. Such parties known to the Substitute Trustee may include: All parties claiming by, through or under Darla Turner.

Terms of Sale will be public auction, for cash, free and clear of rights of homestead, redemption and dower to the extent disclaimed or inapplicable, and the rights of Darla Turner and Ray Turner, and those claiming through him/her/it/them.

Any right of equity of redemption, statutory and otherwise, and homestead are waived in accord with the terms of said Deed of Trust, and the title is believed to be good, but the undersigned will sell and convey only as Substitute Trustee.

The right is reserved to postpone or adjourn the sale to another time certain or to another specified date, time, and location certain, without further newspaper publication upon announcement by posting with the third-party internet posting company and announcing on the date, time, and location of each sale set forth above or any subsequent postpone or adjourned date, time, and location of sale; provided, however if the sale is postponed or adjourned for less than five (5) days after the original sale, announcement by internet posting is not required.

If you purchase a property at the foreclosure sale, the entire purchase price is due and payable at the conclusion of the auction in the form of a certified/bank check made payable to or endorsed to LOGS Legal Group LLP. No personal checks will be accepted. To this end, you must bring sufficient funds to outbid the lender and any other bidders. Insufficient funds will not be accepted. Amounts received in excess of the winning bid will be refunded to the successful purchaser at the time the foreclosure deed is delivered.

This property is being sold with the express reservation that the sale is subject to confirmation by the lender or trustee. This sale may be rescinded only by the Substitute Trustee at any time. If the Substitute Trustee rescinds the sale, the purchaser shall only be entitled to a return of any money paid towards the purchase price and shall have no other recourse. Once the purchaser tenders the purchase price, the Substitute Trustee may deem the sale final in which case the purchaser shall have no remedy. The real property will be sold AS IS, WHERE IS, with no warranties or representations of any kind, express or implied, including without limitation, warranties regarding condition of the property or marketability of title.

THE PROPERTY IS SOLD WITHOUT ANY REPRESENTATIONS OR WARRANTIES, EXPRESSED OR IMPLIED, RELATING TO TITLE, MARKETABILITY OF TITLE, POSSESSION, QUIET ENJOYMENT OR THE LIKE AND FITNESS FOR A GENERAL OR PARTICULAR USE OR PURPOSE. The title is believed to be good, but the undersigned will sell and convey only as Substitute Trustee.

Pelican Festival set for Oct. 23-25 at Reelfoot Lake

Reelfoot Lake State Park will host the Pelican Festival Oct. 23-25, with guided van tours, a wildlife program, vendors, a silent auction and an art and photography contest.

Each fall, American white pelicans migrate along the Mississippi Flyway, stopping in the shallow waters of Reelfoot Lake to rest and feed. The birds have wingspans of 8 to 10 feet, white feathers, black-tipped wings visible in flight and large, bright orange bills. They gather to herd small fish by splashing the water with their wings and feet, then scoop the fish into their large pouches.

Friday, Oct. 23, vendors will be open from 9:30 a.m. to 4 p.m. One-hour pelican van tours are scheduled for 10 a.m. and 2 p.m. The silent auction opens at 11 a.m., and registration for the art and photography contest opens at 1 p.m.

Saturday, Oct. 24, begins with a two-hour pelican photography van tour at 7:30 a.m. Contest registration opens at 8:30 a.m., followed by vendors from 9:30 a.m. to 4 p.m. A one-hour pelican van tour leaves at 10 a.m.

A live animal program with Bob Tarter, sponsored by RLTC, is scheduled for 1 p.m. Saturday. The silent auction ends at 3 p.m., and bidders will be notified. Voting in the art and photography contest ends at 3:30 p.m., when awards will be given.

Sunday, Oct. 25, vendors will be open from 9 a.m. to 1 p.m. One-hour pelican van tours are scheduled for 9:30 a.m. and 1 p.m.

Reservations are required for van tours. The photography tour costs $30 per person, and guided van tours cost $15 per person. The art and photography contest entry fee is $10 per entry. Registration is available through the Reelfoot Lake State Park website or by calling 731-253-9652.

Kayak rentals are available daily at South Campground for $10 an hour or $50 a day. For rental information, call 731-538-3356.

Constitutional Amendments

Constitutional Amendment # 1
Vote for One (1)

Summary:

This amendment changes Article **I**, section 15 of the Tennessee Constitution by allowing a court to hold a defendant without bail before trial when that defendant is accused of: an offense punishable by the death penalty, an act of terrorism, second degree murder, aggravated rape of a child, aggravated rape, grave torture, or any crime for which a convicted person would be required to serve eighty-five percent of their sentence. This amendment requires courts to state on the record the reasons for their decision to grant or deny bail in those cases.

Question:

Shall Article **I**, Section 15 of the Constitution of Tennessee be amended by deleting the following:

That all prisoners shall be bailable by sufficient sureties, unless for capital offences, when the proof is evident, or the presumption great. And the privilege of the writ of Habeas Corpus shall not be suspended, unless when in case of rebellion or invasion, the General Assembly shall declare the public safety requires it.

and substituting instead the following:

(a) All prisoners shall be bailable by sufficient sureties unless for the following when the proof is evident or the presumption great:

(1) A capital offense;

(2) An act of terrorism;

(3) Second degree murder;

(4) Aggravated rape of a child;

(5) Aggravated rape;

(6) Grave torture; and

continues on the next column ⇨

(7) Any other offense for which, as of November 3, 2026, a defendant, if convicted, could not be released prior to the expiration of at least eighty-five percent of the entire sentence imposed.

(b) In any case in which bail for an offense listed in subsection (a) is granted or denied before conviction, the judge or magistrate shall place in the record the judge's or magistrate's reasons for granting or denying bail.

(c) The privilege of the writ of Habeas Corpus shall not be suspended, unless when in case of rebellion or invasion, the General Assembly shall declare the public safety requires it.

Constitutional Amendment # 2
Vote for One (1)

Summary:

This amendment adds text to Article **II**, section 28 of the Tennessee Constitution that prohibits the Legislature from imposing a State property tax on real, personal, or mixed property.

Question:

Shall Article **II**, Section 28 of the Constitution of the State of Tennessee be amended by deleting the following language from the first sentence:

In accordance with the following provisions, all property real, personal or mixed shall be subject to taxation, but the Legislature

and substituting instead the following:

In accordance with the following provisions, all property real, personal, or mixed shall be subject to taxation, but the Legislature shall not levy, authorize, or otherwise permit any state tax upon such property, and the Legislature

- No

Constitutional Amendment # 3
Vote for One (1)

Summary:

This amendment changes Article **I**, section 35 of the Tennessee Constitution by clarifying existing rights for crime victims and adding new rights. The amendment gives victims new rights: to fair treatment; to be informed about and participate in the parole process; to be protected from harassment, intimidation, and abuse; to be informed of the minimum sentence the convicted criminal will serve, as well as their scheduled release date; and to have their safety, their family's safety, and the public's safety taken into account before any decision is made to release the convicted criminal. The amendment also maintains or clarifies victims' existing rights: to be informed about legal proceedings involving the accused or convicted criminal; to be present at public criminal proceedings; to be informed of any release, transfer, or escape of the accused or convicted criminal; to talk to prosecutors; to make statements about conviction, sentencing, or release of the accused person; to a speedy resolution of the case; to restitution from the convicted criminal; and to be informed of their rights. The amendment does not restrict the powers of prosecutors or courts and does not create a cause of action or claim for damages against the State of Tennessee.

Question:

Shall Article **I**, Section 35 of the Constitution of Tennessee be amended by deleting the section in its entirety and substituting the following:

Section 35. That to preserve and protect the rights of victims of crime to justice and due process throughout the criminal and juvenile justice systems, a victim, as defined by law and which may be expanded by the General Assembly, shall have the following rights, which shall be protected:

continues on the next column ⇨

(1) The right to be treated with fairness for the victim's safety and dignity;

(2) The right, upon request, to reasonable notice of all public criminal proceedings and all public juvenile delinquency proceedings involving the accused;

(3) The right to be present at all public criminal proceedings and all public juvenile delinquency proceedings involving the accused;

(4) The right upon request to be heard in any proceeding involving release, plea, sentencing, disposition, and parole, as well as any public proceeding when relevant during which a right of the victim is implicated;

(5) The right to be heard and informed of all parole procedures, to participate in the parole process, to provide information to the parole authority to be considered before the parole of the offender, and to be notified, upon request, of the parole or other release of the offender;

(6) The right to be free from harassment, intimidation, and abuse throughout the criminal justice system, including reasonable protection, as defined by the General Assembly, from the accused or any person acting on behalf of the accused;

(7) The right, upon request, to reasonable notice of any release, transfer, or escape of the accused or convicted person;

(8) The right to full and timely restitution from the offender;

(9) The right to a speedy trial or disposition and a prompt and final conclusion of the case after the conviction or sentence;

(10) The right to be informed of the minimum sentence the offender will serve in custody and the scheduled release date;

(11) The right to have the safety of the victim, the victim's family, and the general public considered before any parole or other post-judgment release decision is made;

(12) The right, upon request, to confer with the prosecution; and

(13) The right to be fully informed of all rights afforded to crime victims.

A victim may assert the rights enumerated in this section, not as a party, but in the manner further provided by the General Assembly protecting the victim's right to standing. The General Assembly has the authority to enact substantive and procedural laws to further define, implement, preserve, and protect the rights guaranteed to victims by this section. This section must be interpreted to preserve and protect the rights of all persons to due process. This section, or any law enacted under this section, does not create a basis for vacating a conviction. This section does not restrict the powers of the District Attorney General or the inherent authority of the court.

Other than as provided in the preceding paragraph, this section does not create a cause of action or claim for damages against the state or a political subdivision of the state; an officer, employee, or agent of the state or of any of its political subdivisions; or an officer or employee of the court.

TVA TENNESSEE VALLEY AUTHORITY

HOOD CONTAINER COPORATION APPLIES FOR NEW CLASS II LANDFILL

Hood Container Corporation has applied to the Tennessee Department of Environment and Conservation (TDEC), Division of Land Protection (DLP), Waste Management Branch (WMB), to allow them to construct and operate a new Class II landfill (IDL430000225) adjacent to the existing Hood Container Class II landfill (IDL430000034). The facility is located in Humphreys County near 2877 Scepter Road, Waverly, Tennessee (latitude 36.077 N/longitude 87.935 W). The waste materials to be accepted are waste materials generated on-site at the Hood Container Corporation plant, and/or certain wastes having similar characteristics and approved in writing by TDEC. Under State law, the applicant must obtain a permit before constructing or operating the proposed facility. The WMB has received a Part I Permit Application indicating Hood Container Corporation's desire to obtain the required major permit modification. A complete permit application consists of both a Part I and a Part II, as described in Regulations Governing Solid Waste Processing and Disposal Facilities in Tennessee, Rule 0400-11-01-.02(3)(c). When the facility submits the complete Part II application, the WMB will do an in-depth review to determine if the application meets the technical standards of the Regulations described in Tennessee Rule 0400-11-01-.04(9), Solid Waste Processing and Disposal. Once the technical review is completed, the WMB will make a tentative decision to either grant or to deny the permit and will issue a public notice. This second notice will provide the public at least 45 days to submit written comments on the proposed action. If there is a significant degree of public interest, WMB will schedule a public hearing and give at least 15 days' notice. (A public hearing may be announced in the second notice if WMB is already aware of significant public interest.) After considering all comments received, the DLP Director shall issue a final permit decision and a response to comments. For further information on this matter, contact the WMB at the TDEC Nashville Environmental Field Office, 711 R.S. Gass Blvd, TN 37216, (615) 687-7000, or Jordan Moore, 2877 Scepter Road, Waverly, 37185, (931) 535-4264. Individuals with disabilities who wish to participate in these proceedings should contact the DLP Human Resource (HR) liaison Rachel Meredith at (615) 532-0780 or Rachel.E.Meredith@tn.gov to discuss any auxiliary aids or services needed to facilitate such participation. Contact may be in person, by writing, telephone, or other means, and should be made no less than 10 working days to allow time to provide such aid or services. Contact the state's Americans with Disabilities Act (ADA) Coordinator (1-866-253-5827) for further information. Hearing-impaired callers may use the Tennessee Relay Service (1-800-848-0298). If it is hard for you to read, speak, or understand English, TDEC may be able to provide translation or interpretation services free of charge. Please contact (615) 532-0780 for more information. If you would like to receive notices like this directly, contact the Public Participation Officer in the DLP's Central Office for a Mailing List Request Form. Email Solid.Waste@tn.gov or call (615) 552-8002. NOTICE ISSUED: October 14, 2026

OBITUARIES

Sherry Marks

Sherry Marks was born February 8, 1959, in Lawrenceburg, Tennessee, the daughter of Barbara Hanback and the late Alfred Hanvey.

She was united in marriage to Robert Marks, and together they shared 52 wonderful years of love and companionship. Throughout their life together, they created countless cherished memories, enjoyed many adventures, and found their greatest joy in the special moments spent surrounded by family.

Sherry was a woman whose kindness, generosity, and selfless spirit touched the lives of everyone around her. She had a heart for others and found great joy in participating in missionary work, giving of herself freely and always looking for ways to help those in need. Her giving nature was simply a part of who she was.

She loved the beauty of creation, especially the peaceful shores of the beach and the majesty of the mountains. She was also deeply proud to be an American and held a genuine love for her country. Her patriotism was something she carried with great pride.

Sherry also had a tender heart for animals and formed a particularly special bond with her pet turtle, Fred, who was a beloved part of her life for more than 21 years. Those who knew Sherry will remember not only the things she did, but the warmth, compassion, and love she brought into the lives of others.

Sherry Marks departed this life on September 21, 2026, in Nashville, Tennessee, at the age of 67 years, 7 months, and 13 days.

She is survived by her mother, Barbara Hanback; her husband, Robert Marks of Iron City, Tennessee; three sons, Robert Marks, Jr. and wife Lauren Michelle of Collinwood, Tennessee, Derek Marks and wife Taryn of Collinwood, Tennessee, and Micheal Marks and Brandon of Franklin, Tennessee; four grandchildren, Poppy Rose Marks, Grayson Marks, Grissom Marks, and Greenleigh Marks; three sisters, Brenda, Donna, and Angie; two brothers, Gary and wife Rhonda, and Dennis and wife Sherry; and numerous nieces and nephews.

Sherry was preceded in death by her father, Alfred Hanvey; a grandchild, Dolly June Marks; a sister, Linda; and two brothers, Kenny and Kevin.

Sherry will be lovingly remembered for her generous heart, her compassion for others, her love of family, her service to others, and the many quiet ways she made the world around her a little kinder. She gave of herself without hesitation, loved deeply, and found beauty in the people, places, and simple things that meant the most to her. Her memory will live on in the hearts of her family and all who were blessed to know and love her.

"Everyone Is Welcome To Come See What God Is Doing"

Iva "Billie" (Martin) Wilson

Iva "Billie" (Martin) Wilson, 93, of Henderson, Kentucky, passed away on September 10, 2026, surrounded by her loving family.

Born to the late Harrison Martin and Barbara Allie Reaves, Iva was a devoted wife, mother, grandmother, great-grandmother, and friend. She was preceded in death by her beloved husband of 35 years, Iva was a faithful member of Henderson Church of Christ. She found great joy in singing, playing guitar, sewing, and preparing meals for those she loved - especially her well-known biscuits and cornbread. Above all, Iva treasured the time she spent with her family.

She is survived by her children, Brenda Atkison (Greg) of Henderson, Kentucky; Michael Wilson of Paducah, Kentucky; and Alan Wilson (Allison) of Henderson, Kentucky.

Iva is also survived by her grandchildren, John Atkison (Tiffany) of Henderson, Kentucky; Kyle Wilson of Fort Bragg, North Carolina; and Ethan Wilson of Bowling Green, Kentucky; as well as her granddaughter-in-law, Karen Midgett.

Her great-grandchildren include Laura Baker (Robert) of Murfreesboro, Tennessee; Stephen Midgett of Mount Juliet, Tennessee; Gracie Atkison of Henderson, Kentucky; Zachary Atkison of Henderson, Kentucky; and Lilly Atkison of Henderson, Kentucky.

In addition to her husband and parents, Iva was preceded in death by her siblings, Willard Martin, Virgil Martin, Ada Bell Greeson, Elzo Martin, Iveta Cummings, W.B. Martin, and Orville "Whitey" Martin; and her grandson, Andrew Midgett.

Iva will be remembered for her warm heart, her faith, her love of music and cooking, and the deep love she had for her family. Her legacy will continue through the many lives she touched.

Eileen Yvette Morgan

Eileen Yvette Morgan, 89, of Iron City, Tennessee, passed peacefully on September 30, 2026.

She was a one-of-a-kind Momma, Mawmaw, Auntie Honey and friend. Words cannot express how much she will be missed.

Born on March 12, 1937, she was the youngest daughter of John and Eva Phaneuf of West Warwick, Rhode Island. She met and fell in love with a Navy Sailor, Herman Edward Morgan, stationed at Quonset Point Rhode Island and supported his service as a Navy wife, raising a family across the U.S. and Caribbean before settling in Iron City, Tennessee.

To so many, she was known as "Ms. Eileen" and was a woman entrepreneur ahead of her time, running several small businesses around Wayne County for almost 30 years. Her keen fashion sense led to selling clothes from a little red van to the basement of her home and eventually led to the opening of Eileen's Fashions in Collinwood, Clifton, and Waynesboro. Through her businesses, she supported countless community causes and charities and built lasting friendships. Her energy was boundless and she poured that into her family. She was always looking for an adventure and loved to travel, especially with her beloved sister Claire. She never missed a chance to see her children and grandchildren, present for all their births. She was an avid reader, gardener, and a fantastic cook. She was a member of Oak Grove Missionary Baptist Church.

She was a force who leaves a legacy of love, a great sense of humor, and a family who loves her fiercely.

Eileen is survived by her son Bruce Morgan of Gallatin, Tennessee; her son John Allen Morgan (Nancy) of Cypress Inn; daughter Sherry Rich (Jasper) of Cypress Inn; daughter Kim Wirth (Brian) of Auburn, Alabama; and her beloved grandchildren, Chasity Auberger (Kevin), Haley Griggs (Justin), John Berry Morgan (Makenzie), Joseph Rich (Presley), Thomas Rich, Morgan Wirth, Hannah Wirth, and William Wirth; and great-grandchildren, Kylie, Braylen, and Jackson Auberger, Landon Locklear, Josey and Savannah Griggs, John Clice and Elsie Morgan.

She was preceded in death by her husband of 27 years, Herman Morgan; grandson, Chad Morgan; and beloved siblings, Muriel, Claire, and Norman.

Pallbearers: John Berry Morgan, Joseph Rich, Thomas Rich, Morgan Wirth, William Wirth, Kevin Auberger, and Justin Griggs. Honorary pallbearers are Jasper Rich and Brian Wirth.

