Submitting Specialized Training on the Acadis Portal

Click the “Add Students” button.

You can enter the name (last name, first name) or PSID number in this field to find the attendee. If searching by name, you must type in the last name then put a comma (,) and start typing the first name (this must be the legal first name) in order for the names to start appearing. When the name you want appears, click on that name.

After you have clicked on the name, click the “Add to Roster” button.

Continue adding names until your roster is complete. Do NOT submit one name at a time.

When your roster is complete, click the “View Training Event” button.

Please review the course information and make any changes needed (using the “Edit” buttons).

Adding a Document: Click the “Add a Document” button.

You must fill in the document description. Be as descriptive as possible.

Click the “Choose File” button and find the document on your computer. Double click your document. You can add as many documents as needed.

The only documents required for specialized training is the specialized training substitution form and the certificate. Do not attach the sign-in sheet.

ORDER OF DOCUMENTS: In alphabetical order, place the first officers specialized training substitution form and then the same officer’s certificate. Then under that have the next officer’s form and certificate, etc.

You can scan all documents into one PDF and attach that – there is no need to attach separate documents.

Click the “Done” button.

Once a training event is submitted for approval, editing is prohibited. Please ensure that all information is complete and accurate before clicking the “Submitting for Approval” button.

Once your training has been submitted, it will be either approved or rejected by POST. If rejected, you will receive an email stating the reason. You will then need to resubmit the training with the correction(s) made. If approved, it will list in the “View Submitted Training” section under the “Training & Events” tab.
