

## Tennessee Move Initiative

### Proposer’s Written Questions and Department Responses

Submitted Question	Date/Time Received	Department Response
Can proposals for the “TENNESSEE MOVE INITIATIVE” target a specific subset of Counties within an Institute’s list of designated Counties?	5/16/16 3:49 pm	Proposals for the Tennessee Move Initiative may target a subset of counties within an Institute’s catchment area, however, this approach and rationale for counties targeted must be explained in detail within the proposal.
Do we address the State Coordinator position in an addendum or will that be included in the 10 page submission limit?	5/16/16 1:12 pm	The maximum page limit for the proposal narrative is ten (10) pages. Should a proposer choose to respond to question 2.12, the answer to this question is included in the ten (10) page limit.
The basic grant is 330k, what is the set aside or additional money available for the State Coordinator position? Will that be included in the budget for the grant or as an addendum for the Coordinator?	5/16/16 1:12 pm	The maximum funding amount for this funding opportunity announcement is \$330,000. For proposers pursuing the State Coordinator position, costs associated with this position should fall within the \$330,000 maximum funding amount.
What items would be desirable to include in the “additional supportive documentation”? We are thinking, job descriptions, resume’s for oversight staff here at the center, licensure status, accreditation; copy of the agency P&P as supporting documentation for query about Title	5/16/16 1:12 pm	Additional supportive documentation is any information the proposer may feel is pertinent to their application. Please note additional supportive information is not required, and if submitted will not be scored nor counted towards the overall score of the

Six...		proposal as defined in 1.9.2. Please note the announcement of funding has been revised to provide additional clarity regarding the aforementioned.
How are clients enrolled in the initiative?	5/16/16 4:45 pm	Proposers who are selected to receive funding for the Tennessee Move Initiative are expected to formalize referral processes, including enrollment criterion, in coordination with the targeted Regional Mental Health Institute. The proposer's plan for developing these processes should be reflected in question 2.4 of the proposal narrative.
What is the vision related to placement in the community of those enrolled, i.e. are there pre-determined placements or will the provision of placements be the responsibility of the grantee?	5/16/16 4:45 pm	The Tennessee Move Initiative grantees are expected to work in close coordination/collaboration with Regional Mental Health Institute staff on identifying, securing, and maintaining placements.