Dennis Ray Daniel

Dennis Ray Daniel, age 68, of Collinwood, Tennessee, was born on July 17, 1958, in Lawrenceburg, Tennessee, the son of the late Harlan Ray Daniel and Corene Holt.

Dennis was united in marriage to Linda Thigpen Daniel, and together they shared 51 wonderful years of love, devotion, and companionship. Throughout their life together, they created countless cherished memories, enjoyed many adventures, and found their greatest joy in the special moments spent surrounded by family and friends.

Dennis was a man with a kind and compassionate heart who genuinely cared for those around him. He found great happiness in the simple things in life, especially spending time with the people he loved. His family held a special place in his heart, and he also had a deep love for his farm and the life he built there.

Dennis is survived by his loving wife of 51 years, Linda Thigpen Daniel of Collinwood, Tennessee; two sons, including Dennis Keith Daniel of Knoxville, Tennessee; Christopher Daniel of Collinwood Tennessee; two grandsons including Jayden Daniel of Collinwood, Tennessee; Hunter Caperton of Collinwood Tennessee; one precious great-great-granddaughter, Marlee May Daniel of Collinwood, Tennessee; one sister, Debra Holt; and many nieces, nephews, extended family members, and friends.

Dennis will be remembered for his kind heart, his compassion for others, and, above all, the tremendous love he had for his family. His memory will live on through the many lives he touched and the countless cherished moments shared with those who knew and loved him.

Pallbearers were Nathan Daniel, Brandon Holt, Greg Hollonder, Brian Thompson, Bobby Franks, and Travis Moore.

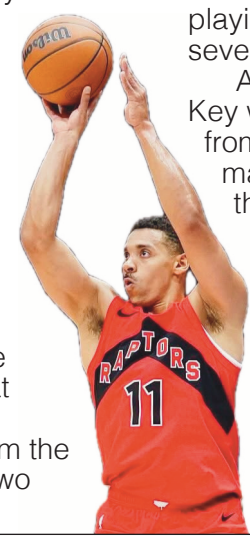
Key continues NBA preseason play

TORONTO-Clay County's Tyreke Key continued his preseason play in the NBA with the Toronto Raptors here Tuesday night when his team hosted the New York Knicks.

Following the home game, the Raptors were set to travel to New York's Madison Square Garden to face the same team on Thursday, before wrapping up their preseason on Friday with a contest at the home of the Detroit Pistons.

Prior to the Knicks coming north, Key had already appeared in two games with the Raptors.



He scored 15 points in his NBA preseason opener against the Miami Heat and was perfect from the field with two points on one shot against the LA Clippers over the weekend while playing just over seven minutes.

Against the Heat, Key went five for nine from the field and made four of seven three-point attempts en route to tying R.J. Barrett for the team lead in scoring for the game in just over 16 minutes of playing time off the bench.

MANAGEMENT SERVICES AGREEMENT

THIS MANAGEMENT SERVICES AGREEMENT (this "Agreement") is made and entered into effective as of _____ (the "Effective Date") by and between Dixie Home Health LLC, a Tennessee limited liability company (the "Professional Company"), and MNM Health Partners LLC, a Kentucky limited liability company ("Manager"), and together with the Professional Company, the "Parties", and each, a "Party").

RECITALS

WHEREAS, the Professional Company is engaged in the business of providing (i) infusion therapies, (ii) patient–specific, physician prescribed pharmaceuticals that are compounded; (iii) patient-specific, physician-prescribed biologicals, nutrients, and solutions for administration via infusion and enteral routes in the home and other outpatient settings; (iv) pharmacy consulting services and nursing services necessary for the provision of the therapies; and (v) products, supplies, and equipment necessary to the provision of the therapies (collectively, the "Pharmacy Operations") in the State of Tennessee;

WHEREAS, to enable the Professional Company to focus its time and efforts on providing the Pharmacy Operations, the Professional Company desires to engage the Manager to provide management, administrative and consulting services to the Professional Company, and will offer various systems that support the Professional Company in a manner that enables the provision of the Pharmacy Operations; and

WHEREAS, Manager is willing to provide such services to Professional Company on the terms and conditions provided in this Agreement.

NOW, THEREFORE, the Parties hereby agree as follows:

ARTICLE 1
ENGAGEMENT

Exclusive Appointment; General Authority. The Professional Company hereby engages Manager to provide management services as more particularly described in this Agreement on the terms and conditions set forth in this Agreement, and Manager hereby agrees to provide such management services on the terms and conditions set forth in this Agreement. The Professional Company hereby appoints Manager as the sole and exclusive manager of the Professional Company and the Professional Company agrees that during the Term it shall not engage any other person or entity to manage the Professional Company (or any aspect of the Professional Company governed by this Agreement) without Manager's prior written consent.

ARTICLE 2
DUTIES AND RESPONSIBILITIES OF MANAGER

2.1 Exclusive Appointment; General Authority. During the Term of this Agreement, subject to the provisions of Section 3.1 herein, Manager shall provide, in exchange for the management fee set forth on Schedule 2.1 hereto (the "Management Fee") , and the other payments set forth in Article 5 hereof, all services as are necessary and appropriate for the day-to-day non-core pharmacy administration, management, supervision and operation of the Professional Company in a manner consistent with good business practices, and that provides the Professional Company with the tools and support reasonably necessary to for the Professional Company to perform the Pharmacy Operations, including without limitation, those services set forth in this Article 2, including, as the Professional Company grows, providing such personnel as reasonably necessary to maintain quality of care commensurate with such growth. However, the Professional Company, and only the Professional Company, will perform all of the pharmacy functions associated with the provision of pharmacy services. The Manager will have no authority, directly or indirectly, to perform, and will not perform, any core pharmacy function. To the extent that any pharmacy providers assist the Professional Company in performing pharmacy functions, such pharmacy providers shall be subject to the professional direction and supervision of the Professional Company and, in the performance of such pharmacy functions, shall not be subject to any direction or control by, or create any liability on behalf of the Manager, except

as may be specifically authorized in writing by the Manager, which authorization, if any, shall conform to all applicable laws, rules, regulations and ethical requirements.

2.2 Space. To the extent that Manager directly leases any office space for the operation of the Professional Company, Manager shall arrange for the provision of such office space to Professional Company hereunder in exchange for a fair market value fee as set forth in Article 5 hereof.

2.3 Furniture, Furnishings and Equipment. Manager may lease, license, procure, purchase or otherwise arrange for the provision of certain furniture, furnishings and equipment in connection with the operation of the Pharmacy Operations, as deemed necessary, suitable and reasonable in Manager's discretion. Any such furniture, furnishings and equipment provided under this Agreement shall at all times remain the sole property of Manager.

2.4 Supplies. Manager may arrange for the purchase of all supplies reasonably necessary for the efficient conduct of the Pharmacy Operations to the extent such supplies are not separately provided by the Professional Company.

2.5 Licenses, Permits, Certificates, Credentialing. Manager shall coordinate all reasonable and necessary actions to assist Professional Company with obtaining and maintaining all licenses, permits and certificates required for the operation of the Professional Company. Manager shall assist, and to the extent permitted, manage the credentialing of the Professional Company and its pharmacy providers with respect to insurance payors with whom the Professional Company participates or intends to participate or for whom Professional Company provides services or intends to provide services.

2.6 Policies and Professional Company Guidelines. Subject to Section 3.1, Manager shall assist the Professional Company in developing, revising, and maintaining all necessary policies, compliance plans and operating procedures pertaining to the administrative and business management aspect of the Professional Company's operations; provided, however, the Professional Company shall retain full authority and responsibility for all policies and procedures pertaining strictly to core pharmacy matters ("Professional Company Guidelines").

2.7 Personnel. To the extent allowable under applicable law, Manager shall work with Professional Company to establish and implement guidelines for the recruitment, selection, hiring, firing, compensation, terms, conditions, obligations and privileges of employment or engagement of pharmacy providers. Manager will also assist Professional Company in recruiting new pharmacy providers (either directly or by engaging a third-party recruiter) and will carry out such administrative functions as may be necessary, reasonable and appropriate for such recruitment, including advertising and identifying potential candidates, assisting the Professional Company in examining and investigating the credentials of potential candidates, and arranging interviews with potential candidates. All pharmacy providers shall be employees or independent contractors of the Professional Company. All other individuals providing services on behalf of Professional Company shall be employed by or contracted directly with Manager, unless otherwise mutually agreed upon in writing by Manager and Professional Company.

2.8 Training. Manager shall train Professional Company personnel with respect to all aspects of the Pharmacy Operations (other than any core pharmacy function), including, but not limited to, administrative and financial matters.

2.9 Insurance. Manager may arrange for the purchase by Professional Company of necessary insurance coverage for the Professional Company and, if not separately obtained by the pharmacy providers, the pharmacy providers.

2.10 Accounting; Financial Services. Manager shall provide or arrange for the provision of all accounting and bookkeeping necessary in connection with the operation of the Professional Company and shall establish and administer accounting procedures and controls and systems for the development, preparation, and keeping of records and books of accounting related to the business and financial affairs of the Professional Company. Additionally, if Professional Company does not have sufficient cash to pay for its liabilities or financial obligations (including any portion of the Management Fee, operating expenses or other reimbursable expenses owed to Manager hereunder), then Manager may, in its sole discretion, loan to Professional Company, funds for the purpose of enabling

Professional Company to pay its liabilities and meet its financial obligations ("Advances"). Funded Advances shall be added to the amounts owed by Professional Company to Manager pursuant to a Deficit Funding Loan Agreement attached hereto as Exhibit A ("Deficit Funding Loan Agreement") and shall bear interest as set forth in the Deficit Funding Loan Agreement. Professional Company shall repay funded Advances in accordance with the terms of the Deficit Funding Loan Agreement.

2.11 Budgets. On an annual basis, Manager shall prepare for review by Professional Company all capital and operating budgets for the Professional Company. Such annual budget is subject to Manager's ultimate approval.

2.12 Maintenance of Equipment. Manager shall arrange for the provision of reasonable maintenance of the Professional Company's equipment, if any, in accordance with the Professional Company's supervision and reasonable maintenance schedule. Professional Company will use reasonable care in operating such equipment.

2.13 Expenditures. Manager shall manage all cash receipts and disbursements of Professional Company with respect to the Pharmacy Operations, including the payment on behalf of Professional Company of all taxes, assessments, licensing fees and other fees of any nature whatsoever in connection with the operation of the Pharmacy Operations as the same become due and payable, unless payment thereof is being contested in good faith by Professional Company.

2.14 Personnel and Office Space. Manager shall be responsible for providing all personnel and office space required by it in order to perform its obligations under this Agreement.

2.15 Contract Negotiations. Manager shall advise Professional Company with respect to, and may, as appropriate and permitted by applicable law, negotiate in the name of and at the expense of Professional Company, such contractual arrangements with third parties as are reasonably necessary and appropriate for Professional Company's provision of pharmacy services, including without limitation agreements with third-party payors, alternative delivery systems, or other purchasers of pharmacy services.

2.16 Billing and Collection. Subject to the other provisions of this Section 2.16, on behalf of and for the account of Professional Company, Manager shall establish and maintain credit and billing and collection policies and procedures, and shall bill and exercise reasonable efforts to collect, or arrange for a third-party billing and collection services company to bill and collect, in a timely manner all professional and other fees for all billable pharmacy services. In connection with the billing and collection services to be provided hereunder, Professional Company hereby appoints Manager (or its designee) as Professional Company's exclusive true and lawful agent, and Manager hereby accepts such appointment, to, among other things:

(a) Bill (or arrange for the billing), in Professional Company's name and on Professional Company's behalf, all claims for reimbursement or indemnification from patients, insurance companies and plans, all state or federally funded benefit plans, and all other third-party payors or fiscal intermediaries/carriers for all covered billable pharmacy services provided by or on behalf of the Professional Company;

(b) Collect and receive (or arrange for the collection and receipt), in Professional Company's name and on Professional Company's behalf, all accounts receivable generated by the Professional Company's billings and claims for reimbursement to include all outstanding accounts receivable for services provided prior to and after the Effective Date, to take possession of, endorse in the name of Professional Company, and deposit into Professional Company's account(s) any notes, checks, money orders, insurance payments, and any other instruments received in payment or as consideration for all accounts receivable for pharmacy services provided by the Professional Company, to administer such accounts including, but not limited to, extending the time or payment of any such accounts for cash, credit or otherwise; discharging or releasing the obligors of any such accounts; suing, assigning or selling at a discount such accounts to collection agencies; or taking other measures to require the payment of any such accounts;

(c) Transfer from the Professional Company's accounts, to one or more accounts designated or used by the Manager, any and all amounts for the payment of any costs, expenses and/or fees of the Professional

Company, all outstanding Management Fees, expense reimbursements and other amounts due to Manager under this Agreement or under any Deficit Funding Loan Agreement; and

(d) Execute and deliver any and all negotiable instruments on the Professional Company's behalf and to make withdrawals from the Manager's accounts to pay the costs, expenses and/or fees of the Professional Company, including outstanding Management Fees, expense reimbursements and other amounts due to Manager under this Agreement or any Deficit Funding Loan Agreement or as otherwise requested by Professional Company.

Upon request of Manager, Professional Company shall execute and deliver to the financial institution at which Professional Company's accounts are maintained such additional documents or instruments as Manager may reasonably request to demonstrate its authority.

2.17 Deposit of Governmental Payor Funds. Professional Company and/or Manager shall deposit into one or more FDIC-insured bank accounts all governmental payor collections collected by Professional Company or by Manager on Professional Company's behalf pursuant to Section 2.15 with respect to services provided by the Professional Company, which shall include all collections in respect of outstanding accounts receivable for services provided prior to and after the Effective Date. To the extent that Professional Company, or any of its employees or agents receives funds for services paid for or reimbursed by governmental payors, such funds shall be deposited into Professional Company's account.

2.18 Litigation Management. Manager shall (a) manage and direct (subject to any malpractice insurance policies or requirements) the general defense of all claims, actions, proceedings or investigations against Professional Company or any of its owners, officers, directors, employees or agents in their capacity as owners, officers, directors, employees or agents of the Professional Company and arising out of or related to the operation of the Professional Company, and (b) manage and direct the initiation and prosecution of all claims, actions, proceedings or investigations brought by Professional Company against any person other than Manager with respect to the operation of the Professional Company.

2.19 Community Relations Programs. Manager shall develop all marketing, community relations and outreach programs to be implemented by Professional Company to effectively notify the community of the services offered by the Professional Company. Manager shall advise and assist Professional Company in implementing such community relations programs, including, but not limited to, analyzing the effectiveness of such programs, preparing materials, negotiating related contracts on Professional Company's behalf, and obtaining services necessary to produce and present such programs. Manager and Professional Company agree that all such programs shall be conducted in compliance with all applicable standards of pharmacy ethics, laws and regulations.

ARTICLE 3
RELATIONSHIP OF THE PARTIES

3.1 Sole Authority to Professional Company. Manager shall not be required to engage in, Professional Company shall not request Manager to engage in, any activity that would constitute the practice of any core pharmacy function. Manager shall not direct, control, attempt to control, influence, restrict or interfere with Professional Company's or any of the pharmacy providers' exercise of independent professional judgment in performing any core pharmacy function. All responsibilities and authorizations delegated to Manager pursuant to this Agreement are delegated only to the extent permitted by applicable law.

3.2 Relationship of the Parties. Nothing contained herein shall be construed as creating a partnership, trusteeship, fiduciary relationship, joint venture, or employment relationship between Manager and Professional Company. In performing all services required hereunder, Manager shall be an agent of Professional Company.

3.3 Third-Party Service Providers. Manager may provide and/or delegate the items and services to be provided by it hereunder directly or through third-party subcontractors or service providers selected by Manager. Professional Company acknowledges that one or more of the third-party subcontractors or service providers selected by Manager may be an affiliate of Manager. Any third-party provider of services shall be a subcontractor to Manager,

and may be changed from time to time by Manager in its sole discretion. Except as may otherwise be agreed in writing between Manager and Professional Company, Professional Company shall not enter into any agreement or understanding related to services to be provided hereunder with any subcontractor to Manager.

ARTICLE 4
RESPONSIBILITIES OF PROFESSIONAL COMPANY

Professional Company shall provide and perform the following during the Term:

4.1 Professional Company Providers. Subject to Section 3.1 and Article 2 of this Agreement, the Professional Company shall have the authority, subject to Manager's consent and approval, to engage (whether as employees or as independent contractors), promote, suspend and terminate the services of all pharmacy providers. Professional Company shall employ or contract with all pharmacy providers who provide professional or pharmacy services on behalf of Professional Company upon terms and on a form mutually satisfactory to Professional Company and Manager. Professional Company shall control all aspects of the Professional Company's conduct of core-pharmacy services, including training and supervision of the pharmacy providers. Professional Company shall, in consultation with Manager and in accordance with any employment agreement for such pharmacy providers, establish work schedules for all pharmacy providers, subject to staffing requirements at the Professional Company. Notwithstanding the foregoing, Professional Company and Manager shall work together to determine the amount of compensation payable to the pharmacy providers, subject to Manager's final approval. Professional Company shall ensure that all pharmacy providers employed or contracted by Professional Company to work for the Professional Company are appropriately supervised with respect to the provision of services to patients in accordance with all applicable laws. Specifically, Professional Company shall have full responsibility for and shall supervise all pharmacy providers employed or engaged by Professional Company to provide core pharmacy services as required by applicable law. In addition, each pharmacy provider employed or engaged by Professional Company shall:

4.1.1 Maintain an unrestricted license to practice such pharmacy provider's profession as required under the laws of the State in which such pharmacy provider is providing services, maintain all required narcotics and controlled substances numbers and licenses, including without limitation, a DEA registration or permit, and maintain good standing with the applicable professional boards;

4.1.2 Perform services and otherwise operate in accordance with all laws, ethical requirements, and with prevailing and applicable standards of care;

4.1.3 Maintain his or her skills through continuing education and training;

4.1.4 Maintain eligibility for professional liability insurance for his or her specialty;

4.1.5 In the case of pharmacy providers, practice under appropriately licensed supervision, control and responsibility to the extent required by applicable law. Each such collaboration plan or supervision arrangement, if applicable, must be reviewed and approved by Professional Company, before such pharmacy provider shall be permitted to practice on behalf of Professional Company. In addition, Professional Company must approve the collaborating or supervising pharmacy provider based upon standards established by Professional Company with Manager's assistance from time to time;

4.1.6 Not use any drugs or other substances in a manner prohibited by law;

4.1.7 Not be (and shall not become) suspended, debarred or excluded from any federal or state healthcare program (e.g., Medicare, Medicaid or TRICARE); and

4.1.8 Subject to Section 3.1, adhere to the Professional Company Guidelines, except to the extent that authority is given to deviate from the Professional Company Guidelines in each particular instance by a pharmacy provider.

In the event any pharmacy provider causes a violation of the requirements of this Section 4.1, it shall not be deemed a breach of this Agreement by Professional Company to the extent (i) Professional Company terminates such pharmacy provider or (ii) Professional Company and Manager, in their reasonable discretion, mutually agree on a plan of correction or improvement for such pharmacy provider.

