

Gary Smith

Employment & Day Coordinator, West

Gary has been employed by the State of TN since 2005, and was contracted to the Arlington Developmental Center in 2001 to oversee the worksites. Prior to his present state employment he had been a DRS Counselor in the early 70's after teaching Psychology at AR State U. He has been a therapist with the Mental Health Ctr. in Covington, TN and Social worker for the hospital that housed the Center. After functioning in those two positions he started the HR Department for the hospital. For 18 years he was in HR for various companies such as Wang's International Family Dollar, Earle Industries, and St. Joseph Hospital (Memphis). Gary has devoted approximately 18 years to working in HR. Additionally, Gary has been associated with an agency that contracted employment services with DRS and the VA. He was responsible for the supervision of the NISH contracts, VA hospital, and the Federal Office Bldg.

His present position is Employment and Day Services for West TN and Coordinator for the From the Heart of TN program.

He and his wife, Polly, have been married for 43 years and have three children and one granddaughter.
