

Old Stone Fort Archaeological Society

August 2013

The Old Stone Fort Archaeological Society will meet **Thursday, August 8th at 6:00 pm** at the Old Stone Fort Museum in Manchester, Tennessee. The purpose of this Society is to learn more about prehistoric Native American cultures and the early historic period of Tennessee. Our meetings are on the second Thursday of each month and are **Free** and open to the public.

Mark Norton

who will present

Archaeology Soup 2013

This month's program will be a compilation of archaeological projects and discoveries that have taken place in Tennessee. This will include both prehistoric and historic sites/artifacts – something for everyone. Also, this time of year a lot of artifacts and other objects are found in vegetable gardens and plowed fields. Some of these items are easily identified while others are not – we will look at several of the more unusual items.

I encourage all to bring in artifacts or unusual rocks to the August meeting. See you Thursday, Mark