4.2 Collections Account Transfer. Professional Company shall direct in writing the bank at which Professional Company's account, as described in Section 2.16, is maintained to transfer electronically all amounts in Professional Company's account at the end of each business day of Professional Company to a bank account over which Manager shall have exclusive dominion and control, access to, and check writing authority on, that is opened and maintained at a bank selected by Manager. Professional Company agrees that it will not take any actions that interfere with the transfer of funds from Professional Company's account to Manager's account as provided in this Section nor will Professional Company or its agents remove, withdraw or authorize the removal or withdrawal of any funds from Professional Company's account for any purpose except to accomplish the transfer of funds provided in this Section. The Secretary and Treasurer of the Professional Company shall be the signatories on all bank accounts of the Professional Company.

4.4 Billing Information. Professional Company shall require its pharmacy providers to timely submit to Manager (or any third-party billing and collection agency arranged by Manager) such information necessary for billing for services provided. Such information shall be submitted in a format satisfactory to Manager, in Manager's sole discretion.

4.5 Transfer of Assets. Upon the request of and at the direction of Manager, Professional Company shall transfer (a) the pharmacy records of Professional Company, (b) all amounts collected by Professional Company in respect of accounts receivable for services rendered from the date of this Agreement through and including the date of transfer, (c) such other contracts and assets of Professional Company as may be designated by Manager, and (d) such liabilities of Professional Company as may be designated by Manager to another entity as designated by Manager (the "Designee"). Without limiting the foregoing, Professional Company shall assign to the Designee, and the Designee shall assume, all rights and obligations of Professional Company under this Agreement and any Deficit Funding Loan Agreement. In connection therewith, Professional Company and each direct and indirect owner of Professional Company shall execute and deliver to the Designee such bills of sale, assignments and other documents and instruments of conveyance and transfer as may be designated by Manager or the Designee.

ARTICLE 5
FINANCIAL ARRANGEMENTS

5.1 Application of Payments. The Parties agree that Manager shall apply Professional Company's monthly revenues from the provision of core pharmacy services for the following purposes, in the order set out below:

5.1.1 Patient/Payor Refunds. The Professional Company revenues shall first be applied to pay any refunds or rebates owed to patients or payors.

5.1.2 Costs and Expenses of Pharmacy Providers. Professional Company revenues shall next be applied to pay all costs and expenses, including the salary, bonus and benefit expenses (including malpractice insurance deductibles and other expenses) and other compensation, of all pharmacy providers.

5.1.3 Costs and Expenses of Non-Pharmacy Providers and other Professional Company Expenses. Professional Company revenues shall next be applied to (i) cover costs and expenses, including salary, bonus, benefit expenses, and other compensation, of all non-pharmacy personnel that provide services directly to the Professional Company (e.g. compensation for front-office personnel at Professional Company, and compensation for billing, accounting and other staff engaged to provide services for Professional Company) and (ii) other expenses directly incurred by Professional Company.

5.1.4 Manager Expenses. Professional Company revenues shall next be applied to reimburse Manager for all Reimbursable Expenses, as defined below. For purposes of this Agreement, "Reimbursable Expenses" means: (i) all out-of-pocket expenses incurred by the Manager for any items or services acquired

or provided by Manager to or on behalf of the Professional Company, including, but not limited to, software, insurance, rental, maintenance, repair, replacement, tax and insurance costs related to the space, equipment and facilities, utilities, compensation and benefits and payroll taxes and administration costs for the Manager's employees and payroll administration costs for the Professional Company's employees, supplies, billing and collection, laboratory fees, fees of consultants and professionals, and (ii) all other expenses incurred by Manager in performing its obligations under this Agreement, including but not limited to reasonable travel expenses incurred by the Manager. To the extent that any Reimbursable Expenses relate to items or services acquired or utilized by the Manager for the benefit of Professional Company ("Shared Expenses"), such Shared Expenses shall be appropriately allocated.

5.1.5 Management Fee. Professional Company revenues shall next be applied to pay the Management Fee The Management Fee shall be subject to review and adjustment by the Parties on an annual basis, and at such other times as Manager may deem necessary in connection with the Professional Company expanding by adding additional licensed professionals, which the Parties agree will result in additional obligations expenses, and responsibilities for Manager. The Parties agree that the Management Fee is fair and equitable, commercially reasonable and consistent with fair market value in exchange for the management services provided hereunder (taking into consideration the time, effort, resources and risks incurred by Manager to provide the management services).

5.1.6 Advances. Professional Company revenues shall next be applied to repay to Manager any Advances pursuant to the terms of the Deficit Funding Loan Agreement.

5.1.7 Additional Compensation. On an annual basis as a component of the Management Fee, the Professional Company may determine whether a bonus should be paid to the Manager, if any, based upon the quality, efficiency and satisfaction of the services outlined in Article 2 of the Agreement rendered by the Manager for and on behalf of the Professional Company during the preceding calendar year.

5.2 Professional Company Budget. Manager shall prepare, in consultation with Professional Company, an annual budget for Professional Company, showing expected revenues and expenses of the Professional Company, and may revise such budgets as Manager deems appropriate from time to time.

5.3 Assignment to Manager. To the extent permitted by applicable law, Professional Company hereby assigns to Manager all of Professional Company's rights and interests in all revenues of Professional Company necessary to pay the obligations set forth in this Article 5, such that all revenues of Professional Company shall be paid to and collected by Manager during the Term of this Agreement; provided, however, that no assignment shall be made of any such rights or interests, the assignment of which is expressly prohibited by applicable law. Professional Company hereby issues a standing instruction, which it shall promptly confirm upon request from time to time, that all payments (excluding, however, federal or state healthcare program payments) due to Professional Company shall be remitted directly to Manager as its agent and attorney-in-fact hereunder.

5.4 Security Agreement. To the extent permitted by applicable law, Professional Company hereby grants to Manager a security interest in all of the following properties, assets and rights of Professional Company, whether now owned or hereafter acquired or arising, and wherever located, including, but not limited to: accounts; chattel paper; deposit accounts; documents; equipment; fixtures; general intangibles; goods not otherwise described herein with greater particularity; instruments; inventory; investment property; money; letter-of-credit rights; and all of the proceeds and products, whether tangible or intangible, of any of the foregoing, including proceeds of insurance or commercial tort claims covering any of the foregoing and to the extent not included in the foregoing, all other personal property of the Professional Company of any kind or description ("Collateral"); provided, however, that such security agreement or security interest grant shall not relate to any such Collateral that would expressly be prohibited by applicable law. Professional Company shall execute promptly all documents and instruments necessary to evidence and perfect the foregoing security interest, including but not limited to applicable Form UCC-1 financing statements. Professional Company will not change its name, its jurisdiction of organization, its principal place of business or its organization identification number without first obtaining the written consent of Manager.

ARTICLE 6
TERM AND TERMINATION

6.1 Term. The initial term of this Agreement shall be for one (1) year from the Effective Date (the "Initial Term"), and shall thereafter automatically renew for successive one (1) year terms after the Initial Term (each renewal term, each a "Renewal Term", and the Renewal Term together with the Initial Term, the "Term"), unless otherwise earlier terminated as provided herein.

6.2 Termination Without Cause. Either Party may terminate this Agreement without cause upon no less than ninety (90) days' advance written notice to the other Party. This Agreement may also be terminated by mutual written agreement of the Parties.

6.3 Termination With Cause. Either Party may immediately terminate this Agreement upon written notice to the other Party in the event of an actual or threatened breach or violation of the terms of this Agreement by the other Party, provided, however, that the breaching Party shall have up to ten (10) calendar days to cure any such breach or violation (following delivery of written notice thereof by the non-breaching Party), but only to the extent such breach or violation is capable of being cured to the reasonable satisfaction of the non-breaching Party.

6.4 Effect of Termination. Upon expiration or termination of this Agreement by either Party, Manager shall be entitled to any accrued but unpaid amounts due to Manager including, without limitation, any Management Fees earned prior to expiration or termination of this Agreement through the end of the Term, and all outstanding Advances due to Manager hereunder; provided, that the Professional Company shall no longer have any right to any of the office space leased by Manager and provided to Professional Company (if any), equipment, supplies, inventory, other assets or personnel, systems, infrastructure or resources provided by Manager hereunder, and all licenses granted to Professional Company to use any aspect of the Manager's Intellectual Property (as defined herein) under this Agreement shall immediately terminate and Professional Company shall no longer have the right to use or otherwise benefit from the Marks or other Intellectual Property, in any form or fashion or any similar name, trademark or logo. of a termination pursuant to Section 6.3. Notwithstanding the foregoing, all obligations, promises, or covenants of the respective Parties set forth herein that are expressly made to survive beyond the Term, shall survive the expiration or termination of this Agreement in accordance with such terms and conditions.

ARTICLE 7
RECORDS AND RECORD KEEPING

7.1 Access to Information. Professional Company hereby authorizes and grants to Manager access to all information, instruments and documents relating to Professional Company which may be requested by Manager to perform its obligations hereunder, and shall disclose and make available to representatives of Manager for review and photocopying all such books, agreements, papers, records and information.

7.2 Pharmacy Records.

7.2.1 The management services herein shall include Manager's retention and maintenance of Professional Company's pharmacy records on behalf of Professional Company, in full accordance with all applicable laws and regulations regarding confidentiality and retention.

7.2.2 Professional Company shall at all times during the Term, and at all times thereafter, make available to Manager for inspection by its authorized any of Professional Company's records necessary for Manager to perform its services and carry out its responsibilities hereunder or necessary for the defense of any legal or administrative action or claim relating to said records.

7.3 Confidentiality of Records. Manager and Professional Company will adopt procedures to assure the confidentiality of the records relating to the operations of Manager and Professional Company, including, but not limited to, all statistical, financial and personnel data related to the operations of Manager and Professional Company, which information is not otherwise available to third parties publicly or by law.

7.4 Maintenance, Retention and Storage of Records. Manager agrees to maintain, retain and store on behalf of Professional Company, in such form and manner as required by applicable law, all records relating to the Professional Company and in its possession, including, but not limited to, clinical pharmacy records, at its sole cost and expense, for the period required by applicable law. Thereafter, Manager may dispose of such clinical pharmacy records at the sole cost and expense of Professional Company, to the extent permitted by applicable law and in accordance with a pharmacy record disposal policy approved by Professional Company.

7.5 Protected Health Information. Manager, as a business associate of Professional Company, agrees to comply with all applicable federal, state and local privacy and security laws, including without limitation the Health Insurance Portability and Accountability Act of 1996 ("HIPAA"), the Health Information Technology for Economic and Clinical Health Act ("HITECH"), and all implementing regulations issued pursuant thereto, as may be amended from time to time (45 CFR Parts 160-164). Manager agrees to comply with the HIPAA Business Associate Addendum attached hereto as Exhibit B and incorporated herein by reference.

ARTICLE 8
INTELLECTUAL PROPERTY AND OTHER PROPRIETARY INFORMATION

8.1 Trademark License. Subject to the terms and conditions of this Agreement, Manager hereby grants to Professional Company a personal, non-transferable and nonexclusive limited right and license to use the trade names, trademarks, service marks, design marks, logos and other identifying marks of the Manager (collectively, the "Marks") solely in connection with the operation of Professional Company during the Term as contemplated under this Agreement. Except for the limited license rights expressly set forth herein, the Manager is, shall be and shall at all times remain the sole owner and holder of all right, title and interest to the Marks. Professional Company acknowledges Manager's ownership of the Marks and agrees that it will do nothing inconsistent with Manager's ownership of the Marks. Professional Company will not register or seek to register any trademark or service mark which includes the Marks, alone or in composite form with other words or designs, and Professional Company will not register or seek to register any trademarks or service marks that are similar to the Marks. All use of the Marks by Professional Company and all goodwill associated therewith shall inure to the benefit of Manager. Immediately upon the expiration or termination of this Agreement for any reason, Professional Company shall cease all uses of the Marks and any similar name, trademark or logo. Without limiting the generality of the foregoing, Professional Company shall not assert or claim that the Marks are descriptive or generic or otherwise attack the validity, title or rights of Manager in or to the Marks or any Intellectual Property. Professional Company shall not sublicense the Marks or Professional Company's rights under this Agreement. Professional Company agrees to cooperate fully and in good faith with Manager for the purpose of securing and preserving Manager's rights in and to the Marks. Nothing contained in this Agreement shall restrict or restrain Manager in any fashion whatsoever from the right to use or register the Marks or to license the nonexclusive right to use the Marks to third parties.

8.2 Use of Trademarks. Professional Company agrees that, in order to preserve the prestige, high reputation and goodwill associated with the Marks, the usages by Professional Company of the Marks and the materials and services in connection with which such usages shall meet the same standards of quality as Manager has in effect with respect to such Marks, materials, services and usages and otherwise comply with generally accepted industry standards, subject to periodic modification and review by Manager. Professional Company shall comply with Manager's Trademark Use Guidelines (as then currently in existence and as such may be updated by Manager from time to time), and shall mark the Marks with the symbols ® or ™ as appropriate or as directed by Manager. Without limiting the generality of the foregoing, Professional Company shall not knowingly (i) use or allow others to use the Marks in any way which would tend to allow them to become generic, lose distinctiveness, become liable to mislead the public, or be detrimental to or inconsistent with the good name, goodwill, reputation and image of Manager; or (ii) use or cause or authorize to be used the Marks in a manner that is likely to cause confusion with any other products, services or business of Manager or any third-party. Professional Company shall stop using, or modify the use of, any Mark(s) upon receipt of notice from Manager notifying Professional Company that such Mark(s) are reasonably likely to infringe the intellectual property rights of a third-party. Manager will permit Professional Company to recommence use of the Marks as soon as reasonably practicable in the event Manager obtains the right for continued use of the Marks by Professional Company.

8.3 Proprietary Property. Manager is and shall be the exclusive owner and holder of all right, title and interest to the proprietary property of Manager, including without limitation, all copyrights, Marks, trade secrets,

Manager's Confidential Business Information (as defined below), management information systems, forms, form contracts and policy manuals (collectively the "Intellectual Property"). Professional Company agrees that it shall not at any time knowingly harm, misuse or bring into disrepute the proprietary property of Manager. Professional Company shall promptly notify Manager in writing in the event it becomes aware of any third-party infringing, diluting, misusing, violating or otherwise derogating any of the Marks or the Intellectual Property. Professional Company shall stop using, or modify the use of, any Intellectual Property upon receipt of notice from Manager notifying Professional Company that such use is reasonably likely to infringe the intellectual property rights of a third-party. Manager will permit Professional Company to recommence use of the Intellectual Property as soon as reasonably practicable in the event Manager obtains the right for continued use of the Intellectual Property by Professional Company.

8.4 Use of Software and Hardware. Professional Company shall use all software and hardware provided by Manager pursuant to this Agreement only for the purpose of the Pharmacy Operations and solely in accordance with and subject to all of the terms and conditions of any license or sublicense agreements, leases or any other agreements that such software and hardware are subject to, and shall not allow or permit any person to use the software or hardware or any portion thereof in violation of this Agreement or any such license, sublicense, agreements, lease or any other agreements.

8.5 Manager Confidential Business Information. Professional Company acknowledges that during the course of its relationship with Manager hereunder, Professional Company may be given access to or may become acquainted with Manager's Confidential Business Information (as defined below). In recognition of the foregoing and in addition to any other requirements of confidentiality under applicable law, Professional Company hereby agrees to hold all Manager's Confidential Business Information in strict confidence during the Term of this Agreement and for an additional five (5) years thereafter, by using the same degree of care, but in no event less than a reasonable standard of care, as Professional Company uses with respect to its information of like importance, and shall use such Manager's Confidential Business Information solely in its performance under the terms of this Agreement. Except for Permitted Disclosures, Professional Company will not disclose such Manager's Confidential Business Information to any person other than the Professional Company's officers, directors, owners, employees, agents and representatives to whom such disclosure is required for the purposes of this Agreement. For purposes of this Section 8.5, "Permitted Disclosures" shall mean disclosure (a) to which Manager has consented in writing, (b) required by law, rule, or regulation as determined by counsel to Professional Company and Manager, and (c) pursuant to a valid subpoena or applicable order in a judicial, administrative or governmental proceeding; provided, however, Professional Company shall give Manager prior notice before making any such required disclosure pursuant to this clause (c), and in making such disclosure, Professional Company shall only disclose such information as is legally required to be disclosed. For purposes of this Agreement, " Manager's Confidential Business Information" shall mean any and all information, know-how and data, technical or non-technical, whether written, oral, electronic, digital, graphic or otherwise of Manager or any of its affiliates that is reasonably considered or treated as confidential and proprietary, and shall include, but not be limited to:

(a) business methods;

(b) facilities and locations including the Professional Company's locations;

(c) billing policies, procedures, processes and records;

(d) tax returns and records;

(e) any records, memoranda and correspondences dealing with the business of Manager or any of its affiliates;

(f) financial, pricing and operational information, including all insurance records;

(g) internal memoranda, emails or correspondence;

(h) form agreements, checklists or pleadings;

(i) contracts or agreements executed by or on behalf of Manager or any of its affiliates with any person or entity, including, but not limited to, hospitals, clinics, payors, health plans and similar groups;

(j) information regarding advantageous business relationships with hospitals, other facilities, clinics, payors, health plans and similar groups;

(k) suppliers, marketing, and other information and know-how, all relating to or useful in Manager's or any of its affiliates' businesses and which have not been disclosed to the general public;

(l) this Agreement and any agreements contemplated hereby;

(m) operational and business systems, policies and procedures;

(n) software and processes;

(o) systems design;

(p) data analytics and algorithms;

(q) business strategies;

(r) business opportunities;

(s) customer lists and information, excluding patient lists, which shall remain the property of the Professional Company;

(t) research and technical information;

(u) outcomes and related data; and

(v) intellectual property, know-how and trade secrets.

8.6 Trade Secrets; Exclusive Property of Manager; Return of Documents; Survivability. Professional Company agrees and acknowledges that the Manager's Confidential Business Information, as such may exist from time to time, constitutes valuable, confidential, special and unique assets of Manager. Any trade secrets included in the Manager's Confidential Business Information will also be entitled to all of the protections and benefits under applicable trade secret law. Nothing in this Agreement is intended to or shall be interpreted as diminishing or otherwise limiting Manager's rights under applicable law to protect its trade secrets and Manager's Confidential Business Information. The Parties agree that the documents relating to the business of Manager or any of its affiliates, including all of Manager's Confidential Business Information, are the exclusive property of Manager (or such applicable affiliate). Professional Company shall return all such documents (including any copies thereof) to Manager immediately upon the termination of this Agreement. Professional Company understands and agrees that its obligations and duties under this Article 8 shall survive expiration or termination of this Agreement for any reason.

8.7 Trade Names and Logos. Professional Company hereby grants to Manager and its affiliates, for the term of this Agreement, a perpetual and exclusive right and license to use any trade names and logos, including the name "Vital Care of Northfield" and any variations thereto, which have not already been acquired by Manager prior to the date hereof, for the management services provided under this Agreement.

8.8 Non-Interference; Non-Solicit. At all times during the term hereof and following the termination of this Agreement, Professional Company shall not, directly or indirectly, interfere with, disrupt or attempt to disrupt the relationships, contractual or otherwise, between Manager, any of its affiliates and any health care provider, or supplier, facility or any employee, independent contractor, consultant or agent of Manager. Professional Company further agrees not to directly or indirectly solicit, recruit or encourage, or induce any individual or entity to solicit, recruit or encourage, any person who is an employee or independent contractor of Manager to become an employee or independent contractor of Professional Company, or any other group or of any other person or entity, during the term of this Agreement and for two (2) years following termination hereof.

8.9 Remedies. Professional Company agrees that a breach of this Article 8 by Professional Company and/or its officers, directors, owners, employees, agents or representatives would cause irreparable damage and harm that could not be compensated for by monetary damages. Accordingly, in the event of the breach or imminently threatened breach of this Article 8, Manager, in addition to and not in limitation of its right to receive monetary damages or pursue other rights and remedies available under this Agreement or at law or in equity, shall be entitled to

injunctive relief from a court of competent jurisdiction, without requirement of posting of bond or other surety or showing actual damages.

ARTICLE 9
GENERAL

9.1 Entire Agreement; Amendment. This Agreement represents the entire understanding of the Parties and supersedes and replaces all prior understandings and agreements between the Parties. No other prior statements, promises, or inducements made by either Party, or agent of either Party, which are not contained in this Agreement. Except as otherwise set forth herein, this Agreement may not be modified or altered, except in writing signed by both Parties. Oral changes shall have no effect. If any provision of this Agreement shall be deemed to be contrary to law, then such provision shall be reconstructed to the extent required by applicable law while maintaining to the extent possible the economic relationship of the Parties, and if such reconstruction is not permissible, then such provision shall be considered separable from the remainder of this Agreement and will not affect the validity, interpretation or effect of the remainder of this Agreement. To the extent a court severs as unenforceable any portion of this Agreement, the Parties will negotiate in good faith to adopt a modified version of the severed provision that is enforceable to the maximum extent giving effect to the intent of the Parties in the severed provision. Section headings are for convenience only and shall not be considered a part of the terms and provisions of the Agreement.

9.2 Relationship of the Parties. The relationship of the Parties is and shall be that of independent contractors, and nothing in this Agreement is intended as, and nothing shall be construed to create, an employer/employee relationship, partnership, or joint venture relationship between the Parties, or to allow either to exercise control or direction over the manner or method by which the other performs the services that are the subject matter of this Agreement; provided, however, that the services to be provided hereunder shall always be furnished in a manner consistent with the standards governing such services and the provisions of this Agreement.

9.3 Notices. All notices, requests, demands, claims and other communications required or permitted to be delivered, given or otherwise provided under this Agreement are to be in writing and are to be delivered, given or otherwise provided: (a) by hand (in which case, it will be effective upon delivery); (b) by electronic mail during regular business hours (in which case, it will be effective when sent); or by electronic mail after regular business hours (in which case, it will be effective on the following business day); or (c) by overnight delivery by a nationally recognized courier service (in which case, it will be effective on the business day after being deposited with such courier service), in each case, to the address listed below:

Either Party may specify a different address, email or facsimile number by giving notice in accordance with this Section to each of the other parties.

9.4 Counterparts. This Agreement may be executed in one or more counterparts, any one of which need not contain the signatures of more than one Party, but all such counterparts taken together will constitute one and the same instrument. Counterparts may be delivered via facsimile, electronic mail (including .pdf or any electronic signature complying with the U.S. federal ESIGN Act of 2000, e.g., www.docusign.com) or other transmission method and any counterpart so delivered shall be deemed to have been duly and validly delivered and be valid and effective for all purposes.

9.5 Jurisdiction and Venue: Attorneys' Fees. This Agreement shall be construed and regulated under and by the laws of Delaware regardless of its choice of law provisions. Venue, in the event of any legal proceedings, shall be with the appropriate courts located in Wilmington, Delaware. TO THE EXTENT NOT PROHIBITED BY APPLICABLE LEGAL REQUIREMENTS THAT CANNOT BE WAIVED, THE PARTIES HEREBY WAIVE, AND COVENANT THAT THEY WILL NOT ASSERT (WHETHER AS PLAINTIFF, DEFENDANT OR

OTHERWISE), ANY RIGHT TO TRIAL BY JURY IN ANY ACTION ARISING IN WHOLE OR IN PART UNDER OR IN CONNECTION WITH THIS AGREEMENT OR THE NEGOTIATION, TERMS OR PERFORMANCE HEREOF, WHETHER NOW EXISTING OR HEREAFTER ARISING, AND WHETHER SOUNDING IN CONTRACT, TORT OR OTHERWISE. THE PARTIES AGREE THAT EITHER OF THEM IS PERMITTED TO FILE A COPY OF THIS SECTION WITH ANY COURT AS WRITTEN EVIDENCE OF THE KNOWING, VOLUNTARY AND BARGAINED-FOR AGREEMENT BETWEEN THE PARTIES. THE PARTIES FURTHER AGREE TO IRREVOCABLY WAIVE THEIR RIGHT TO A TRIAL BY JURY IN ANY ACTION AND ANY SUCH ACTION IS INSTEAD TO BE TRIED IN A COURT OF COMPETENT JURISDICTION BY A JUDGE SITTING WITHOUT A JURY.

9.6 Assignment. This Agreement shall not be assignable by either Party without the express written consent of the other Party; provided, that Manager may assign this Agreement and its rights and obligations hereunder to any affiliate of Manager or to any party purchasing or otherwise succeeding to all or substantially all of the business or assets of Manager, whether by sale of stock, sale of assets, merger, consolidation, joint venture, management contract or otherwise, and as collateral to any lenders of Manager, each at Manager's sole and exclusive discretion.

9.7 Waiver. Waiver of any agreement or obligation set forth in this Agreement by either Party shall not prevent that Party from later insisting upon full performance of such agreement or obligation and no course of dealing, partial exercise or any delay or failure on the part of either Party in exercising any right, power, privilege, or remedy under this Agreement or any related agreement or instrument shall impair or restrict any such right, power, privilege or remedy or be construed as a waiver therefore. No waiver shall be valid against either Party unless made in writing and signed by the Party against whom enforcement of such waiver is sought.

9.8 Binding Effect. Subject to the provisions set forth in this Agreement, this Agreement shall be binding upon and inure to the benefit of the Parties and upon their respective successors and assigns.

9.9 Severability. If any one or more of the provisions of this Agreement is adjudged to any extent invalid, unenforceable, or contrary to law by a court of competent jurisdiction, each and all of the remaining provisions of this Agreement will not be affected thereby and shall be valid and enforceable to the fullest extent permitted by law.

9.10 Authorization for Agreement. The execution and performance of this Agreement by each of the Parties have been duly authorized by all necessary laws, resolutions, and corporate or partnership action, and this Agreement constitutes the valid and enforceable obligations of the Parties in accordance with its respective terms.

9.11 Joint Legal Services.

(i) Manager provides or arranges for legal services to its affiliated professional entities, including Professional Company, all of whom have a common interest and various mutual arrangements with one another (each a "Manager Affiliate", and together with Manager, the "Manager System"). The Manager Affiliates each have, and will have, a need for legal advice from time to time on matters that relate to aspects of the Manager System's operations or the achievement of the Manager System's purposes and goals ("Manager System Matters").

(ii) Manager, through its legal department and external legal counsel ("Manager OGC"), will provide legal services, and act as legal counsel, to Manager Affiliates on Manager System Matters. Professional Company, as a Manager Affiliate, hereby engages Manager OGC to provide legal advice and services to it and its affiliates concerning Manager System Matters. Accordingly, attorneys in or working for the Manager OGC will provide legal advice and counsel to, and will have an attorney-client relationship with, each Manager Affiliate, including Professional Company. Professional Company confirms that Manager OGC is its primary provider of legal services and legal advice concerning Manager System Matters.

(iii) Manager and Manager Affiliates, for the most part, have common interests and purposes and act as aligned entities, and are connected by, among other things, a common mission to support the goals of Manager, Manager Affiliates (including Professional Company) and the Manager System. In furtherance of their common interests, Manager OGC attorneys, Manager, and Manager Affiliates often will need to share with one

another confidential and privileged information, in order to enable Manager OGC attorneys to provide legal advice to Manager and Manager Affiliates concerning Manager System Matters. Communications among Manager OGC attorneys, Manager and Manager Affiliates will be protected by the attorney-client privilege, the work product doctrine, the common interest privilege and any other applicable privileges to the maximum extent permitted by law. Manager and Manager Affiliates will handle confidential and privileged information shared with one another and with Manager OGC in connection with Manager System Matters so as to maximize the preservation, and minimize the risk of loss, of the confidential and privileged nature of the information.

(iv) Professional Company, on its own behalf and on behalf of all of its affiliates, consents to, and waives any conflict of interest arising out of, Manager OGC's simultaneous and joint representation of Manager and the Manager Affiliates. Manager OGC will be attentive to the possibility that actual or potential conflicts of interest may arise in connection with Manager OGC's simultaneous representation of Manager and one or more Manager Affiliates and may preclude joint representation of Manager and certain Manager Affiliates in a particular circumstance ("Manager Conflict Matters"). In connection with Manager Conflict Matters, Manager OGC will continue to represent Manager. The involved Manager Affiliates will select and engage independent counsel, subject to approval by Manager OGC which will not unreasonably be withheld, and will not seek to disqualify Manager OGC attorneys from representing Manager on Manager Conflict Matters.

(v) Manager may hire outside legal counsel as the need arises. Unless specifically stated to the contrary in a retention agreement with outside counsel in respect to a particular matter, Manager outside counsel will represent Manager and the Manager Affiliates. Communications among outside counsel, Manager and the Manager Affiliates will be protected by the attorney-client privilege, the work product doctrine, the common interest privilege and any other applicable privileges to the maximum extent permitted by law. Manager Affiliates are not precluded from obtaining, at their own expense, legal advice from independent legal counsel, subject to approval by Manager OGC which will not unreasonably be withheld.

9.12 Duty to Cooperate. The Parties acknowledge that the Parties' mutual cooperation is critical to the ability of Manager to perform successfully and efficiently its duties hereunder. Accordingly, each Party agrees to cooperate fully with the other in formulating and implementing goals and objectives which are in the best interest of Professional Company and its patients.

Deficit Funding Loan Agreement

[See attached]

DEFICIT FUNDING LOAN AGREEMENT

THIS DEFICIT FUNDING LOAN AGREEMENT, dated _____, is made by and between MNM Health Partners LLC, a Kentucky limited liability company (the "**Lender**"), and Dixie Home Health LLC, a Tennessee limited liability company (the "**Borrower**" and, together with the Lender, the "**Parties**").

RECITALS

A. The Parties are party to that certain Management Services Agreement, dated as of the date hereof (the "**Management Agreement**"), pursuant to which the Lender provides all of the non-professional management, administrative, advisory and back-office services required to support the Borrower's pharmacy operations.

B. Pursuant to the Management Agreement, Lender may provide loans as described herein for purposes of meeting the cash flow needs of the Borrower.

AGREEMENT

The Parties hereby agree follows:

1. Amounts and Terms of Loans.

(a) **Advances.** Subject to the terms and conditions of this Agreement and the Management Agreement, the Lender may, in its discretion, elect to make principal advances ("**Advances**") to the Borrower under this Agreement. The Lender will maintain a record of the amount of all Advances made by the Lender to the Borrower under this Agreement and all payments made by the Borrower to the Lender in respect thereof.

(b) **Interest.** Each Advance will bear interest from the date of disbursement to the date of repayment at a rate equal to the Wall Street Journal under "Money Rates", on the last business day preceding the date on which such Advance was disbursed, plus three percent (3%) per annum, not to exceed the maximum rate allowed by applicable law, compounding monthly.

(c) Repayment.

(i) On a monthly basis, subject to the terms of the Management Agreement, the Borrower will pay to the Lender all accrued interest on the Outstanding Balance (as defined herein).

(ii) The sum of all Advances made by the Lender to the Borrower and not previously repaid, plus any accrued but unpaid interest, (the "**Outstanding Balance**") will be due and payable immediately upon demand by the Lender by delivery of written notice to the Borrower. After the date on which the Lender demands repayment of the Outstanding Balance:

(A) interest will accrue on the Outstanding Balance at a rate equal to five percent (5%) per annum (calculated on the basis of 365 days per year), compounding monthly, and

(B) the Lender may pursue any remedy available at law or in equity to enforce or compel the Borrower's performance of its obligations under this Agreement and pursue any remedies set forth in this Agreement.

(iii) Any other payments made by the Borrower under this Agreement will be applied first to pay accrued and unpaid interest on the Advances and then to repay the remaining Outstanding Balance.

(d) **No Recourse.** All amounts owing under this Agreement are repayable solely from the Borrower, and Lender will have no recourse against any equityholder, director, manager, officer or employee of the Borrower for any such amounts.

(e) **Notes.** As the Lender may request from time to time, the Borrower will execute a promissory note in a form reasonably acceptable to the Lender and substantially in the form of Exhibit A evidencing the amount of then-outstanding Advances. Failure of the Lender to request, or failure of the Borrower to execute, a promissory note with respect to any Advance made hereunder will in no way compromise or qualify the Borrower's obligations hereunder.

(f) **Security**. To the extent permitted by applicable Law (including applicable anti-assignment rules of the Medicare, Medicaid and other government health care programs), as security and collateral for any Advance, the Borrower hereby grants to the Lender a security interest in all of the Borrower's assets and personal property (including all accounts, chattel paper, deposit accounts, documents, equipment, general intangibles, instruments, inventory, investment property, letter of credit rights and any supporting obligations related to any of the foregoing, and all other goods (each as defined in the Uniform Commercial Code)), including all after acquired property and all proceeds of the foregoing. The Borrower will, at the Borrower's expense, execute such further documents and instruments as may be deemed reasonably necessary or desirable by the Lender (i) to effect this Section 1(f) or (ii) to record Lender's security interest under the Uniform Commercial Code. The Borrower hereby authorizes the Lender, its counsel or its representatives, at any time and from time to time, to file financing statements and amendments that describe the collateral covered by such financing statements as "all assets of the Borrower", "all personal property of the Borrower" or words of similar effect, in such jurisdictions as the Lender may deem necessary or desirable in order to perfect the security interests granted by the Borrower under this Agreement and enable the Lender to exercise and enforce its rights and remedies hereunder.

(g) **Compliance with Lender Credit Agreement**. Lender shall make an Advance or other fund transfer under this Agreement to the Borrower only to the extent permitted by the terms of any credit agreement with a secured lender of Lender.

2. Covenants. For so long as this Agreement is in effect or there is any Outstanding Balance:

(a) the Borrower will provide the Lender access to all books and records of the Borrower recording or evidencing the Borrower's gross and net revenue, interest and/or investment income earned thereon, accounts payable, unbilled expenses and other current and long-term assets and liabilities, and

(b) Borrower shall use commercially reasonable efforts to preserve and maintain its existence and all rights, franchises, permits, and licenses material to its businesses or otherwise required by applicable Law;

(c) promptly after any equityholder, director, manager, officer or employee of the Borrower has knowledge of any of the following events of default (collectively, "**Events of Default**"), the Borrower will deliver written notice to the Lender (with such notice specifying in reasonable detail the timing, nature and circumstances of such Event of Default) of:

(i) the Borrower's failure to pay any indebtedness for borrowed money as and when it becomes due and payable and the occurrence of any event that constitutes or, with or without notice or the lapse of time or both, would constitute an event of default under any instrument, agreement or evidence of indebtedness relating to any such obligation of the Borrower,

(ii) the Borrower's breach of any material obligation or covenant in this Agreement or any promissory note (other than non-payment of accrued interest in a given month consistent with the terms of the Management Agreement),

(iii) a general assignment by the Borrower for the benefit of creditors,

(iv) the filing of a voluntary petition or the commencement of any proceeding by the Borrower for relief under any bankruptcy or insolvency laws, or any laws relating to the relief of debtors, readjustment of indebtedness, reorganization, composition or extension,

(v) the filing of any involuntary petition or the commencement of any proceeding against the Borrower for any relief under any bankruptcy or insolvency laws, or any laws relating to the relief of debtors, readjustment of indebtedness, reorganization, composition or extension,

(vi) the suspension of the Borrower's usual business for more than 30 calendar days,

(vii) the Borrower's dissolution, liquidation or winding up,

(viii) the rendering of any judgment against the Borrower for the payment of money that is not stayed on appeal or dismissed within sixty (60) calendar days,

(ix) the Borrower's taking, the Borrower's equityholders' voting to take or the Borrower's entering into any agreement or instrument obligating the Borrower to take any of the following actions without the Lender's prior consent:

(A) the merger, consolidation, restructuring, recapitalization or reorganization of the Borrower with another entity,

(B) the sale, assignment, transfer, conveyance, redemption, issuance, repurchase, pledge or hypothecation of any of the Borrower's equity securities,

(C) the sale, assignment, transfer, gift, pledge, hypothecate, encumbrance, conveyance, or otherwise dispose of, including through a mortgage or security interest, of any Borrower assets, or any purchase or lease of assets, or enter into any contract for payment by Borrower, in each case in excess of Five Thousand Dollars ($5,000.00) (other than a transfer or sale to Lender),

(D) the creation of any subsidiary of the Borrower or the creation of any partnership, affiliation or joint venture between the Borrower and any other Person,

(E) the conveyance or transfer of any securities or assets of the Borrower for the benefit of creditors,

(F) the adoption, approval or amendment of any operating or capital budget of the Borrower (other than in accordance with the Management Agreement or otherwise with the Lender's prior written approval),

(G) the distribution of net profits or other assets of the Borrower to its equityholders or otherwise, other than amounts distributed by the Borrower to its equityholders if (1) the Borrower is a tax partnership and (2) the distributions are made exclusively for the payment of taxes in respect of taxable income attributable to the Borrower's equityholders on account of their tax partnership interests in the Borrower,

(H) the pledge or encumbrance of, or grant of any security interest or mortgage in, any tangible assets of the Borrower,

(I) the Borrower's assumption as primary or concurrent obligor, guaranty or surety of indebtedness of any other Person,

(J) the amendment, restatement or repeal of the Borrower's articles of incorporation, certificate of formation, bylaws, limited liability company operating agreement or other equivalent governing documents,

(K) the Borrower's employment or engagement of any Person to provide services to or on behalf of Borrower,

(L) the Borrower's acquisition of the business operations of any other Person (whether by purchase of assets or securities, merger, consolidation, reorganization or otherwise),

(M) acquire an ownership interest in any other Person,

(N) enter into any transaction with any direct or indirect equityholder of Borrower,

(O) the amendment, restatement, repeal or waiver of any restrictive covenant contained in any employment or independent contractor agreement between the Borrower and any professional personnel,

(x) create indebtedness, issue any debt, or encumber any assets of Borrower (except as otherwise provided herein),

(xi) re-domestication of Borrower to any other jurisdiction,

(xii) issue any profits interests, or other equity interests or equity based incentive awards of Borrower;

(xiii) the commencement or threat of any suit, action, proceeding, claim or investigation against or with respect to the Borrower, the subject of which is not fully covered by insurance or, if not solely a claim for monetary damages, has or could reasonably be expected to have a material adverse effect on the business or assets of the Borrower if adversely determined,

(xiv) the occurrence of any event or the existence of any fact, circumstance or condition that, individually or in the aggregate, with or without notice or the lapse of time or the happening of any future event or existence of any further fact, circumstance or condition, has or could reasonably be expected to have a material adverse effect on the Borrower's business or assets, and therefore the ability to repay the Outstanding Balance, or

(xv) commit to do any of the foregoing.

3. Regulatory.

(a) No amount advanced under this Agreement is intended to be or will be interpreted to be an inducement or payment for, or recommendation of, referral of patients by (i) the Borrower or any member of the Borrower's professional staff to the Lender or any of the Lender's affiliates or (ii) the Lender or any of the Lender's affiliates to the Borrower or any member of the Borrower's professional staff.

(b) Nothing in this Agreement will be interpreted as authorizing or requiring the Lender or any of the Lender's affiliates to practice any licensed profession, invest in or own the Borrower or exercise any control or direction over any aspect of the Borrower. The Borrower and its professional staff remain free to exercise their professional judgment, in their sole discretion, in the diagnosis and treatment patients of the Borrower.

(c) To the extent, but only to the extent that, a court of competent jurisdiction holds any act or service required or permitted of a Party under this Agreement to impermissibly constitute the Lender's practice of any licensed profession or operation of a health care facility or service requiring licensure under applicable law, then such provision of this Agreement will be void *ab initio* and each Party will be deemed to have waived the performance of such act or service by the other Party.

4. Termination of the Agreement. At any time, the Lender may, in its discretion, terminate this Agreement with written notice to the Borrower. Upon termination of this Agreement, the Outstanding Balance will automatically become immediately due and payable**.**

5. Miscellaneous.

(a) **Confidentiality.** The terms of this Agreement are confidential and may not be disclosed to any third-party without the Lender's prior written consent. The Borrower's obligations under this Section 5(a) will survive the termination of this Agreement indefinitely.

(b) **Payment of Expenses.** The Borrower will reimburse the Lender for all out-of-pocket expenses incurred by the Lender in connection with the execution, delivery and administration of this Agreement (including any modification of or consent or waiver under of this Agreement and any enforcement or preservation of rights under this Agreement). The Borrower's obligations under this Section 5(b) will survive the termination of this Agreement indefinitely.

(c) **Notices.** All notices and other communications required or permitted under this Agreement (i) must be in writing, (ii) will be duly given (A) when delivered personally to the recipient or (B) one Business Day (as defined below) after being sent to the recipient by nationally recognized overnight private carrier (charges prepaid) and (iii) addressed as follows:

If to the Borrower:	If to the Lender:
Dixie Home Health LLC	MNM Health Partners LLC

or to such other respective address as each Party may designate by notice given in accordance with this Section 5(c).

(d) **Entire Agreement.** This Agreement (together with the Management Agreement) constitutes the complete agreement and understanding among the Parties regarding the subject matter of this Agreement and supersedes any prior understandings, agreements or representations regarding the subject matter of this Agreement.

(e) **Amendments.** The Parties may amend this Agreement only pursuant to a written agreement executed by the Parties.

(f) **Non-Waiver.** The Parties' respective rights and remedies under this Agreement are cumulative and not alternative. Neither the failure nor any delay by any Party in exercising any right, power or privilege under this Agreement will operate as a waiver of such right, power or privilege, and no single or partial exercise of any such right, power or privilege will preclude any other or further exercise of such right, power or privilege or the exercise of any other right, power or privilege. No waiver will be effective unless it is in writing and signed by an authorized representative of the waiving Party. No waiver given will be applicable except in the specific instance for which it was given. No notice to or demand on a Party will constitute a waiver of any obligation of such Party or the right of the Party giving such notice or demand to take further action without notice or demand as provided in this Agreement.

(g) **Waiver of Defenses.** THE BORROWER HEREBY WAIVES PRESENTMENT, PROTEST AND DEMAND, NOTICE OF PROTEST, DEMAND AND DISHONOR AND NONPAYMENT OF ANY AMOUNT OWING UNDER THIS AGREEMENT OR ANY INSTRUMENT OR DOCUMENT DELIVERED PURSUANT TO THIS AGREEMENT.

(h) **Waiver or Set-Off.** THE BORROWER HEREBY WAIVES THE RIGHT TO INTERPOSE ANY SET-OFF, COUNTER-CLAIM AND/OR CROSS-CLAIM AGAINST THE LENDER IN CONNECTION WITH ANY SUIT, ACTION OR PROCEEDING IN CONNECTION WITH ANY MATTER RELATING TO THIS AGREEMENT OR ANY INSTRUMENT OR DOCUMENT DELIVERED PURSUANT TO THIS AGREEMENT.

(i) **Excessive Charges.** Interest may not accrue under this Agreement in excess of the maximum interest rate allowed by applicable law. If the Lender receives interest payments at an interest rate in excess of the maximum interest rate allowed by applicable law, then the excess amount will be treated as being received on account of, and will automatically reduce, the remaining Outstanding Balance. If such excess amount exceeds the remaining Outstanding Balance, then the Lender will refund to the Borrower the amount in excess of the remaining Outstanding Balance.

(j) **Assignment.** The Borrower may not assign this Agreement or any rights under this Agreement or delegate any duties under this Agreement without the Lender's prior written consent. The Lender may freely assign this Agreement or any rights under this Agreement or delegate any duties under this Agreement without the Borrower's consent.

(k) **Binding Effect; Benefit.** This Agreement will inure to the benefit of and bind the Parties and their respective successors and permitted assigns. Nothing in this Agreement, express or implied, may be construed to give any Person other than the Parties and their respective successors and permitted assigns any right, remedy, claim, obligation or liability arising from or related to this Agreement. This Agreement and all of its provisions and conditions are for the sole and exclusive benefit of the Parties and their respective successors and permitted assigns.

(l) **Severability.** If any court of competent jurisdiction holds any provision of this Agreement invalid or unenforceable, then the other provisions of this Agreement will remain in full force and effect. Any provision of this Agreement held invalid or unenforceable only in part or degree will remain in full force and effect to the extent not held invalid or unenforceable.

(m) **References.** The headings of Sections are provided for convenience only and will not affect the construction or interpretation of this Agreement. Unless otherwise provided, references to "Section(s)" and "Exhibit(s)" refer to the corresponding section(s) and exhibit(s) of this Agreement. Reference to a statute refers to the statute, any amendments or successor legislation and all rules and regulations promulgated under or implementing the statute, as in effect at the relevant time. Reference to a contract, instrument or other document as of a given date means the contract, instrument or other document as amended, supplemented and modified from time to time through such date.

(n) **Construction.** Each Party participated in the negotiation and drafting of this Agreement, assisted by such legal and tax counsel as it desired, and contributed to its revisions. Any ambiguities with respect to any provision of this Agreement will be construed fairly as to all Parties and not in favor of or against any Party. All pronouns and any variation thereof will be construed to refer to such gender and number as the identity of the subject may require. The terms "include" and "including" indicate examples of a predicate word or clause and not a limitation on that word or clause. The term "Business Day" means a day that is not a Saturday, Sunday or legal holiday on which banks are authorized or required to be closed in New York, New York. The term "Person" means any natural individual, corporation, partnership, limited liability company, joint venture, association, bank, trust company, trust or other entity, whether or not legal entities, or any governmental entity, agency or political subdivision.

(o) **Governing Law.** THIS AGREEMENT IS GOVERNED BY THE LAWS OF THE STATE OF DELAWARE, WITHOUT REGARD TO CONFLICT OF LAWS PRINCIPLES. The federal court located in the District of Delaware and the state courts located in the State of Delaware will be the exclusive venue for any litigation, special proceeding, or other proceeding between the parties that may arise out of, or be brought in connection with or by reason of, this Agreement.

(p) **Consent to Jurisdiction.** Each Party hereby (i) agrees to the exclusive jurisdiction of the federal court located in the District of Delaware and the state courts located in State of Delaware (and the appropriate appellate courts) with respect to any claim or cause of action arising under or relating to this Agreement, (ii) waives any objection based on *forum non conveniens* and waives any objection to venue of any such suit, action or proceeding, (iii) waives personal service of any and process upon it and (iv) consents that all services of process be made by registered or certified mail (postage prepaid, return receipt requested) directed to it at the address stated in Section 5(c) and service so made will be complete when received. Nothing in this Section 5(p) will affect the rights of the Parties to serve legal process in any other manner permitted by law.

(q) **Waiver of Trial by Jury.** EACH PARTY HEREBY WAIVES ITS RIGHT TO A JURY TRIAL IN CONNECTION WITH ANY SUIT, ACTION OR PROCEEDING IN CONNECTION WITH ANY MATTER RELATING TO THIS AGREEMENT.

(r) **Counterparts.** The Parties may execute this Agreement in multiple counterparts, each of which will constitute an original and all of which, when taken together, will constitute one and the same agreement. The Parties may deliver executed signature pages to this Agreement by facsimile or e-mail transmission. No Party may raise as a defense to the formation or enforceability of this Agreement (and each Party forever waives any such defense) any argument based on either (i) the use of a facsimile or email transmission to deliver a signature or (ii) the fact that any signature was signed and subsequently transmitted by facsimile or email transmission.

[*Signature page immediately follows*]

IN WITNESS WHEREOF, the Parties hereby execute this Agreement, or cause this Agreement to be executed by their duly authorized representations, as of the date first above written.

FORM OF PROMISSORY NOTE

See attached.

THIS PROMISSORY NOTE ("NOTE") HAS NOT BEEN REGISTERED UNDER THE SECURITIES ACT OF 1933, AS AMENDED (THE "SECURITIES ACT"), OR ANY APPLICABLE STATE SECURITIES LAWS AND HAS NOT BEEN RECOMMENDED, APPROVED OR DISAPPROVED BY THE UNITED STATES SECURITIES AND EXCHANGE COMMISSION (THE "SEC"), ANY STATE SECURITIES COMMISSION OR OTHER REGULATORY AUTHORITY, NOR HAVE ANY OF THESE AUTHORITIES PASSED UPON OR ENDORSED THE MERITS OF THIS NOTE. ANY REPRESENTATION TO THE CONTRARY IS A CRIMINAL OFFENSE. THERE IS NO MARKET FOR THIS NOTE AND NO SUCH MARKET IS EXPECTED TO DEVELOP. THIS NOTE IS SUBJECT TO RESTRICTIONS ON TRANSFERABILITY AND RESALE AND MAY NOT BE TRANSFERRED OR RESOLD EXCEPT AS PERMITTED UNDER THE SECURITIES ACT AND APPLICABLE STATE SECURITIES LAWS, PURSUANT TO REGISTRATION OR EXEMPTION FROM THESE LAWS, OR MAKER (AS DEFINED BELOW) HAS RECEIVED AN OPINION OF COUNSEL SATISFACTORY TO IT THAT REGISTRATION UNDER SUCH LAWS IS NOT REQUIRED. THIS NOTE AND THE INDEBTEDNESS EVIDENCED HEREBY ARE UNSECURED.

PROMISSORY NOTE

$[▪] Dated as of: _____

1. AGREEMENT TO PAY. For value received, Dixie Home Health LLC, a Tennessee limited liability company ("**Maker**"), hereby promises to pay to the order of MNM Health Partners LLC, a Kentucky limited liability company ("**Payee**"), the principal sum of up to [▪] Dollars and [▪] Cents ($[▪]) (or the amount thereof so advanced), together with interest thereon, on demand (the "**Maturity Date**"). The principal sum of this Note together with interest thereon shall be paid at the place and in the manner hereinafter provided.

This Note is made in connection with that certain Deficit Funding Loan Agreement between Maker and Payee, dated as of [▪], 2026 (the "**Deficit Funding Loan Agreement**"). All the agreements, conditions, covenants, provisions and stipulations contained in the Deficit Funding Loan Agreement are hereby made a part of this Note to the same extent and with the same force and effect as if they were fully set forth herein.

2. INTEREST RATE.

a. Interest Prior to Default. Interest shall accrue on the principal balance of this Note outstanding from time to time from the date hereof through the Maturity Date at a rate of five percent (5%) per annum (calculated on the basis of 365 days per year and compounded monthly).

b. Interest after Default. Upon the occurrence of an Event of Default (defined in Section 4), interest shall thereafter accrue on the unpaid principal balance of this Note at an annual rate (the "**Default Rate**") equal to eight percent (8%) per annum (calculated on the basis of 365 days per year, and compounded monthly); provided, however, in no event shall the Default Rate exceed the maximum rate permitted by law.

c. Business Day. If any payment to be made by Maker hereunder shall become due on a day other than a Business Day (defined below), such payment shall be made on the next succeeding Business Day and such extension of time shall be included in computing any interest in respect of such payment. For purposes of this Note, "Business Day" means any day other than a Saturday, Sunday or a legal holiday on which banks are authorized or required to be closed for the conduct of commercial banking business in New York, New York.

3. PAYMENT TERMS.

a. Principal and Interest. Accrued and unpaid interest shall be payable monthly in arrears on the first day of each month (or, in the case of cash interest, on the first business day thereafter). The outstanding principal amount of this Note, together with any accrued and unpaid interest, shall be due and payable on the Maturity Date.

b. Application of Payments. Prior to the occurrence of an Event of Default, all payments and prepayments on account of the indebtedness evidenced by this Note shall be applied as follows: (a) first, to accrued and unpaid interest on the principal balance of this Note, and (b) last, to the unpaid principal balance of this Note.

After an Event of Default, payments may be applied by Payee to amounts owed hereunder in such order as Payee shall determine, in its sole discretion.

c. Method of Payments. All payments of principal and interest hereunder shall be made at such place as Payee may from time to time appoint in writing, and in the absence of such appointment, then at [▪]. Payment made by check shall be deemed paid on the date Payee receives such check; provided, however, that if such check is subsequently returned to Payee unpaid due to insufficient funds or otherwise, the payment shall not be deemed to have been made and shall continue to bear interest until collected.

d. Voluntary Prepayment. Maker may voluntarily prepay the principal balance of this Note in whole or in part, at any time, without penalty or premium.

4. EVENTS OF DEFAULT. Any breach by Maker of any covenant in the Deficit Funding Loan Agreement shall constitute an "**Event of Default**" under this Note.

5. REMEDIES. Upon the occurrence of any Event of Default, Payee shall have the option, without demand or notice, to declare the unpaid principal amount of this Note, together with all accrued interest, at once due and payable to the extent permitted by law, and to exercise any and all other rights and remedies available at law or in equity. Failure to exercise this option shall not constitute a waiver of the right to exercise same in the event of any subsequent Event of Default. Payee shall not, by any act of omission or commission, be deemed to waive any of its rights, remedies or powers hereunder or otherwise unless such waiver is in writing and signed by Payee, and then only to the extent specifically set forth therein. The rights, remedies and powers of Payee are cumulative and concurrent, and may be pursued singly, successively or together against Maker at the sole discretion of Payee. If any suit or action is instituted or attorneys are engaged to collect this Note or any part hereof, Maker shall pay all costs of collection, including reasonable attorneys' fees and court costs.

6. COVENANTS AND WAIVERS. Maker: (a) waives presentment and demand for payment, notices of nonpayment and of dishonor, protest of dishonor, and notice of protest; (b) waives any and all notices in connection with the delivery and acceptance hereof and all other notices in connection with the performance, default, or enforcement of the payment hereof or hereunder; (c) waives any and all lack of diligence and delays in the enforcement of the payment hereof; (d) agrees that the liability of Maker and each endorser or obligor shall be unconditional and without regard to the liability of any other person or entity for the payment hereof, and shall not in any manner be affected by any indulgence or forbearance granted or consented to by Payee to any of them with respect hereto; (e) consents to any and all extensions of time, renewals, waivers, or modifications that may be granted by Payee with respect to the payment or other provisions hereof, and to the release of any security at any time given for the payment hereof, or any part thereof, with or without substitution, and to the release of any person or entity liable for the payment hereof; and (f) consents to the addition of any and all other endorsers and other obligors for the payment hereof, and agree that the addition of any such endorsers or other obligors shall not affect the liability of Maker for all or any part of the obligations evidenced hereby. This provision is a material inducement for Payee making the loan to Maker.

7. GENERAL AGREEMENTS.

a. Time. Time is of the essence hereof.

b. Governing Law; Jurisdiction. This Note is governed and controlled as to validity, enforcement, interpretation, construction, effect and in all other respects by the statutes, laws and decisions of the State of Delaware, without regard to its conflict of laws provisions or rule (whether of the State of Delaware or any other jurisdiction) that would result in the application of the laws of any jurisdiction other than the State of Delaware. Maker hereby consents and subjects itself to the jurisdiction of courts of the State of Delaware and, without limiting the generality of the foregoing, to the venue of Wilmington, Delaware, for each and every action under this Note.

c. Amendments. This Note may only be changed or amended by an instrument in writing signed by the party against whom enforcement of the change or amendment is sought.

d. No Joint Venture. Payee shall not be construed for any purpose to be a partner, joint venturer, agent or associate of Maker or of any lessee, operator, concessionaire or licensee of Maker in the conduct of its business, and by the execution of this Note, Maker agrees to indemnify, defend, and hold Payee harmless from and

against any and all damages, costs, expenses and liability that may be incurred by Payee as a result of a claim that Payee is such partner, joint venturer, agent or associate.

e. Severable Loan Provisions. If any provision of this Note is deemed to be invalid by reason of the operation of law, or by reason of the interpretation placed thereon by any administrative agency or any court, Maker and Payee shall negotiate an equitable adjustment in the provisions of the same in order to effect, to the maximum extent permitted by law, the purpose of this and the validity and enforceability of the remaining provisions, or portions or applications thereof, shall not be affected thereby and shall remain in full force and effect.

f. Interest Limitation. If the interest provisions herein shall result, at any time, in an effective rate of interest which, for any month, exceeds the limit of usury or other laws applicable to this Note, all sums in excess of those lawfully collectible as interest of the period in question shall, without further agreement or notice between or by any party hereto, be applied upon principal immediately upon receipt of such funds by Payee, with the same force and effect as though the payer has specifically designated such extra sums to be so applied to principal and Payee had agreed to accept such extra payment(s) as a premium-free prepayment.

g. Assignability. Payee may at any time assign its rights in this Note. Maker may not assign its interest in this Note, either voluntarily or by operation of law, without the prior written consent of Payee. This Note shall inure to the benefit of and may be enforced by Payee and its successors and assigns.

BUSINESS ASSOCIATE ADDENDUM

This Business Associate Addendum ("Addendum") amends and is made part of that certain Management Services Agreement dated as of _____, 2026 ("Agreement"), by and between by and between Dixie Home Health LLC, a Tennessee limited liability company (the "Covered Entity"), and MNM Health Partners, LLC, a Kentucky limited liability company ("Business Associate").

WHEREAS, Covered Entity and Business Associate agree that the parties incorporate this Addendum into the Agreement in order to comply with the requirements of the Health Insurance Portability and Accountability Act of 1996 ("HIPAA"), the Health Information Technology for Economic and Clinical Health Act ("HITECH") and their implementing regulations set forth at 45 C.F.R. Parts 160 and Part 164 (the "HIPAA Rules"), and the applicable privacy laws of the State of Georgia. To the extent Business Associate is acting as a "business associate" of Covered Entity pursuant to the Agreement, the provisions of this Addendum shall apply, and Business Associate shall be subject to the penalty provisions of HIPAA as specified in 45 C.F.R. Part 160 and applicate privacy laws of the State of Georgia.

1. **Definitions.** Capitalized terms not otherwise defined in this Addendum shall have the meaning set forth in the HIPAA Rules. References to "PHI" mean Protected Health Information maintained, created, received or transmitted by Business Associate from Covered Entity or on Covered Entity's behalf.

2. **Uses or Disclosures.** Business Associate will neither use nor disclose PHI except as permitted or required by the Agreement, this Addendum or as Required By Law. To the extent Business Associate is to carry out an obligation of a Covered Entity under 45 CFR Part 164, Subparts A and E of the HIPAA Rules, Business Associate shall comply with the requirements of 45 CFR Part 164, Subparts A and E of the HIPAA Rules that apply to such Covered Entity in the performance of such obligation. Business Associate is permitted to use and disclose PHI:

(a) to perform any and all obligations of Business Associate as described in the Agreement; provided that such use or disclosure would not violate the HIPAA Rules, if done by Covered Entity directly;

(b) as otherwise permitted by law; provided, that such use or disclosure would not violate the HIPAA Rules, if done by Covered Entity directly and provided that Covered Entity gives its prior written consent;

(c) to perform Data Aggregation services relating to Covered Entity's health care operations;

(d) to report violations of the law to federal or state authorities consistent with 45 CFR § 164.502(j)(1);

(e) as necessary for Business Associate's proper management and administration and to carry out Business Associate's legal responsibilities (collectively "Business Associate's Operations"); provided, that Business Associate may only disclose PHI for Business Associate's Operations if the disclosure is Required By Law or Business Associate obtains reasonable assurance, evidenced by a written contract, from the recipient that the recipient will: (1) hold such PHI in confidence and use or further disclose it only for the purpose for which it was disclosed or as Required By Law; and (2) notify Business Associate of any instance of which the recipient becomes aware in which the confidentiality of such PHI was breached;

(f) to create de-identified information in accordance with 45 CFR § 164.514(b); provided, that such de-identified information may be used and disclosed only consistent with applicable law.

In the event Covered Entity notifies Business Associate of an Individual's restriction request granted pursuant to 45 C.F.R. § 164.522 that would restrict a use or disclosure otherwise permitted by this Section, Business Associate shall comply with the terms of the restriction request.

3. **Safeguards.** Business Associate will use appropriate administrative, technical and physical safeguards to prevent the use or disclosure of PHI other than as permitted by this Addendum. Business Associate will

provide training to its workforce members, as appropriate for each workforce member's duties involving the creation, receipt, maintenance or transmission of PHI: (i) as soon as possible but in no case later than ninety (90) days after the workforce member's hire date; (ii) within a reasonable period, but not later than one (1) year after a material change in federal or state law; and (iii) as otherwise necessary to appropriately safeguard PHI. Business Associate will also comply with the applicable provisions of 45 C.F.R Part 164, Subpart C of the HIPAA Rules with respect to electronic PHI to prevent any use or disclosure of such information other than as provided by this Addendum.

4. **Subcontractors.** In accordance with 45 C.F.R. §§ 164.308(b)(2) and 164.502(e)(1)(ii), Business Associate will ensure that all of its subcontractors that create, receive, maintain or transmit PHI on behalf of Business Associate agree by written contract to comply with the same restrictions and conditions that apply to Business Associate with respect to such PHI, including but not limited to the obligation to comply with applicable provisions of 45 CFR Part 164, Subpart C of the HIPAA Rules.

5. **Minimum Necessary.** Business Associate represents that the PHI requested, used or disclosed by Business Associate shall be the minimum amount necessary to carry out the purposes of the Agreement. Business Associate will limit its uses and disclosures of, and requests for, PHI (i) when practical, to the information making up a Limited Data Set; and (ii) in all other cases subject to the requirements of 45 C.F.R. § 164.502(b), to the minimum amount of PHI necessary to accomplish the intended purpose of the use, disclosure or request.

6. **Covered Entity Obligations.** Covered Entity shall notify Business Associate of (i) any limitations in its notice of privacy policies, (ii) any changes in, or revocation of, permission by an individual to use or disclose PHI, and (iii) any confidential communication request or restriction on the use or disclosure of PHI that Covered Entity has agreed to or with which Covered Entity is required to comply, to the extent any of the foregoing affect Business Associate's use or disclosure of PHI.

7. **Access and Amendment.** In accordance with 45 CFR § 164.524, Business Associate shall permit Covered Entity or, at Covered Entity's request, an individual (or the individual's designee) to inspect and obtain copies of any PHI about the individual that is in Business Associate's custody or control and that is maintained in a Designated Record Set. If the requested PHI is maintained electronically, Business Associate must provide a copy of the PHI: (i) in the electronic form and format requested by the individual, if it is readily producible, or, if not, in a readable electronic form and format as agreed to by Covered Entity and the individual; and (ii) to the individual, no later than the fifteenth (15th) business day after the date the Covered Entity receives a written request for the individual's PHI, unless Business Associate receives written direction from Covered Entity to the contrary, or to the Covered Entity within such time as to allow the Covered Entity to provide the PHI to the individual no later than the fifteenth (15th) business day after the date the Covered Entity receives a written request for the individual's PHI. Business Associate will, upon receipt of notice from Covered Entity, promptly amend or permit Covered Entity access to amend PHI so that Covered Entity may meet its amendment obligations under 45 C.F.R. § 164.526.

8. **Accounting.** Except for disclosures excluded from the accounting obligation by the HIPAA Rules and regulations issued pursuant to HITECH, Business Associate will record for each disclosure that Business Associate makes of PHI the information necessary for Covered Entity to make an accounting of disclosures pursuant to the HIPAA Rules. In the event the U.S. Department of Health and Human Services ("HHS") finalizes regulations requiring Covered Entities to provide access reports, Business Associate shall also record such information with respect to electronic PHI held by Business Associate as would be required under the regulations for Covered Entities beginning on the effective date of such regulations. Business Associate will make information required to be recorded pursuant to this Section 8 available to Covered Entity promptly upon Covered Entity's request for the period requested, but for no longer than required by the HIPAA Rules (except Business Associate need not have any information for disclosures occurring before the effective date of this Addendum).

9. **Inspection of Books and Records.** Business Associate will make its internal books, and records, relating to its use and disclosure of PHI, available upon request to HHS to determine compliance with the HIPAA Rules.

10. **Reporting.** To the extent Business Associate becomes aware of or discovers any access, use or disclosure of PHI not permitted by this Addendum, any Security Incident involving electronic PHI or any Breach of Unsecured Protected Health Information, Business Associate shall promptly, but in no event more than fifteen (15)

days from the date Business Associate first became aware of or discovered such unauthorized access, use, disclosure Security Incident or Breach, report such access, use, disclosure, Security Incident or Breach to Covered Entity. Business Associate shall mitigate, to the extent practicable, any harmful effect known to it of a Security Incident, Breach or access, use or disclosure of PHI by Business Associate not permitted by this Addendum. Notwithstanding the foregoing, the parties acknowledge and agree that this Section constitutes notice by Business Associate to Covered Entity of the ongoing existence and occurrence of attempted but Unsuccessful Security Incidents (as defined below) for which no additional notice to Covered Entity shall be required. "Unsuccessful Security Incidents" shall include, but not be limited to, pings and other broadcast attacks on Business Associate's firewall, port scans, unsuccessful log-on attempts, denials of service and any combination of the above, so long as no such incident results in unauthorized access, use or disclosure of electronic PHI. All reports of Breaches shall be made in compliance with 45 CFR § 164.410.

11. **Term.** This Addendum shall be effective as of the effective date of the Agreement and shall remain in effect until termination of the Agreement. Either party may terminate this Addendum and the Agreement effective immediately if it determines that the other party has breached a material provision of this Addendum and failed to cure such breach within thirty (30) days of being notified by the other party of the breach. If the non-breaching party determines that cure is not possible, such party may terminate this Addendum and the Agreement effective immediately upon written notice to other party. Upon termination of this Addendum for any reason, Business Associate will, if feasible, return to Covered Entity or destroy all PHI maintained by Business Associate, in any form or medium, on behalf of Covered Entity, including all copies of such PHI. Further, Business Associate shall recover any PHI in the possession of its agents and subcontractors and return to Covered Entity or securely destroy all such PHI. In the event that Business Associate determines that returning or destroying any PHI is infeasible, Business Associate may maintain such PHI but shall continue to abide by the terms and conditions of this Addendum with respect to such PHI and shall limit its further use or disclosure of such PHI to those purposes that make return or destruction of the PHI infeasible. Upon termination of this Addendum for any reason, all of Business Associate's obligations under this Addendum shall survive termination and remain in effect (a) until Business Associate has completed the return or destruction of PHI as required by this Section 11 and (b) to the extent Business Associate retains any PHI pursuant to this Section.

12. **General Provisions.** In the event that any final regulation or amendment to final regulations is promulgated by HHS or other government regulatory authority with respect to PHI, the parties shall negotiate in good faith to amend this Addendum to remain in compliance with such regulations. Any ambiguity in this Addendum shall be resolved to permit Covered Entity and Business Associate to comply with the HIPAA Rules. Nothing in this Addendum shall be construed to create any rights or remedies in any third parties or any agency relationship between the parties. A reference in this Addendum to a section in the HIPAA Rules means the section as in effect or as amended. The terms and conditions of this Addendum override and control any conflicting term or condition of the Agreement and replace and supersede any prior business associate agreements in place between the parties. All non-conflicting terms and conditions of the Agreement remain in full force and effect. Notwithstanding any other rights or remedies provided for in this Addendum, the parties agree that Covered Entity may seek injunctive relief to prevent or stop the unauthorized use or disclosure of PHI by Business Associate, or any agent, subcontractor or other third-party that received PHI from Business Associate.

13. **Legal Obligation.** In the event Business Associate believes it has a legal obligation to disclose any PHI in Business Associate's possession, including, but not limited to, obligations that arise from the issuance of a subpoena or court order, Business Associate shall notify Covered Entity as soon as reasonably practical after it learns of such obligation, and in any event within a time sufficiently in advance of the proposed release date, such that Covered Entity's rights and interests would not be prejudiced, as to the legal requirement pursuant to which it believes the PHI must be released. To the extent Covered Entity objects to the release of such PHI, Business Associate shall cooperate reasonably with Covered Entity in such challenge, provided that nothing in this Section shall be interpreted to require Business Associate to act or fail to act in a manner that would cause Business Associate to violate any law.

IN WITNESS WHEREOF, the Parties have executed and delivered this Business Associate Agreement by their duly authorized representatives as of the date first written above.

Re: Support for Certificate of Need Application – Dixie Home Health, LLC

Dear Mr. Grant:

I am writing this letter in support of Dixie Home Health LLC and its Certificate of Need application. I treat patients in a large specialty medical practice in Dickson, TN, within the Dickson Medical Center Associates health system.

Many of the conditions we treat, including IV IG and Ocrevus, commonly require treatment with intravenous (IV) therapies.

Traveling to infusion clinics for the frequent treatments required by these therapies can be difficult for patients suffering from these conditions. In addition to the physical challenges associated with travel, there may be significant financial burdens related to transportation, time away from work, caregiver needs, and other associated costs, particularly for lower-income patients.

There is a clear need for my patients to be better served by Dixie Home Health LLC. Dixie Home Health LLC provides skilled infusion nursing services with expertise in specialty IV therapies, intricate dosing protocols, and extended infusions. They offer a level of expertise and service that cannot be replicated by traditional home health agencies.

Providing timely, high-quality infusion therapy in patients' homes can contribute to improved health outcomes by increasing compliance with treatment plans, enhancing adherence to prescribed therapies, and reducing unnecessary hospital and clinic utilization. Home-based infusion services can also improve patient comfort and convenience while maintaining the highest standards of care.

For the good of my patients and those throughout Tennessee, I strongly encourage approval of Dixie Home Health LLC's Certificate of Need application to increase patient access to skilled infusion nursing services in the home.

Re: Support for Certificate of Need Application – Dixie Home Health, LLC

Dear Mr. Grant:

I am writing on behalf of Saint Thomas West Hospital to express our strong support for the Certificate of Need application submitted by Dixie Home Health, LLC to establish a Tennessee-licensed home health agency focused on serving home infusion patients.

This integrated model will allow Dixie Home Health LLC to coordinate both access to specialized infusion medications and the skilled nursing services required for their administration, improving timeliness of care and enhancing patient quality of life.

In practice, one of the most significant challenges we face is securing reliable nursing support for home infusion patients through traditional home health agencies. Many traditional home health agencies focus on higher-volume, episodic care and may not be structured to provide the specialized, therapy-specific nursing visits required for home infusion services.

These challenges can directly affect patient access and continuity of care. For patients who are medically appropriate for home infusion, delays in securing nursing support can result in extended hospital stays, delayed discharges, or interruptions in therapy, all of which increase healthcare costs and create unnecessary burden for patients and families.

Approval of this project would help address these issues by allowing Dixie Home Health LLC to operate a Tennessee-licensed home health agency specifically designed to support home infusion providers and their patients. Dixie Home Health LLC possesses the operational readiness and clinical understanding necessary to support home infusion patients effectively. Its parent company brings extensive experience in the manufacture, distribution, and management of infusion therapies, providing a strong foundation for successful implementation of this project.

The proposed project offers several significant benefits for Tennessee patients and healthcare providers. First, it improves patient access to home-based infusion services, enabling patients to receive medically necessary therapies in the comfort of their homes

Docusign Envelope ID: DAFC3A85-104F-8A8C-80DC-86AB7CD21255

rather than institutional settings or outpatient infusion settings. Second, it enhances timeliness and continuity of care by creating a nursing partner that is specifically focused on infusion therapy rather than episodic home health visits. Third, it supports quality and patient safety as nurses experienced in infusion therapy are essential for proper catheter care, medication administration, adverse reaction monitoring, and patient and caregiver education.

We are confident that this project will expand access to critical home infusion services, improve care coordination, support timely hospital discharges, and enhance the delivery of safe, high-quality care for patients across Tennessee.

We also believe that this project will improve coordination of care among pharmacies, physicians, and nursing providers. A home health agency dedicated to infusion services is better positioned to communicate with pharmacy clinical teams, implement timely therapy changes, and ensure patients receive appropriate clinical oversight throughout the course of treatment.

In our view, Dixie Home Health LLC's proposed project addresses a well-documented gap in Tennessee's healthcare delivery system. Timely access to qualified infusion nurses remains a critical challenge for patients receiving home infusion therapy, often creating unnecessary delays in treatment and discharge planning. The establishment of a home health agency specifically focused on infusion services will help address this need while promoting safe, coordinated, patient-centered care in the home setting.

For these reasons, Saint Thomas West Hospital strongly supports approval of Dixie Home Health LLC's Certificate of Need Application. We are confident that this project will improve patient access, enhance care coordination, support quality outcomes, and strengthen Tennessee's ability to deliver specialized infusion services to patients in need.

Thank you for your consideration of this important project.

Sincerely,

Performance Improvement (PI): Adverse Drug Reactions (CareTend)

This performance measure has been selected because the organization provides compounded infusion medications that may be associated with potentially high risk adverse effects.

The measure full name is "The incidence of reported adverse drug reactions per 1000 active patient care days".

Performance Measure Elements

Description	The incidence of reported adverse drug reactions entered into the patient's record in CareTend, and calculated as a rate based ratio measured with a denominator of 1000 active patient care days.
Frequency	Monthly
Designation	Designated as the person to oversee entry of patient outcomes data within CareTend:
Designation	Designated as the person to obtain the monthly incidence from the Vital Outcomes database:
Method of Data Collection	Data is collected via a regularly scheduled follow up form which inquires as to the incidence of specific events including adverse drug reactions; Data is collected via regular communication with the patient, caregiver, and home care agency or other healthcare provider. Data is entered into the patient's record in CareTend upon occurrence, or at regular intervals for long term patients.
Acceptable Limits	The acceptable limit is 3 standard deviations from the mean. To determine the benchmark average and acceptable limit refer to the Outcomes Tracking Table on The Central Line. The Outcomes Tracking Table limits and averages are updated, at minimum, every three (3) months based on Vital Outcomes aggregate data. (The Outcomes Tracking Table can be found under the discuss board on The Central Line.)
Receipt of Reports	The reports on the ADR rate are presented at the quarterly PI meeting to the pharmacy owner/manager by:

© 07/16/2024

Re-Evaluation Plans	Failure to meet the threshold will result in the following re-evaluation and actions: • Identify if there is a pattern to types of adverse events, medications involved, or diagnosis group involved; • Determine if value is high due to small population size • Determine if patient pre-screening and monitoring is being completed appropriately • Communicate findings with the home care agency and/or physician • Discuss with or retrain staff on adverse event screening • Consult with prescriber(s) on formulary issues and possible causes • Re-measure the following quarter

ANNUAL PI PLAN REVIEW (CareTend)

This form must be completed by pharmacy ownership/management annually to comply with accreditation standards. Supplement this form with the Annual PI Plan Review for a complete review of the pharmacy's services. Please check all rows in which the statement is true. Describe any challenges at the end of each section.

Pharmacy Name:	Franchise No. (4 Digit):
Date of this Review:	For which year is this PI Plan Review?

Meetings	
☐	The pharmacy met at the frequency listed on the PI Plan.
☐	The pharmacy PI meetings were attended by all members and at least one manager or owner.
☐	Minutes of meetings were maintained.
If any of the rows above are not checked, please describe or elaborate:	

Outcome Data	
☐	The pharmacy staff consistently submitted patient information to the CareTend outcome tracking system throughout the year.
☐	Reports were generated by the pharmacy from the Vital Outcomes system and were reviewed at least quarterly.
☐	Data was converted to charts by the pharmacy staff using Excel or other method.
☐	Charts are reviewed when received.
☐	Patient perception surveys are consistently given to patients, and a return rate of (minimum) 25% is achieved throughout the year.
☐	Unusual trends or variances are addressed on a PDSA form.
If any of the rows above are not checked, please describe or elaborate:

Annual Performance Improvement Report and Data Collection Tool

Specialty Pharmacy Services

If accredited for specialty pharmacy services, this report must be completed and reviewed annually by the performance improvement committee to comply with specialty related accreditation standards. It should be retained in the pharmacy records and attached to the meeting minutes form in which review of the report has been documented.

Reporting Period:
Number of specialty patients receiving prescriptions during reporting period:
What is the overall patient satisfaction survey rate specific to specialty pharmacy services as a percentage of specialty patients served?
Number of complaints received during reporting period and average resolution time: Were any trends or a high incidence rate in a particular area of service identified? ☐ Yes ☐ No If yes, explain:

Complete the chart below based on reporting period data:

Payer Name	Number Prescriptions Dispensed	Number Prescriptions Dispensed Incorrectly*	Average Delivery Time	Average Medication Possession Ratio (MPR)**
Total All Payers				

*Wrong patient, wrong drug, wrong address, or wrong quantity

**The medication possession ratio (MPR) is a formula used to determine compliance that is measured from the first to the last prescription. The denominator is the duration from the start period to the completion of the last prescription, and the numerator is the days supplied over that period from first to last prescription. MPR is the sum of the days' supply for all fills of a given drug in a particular time period, divided by the number of days in the time period.

Call center metrics based on reporting period data supplied by IVR or answering service vendor (attach data report):

What is the average length of time patients were on hold?
What is the average call abandonment rate?
What is the average dropped call rate?
Were any trends or a high incidence rate identified? ☐ Yes ☐ No If yes, explain:

Review of contracted services data for reporting period:

Was a review of all contracted specialty pharmacy services performed in conjunction with this report? ☐ Yes ☐ No ☐ N/A If yes, were any contracted services identified that require more extensive review to minimize costs? ☐ Yes ☐ No If yes, which ones?

Performance Improvement (PI): Catheter Complication Requiring Removal (CareTend)

This performance measure has been selected because the organization provides compounded infusion medications and infusion clinical services to patients with complex medical needs via implanted venous access devices.

The measure full name is "The incidence of reported catheter related complications requiring removal per 1000 active patient catheter days."

Performance Measure Elements

Description	The incidence (rate based ratio with a denominator of 1000) of catheter complication requiring removal documented in the patient's record in CareTend per 1000 active patient catheter days.
Frequency	Monthly
Designation	Designated as the person to oversee entry of patient outcomes data within patient records on CareTend:
Designation	Designated as the person to obtain the monthly percentage rating from the Vital Outcomes database:
Method of Data Collection	Data is collected via a regularly scheduled follow up form which inquires as to the incidence of specific events including incidents with catheters; Data is collected via regular communication with the patient, caregiver, and home care agency or other healthcare provider. Data is entered into the patient's record in CareTend upon occurrence, or at regular intervals for long term patients.
Acceptable Limits	The acceptable limit is 3 standard deviations from the mean. To determine the benchmark average and acceptable limit refer to the Outcomes Tracking Table on The Central Line. Dear Valued Pharmacy Customer,

The staff of _____ is proud to have serviced your home infusion pharmacy needs. We realize you and your prescriber have a choice of infusion pharmacies, and we appreciate that you selected ours.

We constantly strive to improve the services we provide to our customers, and to meet all of the quality requirements of Medicare and other payers. To do so we must gather customer satisfaction information from every patient.

We would appreciate it if you would spend a few moments answering the questions on the attached satisfaction survey. Additional comments regarding our services are always welcome. If you'd like to speak to our pharmacy manager about any aspect of our services, please indicate that on the survey. The survey should be mailed back to us using the prepaid envelope enclosed for your convenience. If you prefer to answer the survey online, please go to vitalcare.com/ptsurvey. Be sure to enter the information found at the top of the attached survey form, so your feedback will be attributed to our location.

If you have any questions about the survey, please don't hesitate to call us at the number at the top of this letter.

Description

In order to assess and improve the quality of services provided to customers, as well as the internal performance of staff, the fra pharmacy should collect outcome data.

Outcome data that is most valid is clinical outcome data (measures or describes the clinical outcomes of the care provided), and perception data (measures or describes the satisfaction and thoughts patients have about the care received).

There are several commercially available database services available in the infusion industry. Vital Care Infusion Services, LLC to franchised pharmacies its proprietary database system Vital Outcomes which has collected and reported individual and aggre Vital Care network since 1995.

Vital Outcomes, the currently available program on Vital Books, provides reporting on the measures listed in this document.

- The manager or owner will supervise the collection of data to assure that outcome data is collected, reviewed, and used i improvement of the franchised pharmacy.
- The franchised pharmacy will use a database to collect and report data that allows for benchmarking against aggregate d
- The collection of clinical and/or perception outcome data is required with a minimum of three measures to trend and revie recommended number of measures is four.
- The collection of financial or operational data is required by the DMEPOS standards. The franchised pharmacy will collect display data regarding DMEPOS related billing auditing and claims denials. Billing and coding errors for durable medical e supplies, as well as nutritional and parenteral nutrient will be reviewed as part of the performance improvement program.
- The collection of patient satisfaction and dissatisfaction data is required by the DMEPOS standards. The franchised pharn aggregate, and display this data.
- The outcome data will be reviewed at each PI committee meeting.
- The data will be used to evaluate the franchised pharmacy's performance and plan improvement activities.
- Staff members responsible for the data entry into and use of the outcome program will receive orientation training and cor assessment to assure data reliability.

Performance Improvement (PI): Patient Overall Satisfaction Rating (CareTend)

This performance measure has been selected because the organization provides clinical infusion services with a high customer contact service model. The pharmacy is accredited as a provider of DMEPOS Part B supplies/equipment.

The measure full name is "The average (mean) rating by customers of their overall satisfaction with the pharmacy's services".

Performance Measure Elements

Description	The statistical average (mean) rating of patients who completed a satisfaction survey when asked if they agreed that they were satisfied overall with the services provided by the pharmacy. A 1-5 Likert Scale on the survey was used with 1= Strongly disagree and 5=Strongly agree.
Frequency	Monthly
Designation	Designated as the person to enter Vital Outcomes data: Data is entered electronically from the survey link or the QR code on the patient satification survey postcard the patient or caregiver.
Designation	Designated as the person to obtain the monthly incidence from the Vital Outcomes database:
Method of Data Collection	Data is collected via a patient satisfaction survey given to the patient upon discharge from services, or every 6 months for active patients. Data is entered into the Vital Outcomes outcome tracking database upon the discharge of the patient, or every 6 months for active patients.
Acceptable Limits	The acceptable limit is 3 standard deviations from the mean. To determine the benchmark average and acceptable limit refer to the Outcomes Tracking Table on The Central Line. The Outcomes Tracking Table limits and averages are updated, at minimum, every three months based on Vital Outcomes aggregate data. (The Outcomes Tracking Table can be found under the discuss board on The Central Line.)
Receipt of Reports	The reports on the satisfaction rating are presented at the quarterly PI meeting to the pharmacy owner/manager by:

© 07/16/2024

Re-Evaluation Plans	Failure to meet the threshold will result in the following re-evaluation and actions: • Identify specific grievances, incidents, or complaints received from patients within the last time frame that could impact satisfaction; • Identify changes in services or service model, delivery methods, etc. that could impact satisfaction; • Interview patients who have returned negative ratings for feedback and suggestions for improvement; • Implement improvements; • Re-measure after three months.

Performance Improvement (PI): Pump Malfunctions (CareTend)

This performance measure has been selected because the organization provides compounded infusion medications and infusion clinical services to patients with complex medical needs and utilizing durable medical equipment such as infusion pumps. The pharmacy is accredited as a provider of DMEPOS equipment and supplies reimbursed by Medicare Part B and uses this measure for compliance with the quality standards.

The measure full name is "The incidence of reported pump malfunctions per 1000 active patient pump therapy days".

Performance Measure Elements

Description	The incidence (rate based ratio with a denominator of 1000) of pump malfunctions documented in the patient's record in CareTend per 1000 active patient pump therapy days.
Frequency	Monthly
Designation	Designated as the person to oversee entry of patient outcomes data into the patient's record in CareTend:
Designation	Designated as the person to obtain the monthly percentage rating from the Vital Outcomes database:
Method of Data Collection	Data is collected via a regularly scheduled follow up form which inquires as to the incidence of specific events including incidents with pumps; Data is collected via regular communication with the patient, caregiver, and home care agency or other healthcare provider. Data is entered into the patient's record in CareTend upon occurrence, or at regular intervals for long term patients.
Acceptable Limits	The acceptable limit is 3 standard deviations from the mean. To determine the benchmark average and acceptable limit refer to the Outcomes Tracking Table on The Central Line. The Outcomes Tracking Table limits and averages are updated, at minimum, every three months based on Vital Outcomes aggregate data. (The Outcomes Tracking Table can be found under the discuss board on The Central Line.)
Receipt of Reports	The reports on the pump malfunctions are presented at the quarterly PI meeting to the pharmacy owner/manager by:

© 07/17/2024

Re-Evaluation Plans	Failure to meet the threshold will result in the following re-evaluation and actions: • Identify if the value is out of range due to a small patient population; • Review recent on call and risk reports and identify trends in incidence; • Discuss with staff if incidents are related to a particular pump type, therapy type, or patient population; • Discuss, if applicable, with the home care agency or prescriber; • Develop a corrective action plan based on above findings to decrease grievances; • Re-measure in three months

Performance Improvement (PI): Patient Meeting Therapy Goals (CareTend)

This performance measure has been selected because the organization provides compounded infusion medications and infusion clinical services with ongoing patient monitoring for therapy effectiveness.

The measure full name is "The percentage of patients completing therapy that met their therapy goals."

Performance Measure Elements

Description	The percentage (rate based proportion) of patients who, at the completion of their therapy, it was determined that the therapy course resulted in the patient meeting the intended goal of the therapy.
Frequency	Monthly
Designation	Designated as the person to oversee entry of patient outcomes data into the patient's record in CareTend: The decision of whether the goal was met or not is determined by the clinical staff at the pharmacy:
Designation	Designated as the person to obtain the monthly percentage rating from the Vital Outcomes database:
Method of Data Collection	Data is collected by a review of the patient's clinical record at the completion of therapy by a designated clinician who compares the original treatment goal with the patient's clinical outcome of care.
Acceptable Limits	The acceptable limit is 3 standard deviations from the mean. To determine the benchmark average and acceptable limit refer to the Outcomes Tracking Table on The Central Line. The Outcomes Tracking Table limits and averages are updated, at minimum, every three months based on Vital Outcomes aggregate data. RE: Certificate of Need Application CN2610-023
Dixie Home Health, LLC

Dear Ms. Looney:

This will acknowledge our November 2, 2026, receipt of your application for a Certificate of Need for the establishment of a home care organization and the initiation of home health services limited to home infusion services. The project will serve a proposed service area of 95 counties. The address of the project will be 2141 Old Ashland City Road, Clarksville (Montgomery County), Tennessee 37043.

Several items were found which need clarification or additional discussion. Please review the list of questions below and address them as indicated. The questions have been keyed to the application form for your convenience. I should emphasize that an application cannot be deemed complete and the review cycle begun until all questions have been answered and furnished to this office.

Please submit responses electronically by 4:30 p.m., November 12th. If the supplemental information requested in this letter is not submitted by or before this time, then consideration of this application may be delayed into a later review cycle.

---

1. **Item 1A., Name of Facility**

   What relationship does the applicant have with Dixie Infusion Pharmacy, LLC (license #5866)? Is there shared ownership between the pharmacy and Dixie Home Health, LLC?

   RESPONSE: Dixie Home Health, LLC will receive its pharmaceuticals from Dixie Infusion Pharmacy, LLC. ALB Infusion Pharma Holdco is the parent

company of both entities.

What pharmacy services are currently provided at 2141 Old Ashland City Rd., Clarksville, TN 37043?

RESPONSE: Ambulatory infusion treatments are currently provided at 2141 Old Ashland City Rd., Clarksville.

What relationship does the Ambulatory Infusion Center at this address have with the applicant?

RESPONSE: The applicant has the same parent entity ownership

The applicant's website appears to indicate that it provides in-home infusion services currently. Please explain whether the applicant is currently performing home infusion services.

RESONSE: The website provided is not limited to the applicant but includes other Vital Care entities. The Applicant is not currently providing home infusion services.

2. **Item 6A. Name of Owner**

Please confirm whether ALB Infusion Pharma Holdco, LLC is registered in TN as ALB Infusion Intermediate Co. LLC appears to be the only name registered with the TN Secretary of State.

RESPONSE: ALB Infusion Intermediate Co. is the majority owner of ALB Infusion Pharma HoldCo LLC. If the CON application is approved, ALB Infusion Pharma HoldCo LLC will register with the TN Secretary of State's office.

3. **Item 7A., Type of Ownership**

The organizational chart is noted. Please identify members of each party with 5% ownership interest - direct or indirect.

RESPONSE: ALB Infusion Pharma HoldCo LLC is owned by Kevin R. Zepp and ALB Infusion Intermediate Co., both of whom have greater than 5% interest.

4. **Item 8A. Name of Management / Operating Entity**

Please describe the background and role of MNM Health Partners LLC.

RESPONSE: MNM Health Partners LLC is an internal management company that has common ownership with Dixie Infusion Pharmacy and Dixie Infusion Home Health Agency. It currently manages Dixie Infusion Pharmacy. The principal person operating the LLC is Kevin Zepp who has decades of health care experience including operating home health agencies. THEY MAY WANT TO KNOW WHICH ONES AND WHERE SO WE MIGHT WANT TO ELABORATE HERE

What is the company's relationship with Vital Care nationally as well as the applicant's owner for the project.

RESPONSE: Dixie Infusion Pharmacy is a franchisee of Vital Care and is the supplier of the pharmaceuticals for Dixie Infusion Home Health Agency.

Does MNM Health Partners LLC function in a similar capacity with any other Vital Care franchisees nationally?

RESPONSE: MNM Health Partners LLC operates in a similar capacity with a pharmacy and HHA located in Kentucky as well as a pharmacy and HHA in New Jersey.
KEVIN

Please confirm whether the management fee described in Schedule 2.1 of the Management Agreement of 95% of cash collection revenue is accurate. – fee to management company for expenses –

RESPONSE: The 95% cash collections paid to the management company is for the expenses incurred by the management company in the operation of the home health agency, e.g. staffing, rent, etc. Thus, the remaining 5% is the fee for the management company for its management services.

5. **Item 1E.., Executive Summary**

Please describe the background and any experience of the applicant and its owner in operation of pharmacy and home infusion care.

RESPONSE: Kevin Zepp has been in the health care industry for over 20 years and has operated as a CFO of a hospital and operates and manages other HHAs in New Jersey, Ohio and Kentucky.

Please clarify if the applicant will serve other pharmacies for home health

infusion services since the Letter of Intent for the application is not limited to patients of Dixie Home Health, LLC, but the application states that this limitation is the intent of the applicant.

RESPONSE: As stated in the application, the Applicant will not serve patients of other pharmacies.

It is noted the applicant pharmacy has a "controlled Substance" qualification. What type of schedule II-V drugs will the applicant be administering in the home?

RESPONSE: The Applicant does not currently plan to administer any "controlled substances" in the home.

Will the applicants' nurses be required to have specialized training in the administration of controlled substances?

RESPONSE: No, because the applicant does not currently plan to administer any "controlled substances" in the home.

6. **Item 2E. Rationale for Approval**

What patient base exists for the applicant that requires home infusion services?

Please explain how the applicant has identified needs across the whole State of Tennessee. Where has the applicant's affiliated pharmacy received referral from for home infusion care? Where have those patients been referred to?

Are pharmacy patients currently traveling to the office of the applicant for infusion services? How many of the 95 counties in the proposed service area have these patients represented?

Has the applicant received documented patient referrals in other regions of the state? Does the applicant have existing relationships with physicians in other regions of TN requesting its services?

RESPONSE: Many of the patients who are currently receiving infusion services at the pharmacy' ambulatory infusion clinic would be appropriate to receive their infusion therapy services in the home, which would provide a more convenient location for the patients and their family members. The applicant

will initially focus on providing services to those patients in counties closest to the location of the pharmacy, it anticipates that it will quickly expand services to other counties contiguous to those counties. Just as the other CON applications that have been approved for infusion therapy, it is important for this Applicant to be able to provide services in all 95 counties. As more medications are approved for infusion therapy, it is important to be able to meet the needs of patients needing those pharmaceuticals. Based on current data reported in the Joint Annual Reports and other CON applications, it is clear that these services are needed in all 95 counties. Because each of the home health agencies providing infusion therapy (with the exception of Naven) are limited to providing infusion therapy for a particular pharmacy, it is necessary for each to be able to provide services to patients in all 95 counties.

7. Item 2N., Service Area

It is noted that only 4 of 95 counties include projected utilization in Year One. Please provide additional information supporting the inclusion of all 95 counties in the proposed service area as a new provider.

Since the applicant can only demonstrate need in 4 of the 95 counties in Year One, will the applicant willing at accept a limitation of only those 4 service area counties?

To what extent can the applicant document referrals it has received for home infusion services that it has been unable to meet due to the lack of suitable existing providers?

Response: The Applicant has been particularly conservative in its projections for the first year of operation and anticipates focusing on the areas closest to the site of the existing pharmacy, so it only based its need projections on 4 counites. That does not mean there is need in only 4 counties. It has included a list of counties from which it receives patients at the affiliated pharmacy later in these supplemental responses – that list includes 24 counties, in middle, east and west Tennessee. As the Applicant continues its operations, it anticipates that its geographic area will grow and expand into other counties. The Applicant feels that because of the specialized nature of the service provided a service area of all 95 counties, like other infusion therapy companies operating in Tennessee, is warranted. Thus, it does not feel that a limitation is appropriate for the requested services. The Applicant has not tracked specific referrals that it has not been able to meet but knows that existing home health agencies do not provide the specialized infusion therapy services provided and those that do

provide the specialized infusion therapy services are limited to providing the pharmaceuticals from their related pharmacy. Requiring patients to come in person for their infusion therapy frequently creates a hardship for the patients and their families.

8. Item 4N., Special Needs of the Service Area

The challenges of accessing infusion therapy in rural areas are noted. How many of the applicant's projected home infusion patients are expected to be TennCare enrollees?

How many of the applicant's affiliated pharmacy patients receiving infusion therapy have been TennCare patients?

RESPONSE: The affiliated pharmacy has served 14 TennCare patients to date. The Applicant has included TennCare patients in its projections for charity care of 3% but has not identified a specific number of such patients as TennCare.

9. Item 5N., Historical Utilization

Please provide statewide home health utilization documentation for the last three years as reported to the JAR for Attachment 5N?

A revised Attachment 5N has been attached to the portal as well as to these responses.

Please identify other Vital Care franchisees who are licensed or have an approved but outstanding CON in the state.

RESPONSE: It is the applicant's understanding that there are currently the following Vital Care franchisees in Tennessee:

Cumberland Vital Care, Crossville: pharmacy and in-suite infusion

Vital Care of Knoxville, pharmacy and in-suite infusion with HHA services limited to home infusion therapy provided by Blueberry

Vital Care of Chattanooga, Chattanooga: pharmacy and in-suite infusion and received a CON in 2026 for HHA limited to home infusion therapy

Vital Care of Memphis

SunRay: received CON in September 2026 for HHA limited to home infusion therapy

What are the differences between the various franchises that the applicant's HHA will address?

RESPONSE: Each franchisee is Independently owned and operated with its own referral sources.

Please discuss the projections associated with other recently approved CONs for home infusion and whether there are any differences between the applicant's projected utilization and those other recently approved projects.

Response: The Applicant's projections appear to be based on assumptions similar to the other recently approved applications. Each has looked at the location of its existing pharmacy patients to determine the need or infusion therapy to be done in the home through a related home health agency.

10. Item 6N., Applicant's Historical and Projected Utilization

The four letters of support included with the application are noted. However, they do not specifically identify regional referral needs beyond the Middle TN and Bowling Green, KY area. Does the applicant intend to submit letters with specific projections for its proposed service area - statewide?

RESPONSE: The Applicant is working with its current referral sources and hopes to have additional letters of support from a broader geographic area.

Please clarify how the applicant will serve East and West Tennessee. Is the applicant planning to ramp up to those grand divisions? If so, please provide an overview of the future ramp up.

RESPONSE: The Applicant has a marketing and sales force that will cover the entire state. When approval is received and utilization begins, that sales force will expand its efforts to other adjacent counties.

Please identify the 10 most common therapies the applicant projects to deliver.

RESPONSE: The Applicant anticipates the ten most common therapies to be provided, which will be subject to change from time to time are: Entyvio,

Ocrevus, Remicade, Prolia, Gammagard, Inflectra, Rituxan, Vyepti, Skyrizi, and Gamunex.

11. Item 6N., Applicant's Historical and Projected Utilization

Please provide a detailed methodology for how the projected number of nursing visits and the number of visits by county were established, specifically given the applicant's status as a newly established provider of pharmacy and home health care services in Tennessee.

RESPONSE: The pharmacy was purchased by the entity related to the Applicant in 2025, but has been in operation for much longer than that.

Please identify all assumptions including the information on historical demand for home infusion services across the 95-county service area.

RESPONSE: In looking at applications for other home health agencies recently approved for infusion therapy, it is noted that these applications demonstrated that there are unique benefits to home infusion therapy, including the relationship of the HHA to the pharmacy that provides the pharmaceuticals. For example, home infusion therapy, as opposed to regular home health agency visits provides more extensive nursing hours, additional patient and family education to ensure they are well versed in the benefits and possible side effects of the therapy provided, and additional patient monitoring and reporting requirements to ensure patient safety and the efficacy of the treatment provided.

Please identify the projected number of patients who will require home infusion visits greater than 2 hours vs. less than 2 hours in duration.

RESPONSE: The Applicant anticipates that 65-70% of the patients will require home infusion visits greater than 2 hours and 30-35% will require visits less than 2 hours in duration. It is dependent on the individual patient as well as his particular therapy.

How many total visits are projected to be required for patients on average?

RESPONSE: It is difficult to project any averages with this type of treatment because it is so specialized and dependent on the individual patient and the therapy being provided. Many patients receive therapy for their total lives on either a monthly or even weekly basis. Others may have a set duration for their therapy. A rough average would be 6-8 per patient.

Does the applicant intend to provide letters of unmet need for any specific counties in the state?

RESPONSE: The Applicant will continue to seek letters of support and provide them when received.

Has the applicant's pharmacy referred any patients to an HHA for infusion nursing in-home to date?

RESPONSE: The Applicant does not track numbers for any patients it has not been able to serve. Frequently the patient will choose to come in person for their therapy which is often difficult for the patient and their family members. It has not referred any patients to a regular home health agency because those home health agencies do not provide infusion therapy and the other providers that provide infusion therapy are limited to pharmaceuticals provided by their related pharmacy.

12. Item 3C., Effects of Competition and/or Duplication

Is there anything differentiating the services of the applicant from existing or other recently approved CONs?

Will the applicant accept any payor sources that are currently not accepted by existing providers?

What, if any, key differences are expected between the applicant's service model and the other Vital Care franchisees?

RESPONSE: With the exception of Naven, each of the recently approved applications approved for infusion therapy is limited to pharmaceuticals received from a related pharmacy. The Applicant does not anticipate that the payor sources it accepts will be substantially different from the other Vital Care franchisees. The service models are similar for each Vital Care franchisee as they are providing the same infusion therapy services. Each operates in a different primary location, with different referral sources. The approval of this application is necessary to keep up with the demand for infusion therapy pharmaceuticals.

13. Item 4C., Human Resources

Please identify the infusion specific training that will be required or provided for direct care staff? Will any certifications be required for nursing staff?

RESPONSE: The nursing staff used for the HHA will receive all necessary specialized training to allow them to provide the necessary infusion therapy services. There is no required certification.

Will one of the two RNs listed in the staffing chart serve as the designated nurse leader?

RESPONSE: Yes, the Applicant will have a designated nurse leader that is anticipated to be one of the two RNs listed on the FTE chart.

What infrastructure is already in place regarding competency assessments, supervision, and quality monitoring?

RESPONSE: One of the services provided to Vital Care franchisees from the franchisor is the necessary infrastructure to operate, including the necessary procedures for competency assessments, supervision and quality monitoring. Please see attached documents included as Attachment 5C.

Does the applicant have any previous experience of staffing and providing clinical oversight of a comparable geographic area?

RESPONSE: Owners and others affiliated with the applicant have experience in staffing and providing clinical oversight of services in New Jersey, Eastern Pennsylvania, Ohio and Kentucky. All have geographic areas that are comparable to those proposed by the applicant in this CON application.

Does the applicant intend to directly employ all staff or will contract staff be utilized?

RESPONSE: The applicant prefers direct employment but particularly as it starts expanding and staffing up, it may be necessary to use contracted nurses on a PRN basis. However, it does not anticipate doing so the first year of operation.

14. Item 4C., Human Resources

Please describe the clinical leadership structure and governing body structure of the applicant's proposed home health agency.

RESPONSE: The Applicant anticipates having a director of nursing, an administrator and a medical director.

What regions will the nursing staff be based in?

RESPONSE: The nursing staff will be based where the patients are located, and locations will be adjusted based on patient need.

Will the FTEs be made up of multiple nurses in each region?

RESPONSE: The location of the nurses will be dependent on where the patients reside, but potentially there will be multiple nurses in each region.

Please describe the steps of the infusion delivery process from the point where the medication is delivered to being administered by a nurse.

RESPONSE: The physician orders the pharmaceutical from the pharmacy, the infusion therapy services are ordered either in the home or at the ambulatory clinic location. If the location is the home, the pharmaceuticals will be shopped to the patient's house in refrigerated packaging, along with any necessary supplies, and scheduled to arrive as close to the visit as possible. They are stored in the patient's refrigerator. The nurse arrives at the home and verifies the patient and the pharmaceutical before IV access to administer the pharmaceutical. The nurse remains with the patient during the entire infusion, continuing to monitor the patient vitals and ensure there are no adverse reactions. After the therapy is finished, the nurse will disconnect the IV access and continue to monitor the patient. If any issues arise, the nurse will notify the pharmacist and/or the patient's physician. If necessary, the nurse will continue monitoring the patient for an appropriate time after the administration of the pharmaceuticals is complete.

What is the typical shelf life of infusion medications that are delivered to a patient's home?

RESPONSE: The typical shelf life of infusion medications delivered to the patient's home is less than a week.

15. Item 5C. Licensure, Certification, and Accreditation

Please discuss the full scope of operational support provided to the applicant by its franchisor - Vital Care.
Who accepts referrals and schedules care (corporate or franchisee)?

Who submits and renews authorizations, and who responds if approval is delayed (corporate or franchise)?

Who supplies nurses and retains clinical responsibility?

How are corporate/local handoffs, record access, billing accuracy and unresolved complaints audited?

RESPONSE: Vital Care sets up the basic framework and policies and procedures for operation for each franchisee, but it is up to the franchisee to handle operational control of the pharmacy and HHA. Thus, essentially all operations referenced above are handled at the franchisee level.

What record keeping system will be utilized?

RESPONSE: The record keeping system to be used by the Applicant is called CARETEND.

Who is responsible for reporting to CMS?

RESPONSE: To the extent there is any reporting required to CMS, it will be provided by the Applicant.

Are any of these policies unique to the applicant or are they directly supplied to all Vital Care franchisees?

RESPONSE: The policies provided are not unique to the Applicant but are supplied to all Vital Care Franchisees.

16. Item 5C. Licensure, Certification, and Accreditation

Does the applicant intend to enroll in Medicare Part B as a Qualified Home Infusion Therapy Supplier? If not, please explain.

RESPONSE: The Applicant does not currently plan to enroll in Medicare Part B as a Qualified Home Infusion Therapy Supplier due to the limited reimbursement provided. It will enroll in Medicare Advantage Plans which is a different process. Should reimbursement become more favorable, the Applicant might choose to be so enrolled.

How will the applicant handle referrals for patients who are enrolled in regular Medicare Part B and wish to utilize their home infusion therapy (HIT) benefit which cover nursing visits, caregiver training and patient monitoring?

RESPONSE: The pharmacy will provide the pharmaceuticals, and the home health agency will provide the nursing services at no charge to the patient.

Is the applicant a supplier of infusion related DME for in-home use?

RESPONSE: The Applicant is not a supplier of infusion-related DME for home use; the related pharmacy is.

Based upon the limitations of the Medicare Home Infusion Therapy benefit, what percentage of home infusion therapy visits would be eligible for coverage vs. those that would not be e.g. (anti-infectives).

RESPONSE: The Applicant anticipates that only about 10% of such visits would be eligible for coverage. Most Medicare patients go in person for their infusion therapy treatment. The Medicare Home Infusion Therapy is limited to certain disease states and IVIG patients that have immunology diseased states. The Applicant will provide the services but will not bill for the nursing services provided.

17. Item 5C. Licensure, Certification, and Accreditation

Based on the applicant's franchising agreement with Vital Care please confirm which agency staff or franchising agency staff are responsible for the following: referral intake, prior authorizations, patient scheduling, payer contracting and billing, clinical staffing and clinical staff arrangements, clinical oversight, quality monitoring, inspection or recall history (if an existing pharmacy is adding infusion services), corrective action.

RESPONSE: All of these functions will be provided by the franchisee staff by the director of nursing or nursing staff, intake staff, administrative staff, or pharmacy staff.

18. Item 9C., Charge Comparison

It is noted the projected $620 gross revenue per patient? How many average visits per patient does this represent.

How does this compare to other reported charges per visit by existing HHAs focused on home infusion services in TN?

RESPONSE: These charges are identical to those reported by Sunray and Blueberry in their CON applications. Both of these entities are Vital Care

franchisees.

19. Item 10C., Payor Mix

Under what circumstances will the applicant accept patients for Charity Care?

RESPONSE: The Applicant will evaluate patients for charity care on a case by case basis and generally bases its criteria on the local hospital charity care policy, which is publicly available.

20. Item 7Q., Compliance History

Please address the following if the applicant shares ownership with Dixie Pharmacy-3, LL DBA Dixie Pharmacy, 311 Landrum Pl. Suite 600-A, Clarksville, TN 37043 (license #5866):
https://internet.health.tn.gov/FacilityListings/Home/ViewPDF/1106

RESPONSE: These entities all have common ownership.

21. Item 1N., Criteria and Standards, Criterion 5, Current Service Area Utilization

Please provide the full listing of HHA utilization.

The full list of HHA utilization is attached as Attachment 5 as well as Item 5N which illustrates the Service Area Historical Utilization for Infusion Visits and Hours.

22. Item 1N., Criteria and Standards, Criterion 6, Adequate Staffing

Please discuss how the 4.5 FTE direct care staff will be adequate to provide 24/7 coverage of professional nursing services, remote monitoring and patient education across the 95-county service area.

RESPONSE: The projected FTEs are based on the projected year 1 utilization, which is anticipated to be limited for the most part to the 4 counties identified. As the applicant expands the geographic reach of services, the FTEs will increase accordingly, and they will geographically located in the areas from which the patients are referred.

23. Item 1N., Criteria and Standards, Criterion 7, Community Linkage Plan

Please identify where all the listed referral sources are based. The referral

sources are based in the following counties:

Benton
Cheatham
Cumberland
Davidson
Dickson
Henry
Hickman
Houston
Humphreys
Knox
Lincoln
Macon
Montgomery
Perry
Robertson
Rutherford
Shelby
Smith
Stewart
Sullivan
Sumner
Trousdale
Williamson
Wilson

24. Item 1N., Criteria and Standards, Criterion 8, MCOs.

How many patients are served by the applicant's pharmacy as TennCare patients to date?

Response: The pharmacy has served 14 TennCare patients.

How will TennCare patients be served by the applicant? Will pharmacy services be provided while referring to other home health agencies?

RESPONSE: For TennCare patients, pharmacy services will be provided, and the HHA will provide nursing services at no cost to the patient.

Does the applicant commit to serving patients who are TennCare insured at no charge for home infusion nursing care?

RESPONSE: Any TennCare patients who receive services from the Applicant will not be charged for the home infusion nursing care. The Applicant will monitor any changes in reimbursement by TennCare and should TennCare decide to reimburse for such services, the Applicant may adjust its provision and billing of services accordingly.

25. Item 1N., Criteria and Standards, Criterion 9, Proposed Charges

Please include a comparison of the applicant's proposed charges with other HHA's providing home infusion by average charge per patient, visit and hour.

Attachment 9C – Infusion Therapy Service Provider Charges is attached to both the portal and these responses.

26. Item 1N., Criteria and Standards, Criterion 11, Quality Control and Monitoring

The attached policies for Vital Care are noted. Is any quality measurement data available for franchisees of Vital Care in the state or nationally?

RESPONSE: There is no data available for franchisees that is public; to the extent there is any such data it is proprietary to Vital Care.

Will the applicant report OASIS and HHCAHPS to CMS?

RESPONSE: It is the applicant's understanding that if it is not Medicare certified, such reporting would not be necessary.

What type of additional accreditation will be pursued through ACHC for the applicant's home health agency?

RESPONSE: The pharmacy is accredited for infusion nursing; the applicant anticipates that the HHA will receive the same accreditation.
KEVIN

27. Attachment, Licensed Counties Chart for Each Home Health Agency (Infusion Only)

Revised Licensed Counties for Each Home Health Agency (Infusion ONLY) has been attached to the portal as well as to these responses.

In accordance with Tennessee Code Annotated, §68-11-1607(c) (5), "...If an application is not deemed complete within sixty (60) days after initial written notification is given to the applicant by the Commission staff that the application is deemed incomplete, the application shall be deemed void." **For this application the sixtieth (60th) day after written notification is January 4, 2027. If this application is not deemed complete by this date, the application will be deemed void.** Commission Rule 0720-10-.03(4) (d) (2) indicates that "Failure of the applicant to meet this deadline will result in the application being considered withdrawn and returned to the contact person. Re-submittal of the application must be accomplished in accordance with Rule 0720-10-.03 and requires an additional filing fee." Please note that supplemental information must be submitted timely for the application to be deemed complete prior to the beginning date of the review cycle which the applicant intends to enter, even if that time is less than the sixty (60) days allowed by the statute. The supplemental information must be submitted with the enclosed affidavit, which shall be executed and notarized; please attach the notarized affidavit to the supplemental information.

If all supplemental information is not received and the application officially deemed complete prior to the beginning of the next review cycle, then consideration of the application could be delayed into a later review cycle. The review cycle for each application shall begin on the fifteenth day of the month after the application has been deemed complete by the staff of the Health Facilities Commission. Any communication regarding projects under consideration by the Health Facilities Commission shall be in accordance with T.C.A. ' 68-11-1607(d):

No communications are permitted with the members of the Commission once the Letter of Intent initiating the application process is filed with the Commission.

Communications between Commission members and Commission staff shall not be prohibited. Any communication received by a Commission member from a person unrelated to the applicant or party opposing the application shall be reported to the Executive Director and a written summary of such communication shall be made part of the certificate of need file.

Should you have any questions or require additional information, please do not hesitate to contact this office.

RE: Certificate of Need Application CN2610-023
Dixie Home Health, LLC

Dear Ms. Looney:

This will acknowledge our November 13, 2026, receipt of your supplemental responses for a Certificate of Need for the establishment of a home care organization and the initiation of home health services limited to home infusion services. The project will serve a proposed service area of 95 counties. The address of the project will be 2141 Old Ashland City Road, Clarksville (Montgomery County), Tennessee 37043.

Several items were found which need clarification or additional discussion. Please review the list of questions below and address them as indicated. The questions have been keyed to the application form for your convenience. I should emphasize that an application cannot be deemed complete and the review cycle begun until all questions have been answered and furnished to this office.

Please submit responses electronically by 4:30 p.m., November 14th. If the supplemental information requested in this letter is not submitted by or before this time, then consideration of this application may be delayed into a later review cycle.

2. **Item 1E.., Executive Summary**

Please list the HHAs that Mr. Zepp operates and manages.

RESPONSE:

Mr. Zepp operates and manages Vital Care of Moorestown which has a HHA that operates through the pharmacy but is not a separate entity. In addition, both the Ohio and Kentucky pharmacies listed above are able to provide infusion therapy for homebound patients without being a licensed home health agency.

3. **Item 2E. Rationale for Approval**

Please confirm that the applicant does not have any historical record on the number of referrals that have been sent to existing HHAs or would have been appropriate for referral to a licensed HHA for home infusion care.

RESPONSE: The applicant has not previously tracked such referrals.

Will the applicant be utilizing the same record management system for its home health agency?

RESPONSE: Yes, the applicant will be utilizing the same record management system for its home health agency.

4. Item 6N., Applicant's Historical and Projected Utilization

Who purchased the pharmacy in 2025?

RESPONSE: The current owner of the pharmacy, ALB Infusion Pharma HoldCo LLC purchased the pharmacy in 2025. ALB Infusion Intermediate Co. is the majority owner of ALB Infusion Pharma HoldCo LLC.

5. Item 4C., Human Resources

Please identify the infusion specific training that will be required or provided for direct care staff.

RESPONSE: There are no certifications that are required. The applicant will ensure that the nurses are capable of performing infusion therapy when hired.

Please confirm that all staff will be located in proximity to the four-county service area in Year 1 rather than statewide?

RESPONSE: It is anticipated that the staff will be located in close proximity to the patients. Should the service area include more than the four counties projected, it is possible that additional staff may be contracted and/or hired in those additional counties.

6. Item 5C. Licensure, Certification, and Accreditation

Is the CARETEND system used by all Vital Care franchisees?

RESPONSE: Yes, the CARETEND system is utilized by all Vital Care franchisees.
