NOTICE OF INTENT TO ISSUE PERMIT
FOR A SOLID WASTE DISPOSAL FACILITY

The Tennessee Department of Environment and Conservation (TDEC), Division of Solid Waste Management (DSWM), has tentatively decided to issue a solid waste disposal facility (**permit or major modification**) to (**name of applicant**) for construction, operation, closure, and post-closure care of (**type of modification, if applicable, or to the existing Class I Landfill**) for the disposal of domestic wastes, commercial wastes, institutional wastes, municipal solid wastes, bulky wastes, landscaping and land clearing wastes, industrial wastes, construction/demolition wastes, farming wastes, shredded automotive tires, dead animals, and special wastes (**or specify what this particular landfill will accept**). Information on specific special wastes received at this landfill may be viewed at (**reference TDEC web site**).

The facility, identified as (**facility ID#**), is located in (**name of county**) County, (**facility physical location**), Tennessee (latitude N **XX°XX'XX"** / longitude W **XX°XX'XX"**). No hazardous wastes, as regulated by the Tennessee Hazardous Waste Management Act (Tennessee Code Annotated, Section 68-212-101, et. seq.) and the Rules adopted pursuant to the Act, shall be accepted for disposal at this facility. The official responsible for operation of the facility is (**name and address of applicant**); telephone: (**phone number of applicant**).

Following an in-depth review of the application, DSWM has made a preliminary determination that this proposal meets the applicable requirements of Tennessee Rule Chapter 1200-1-7, Solid Waste Processing and Disposal. It is the present intent of DSWM, pending consideration of any contrary technical information received during the public comment period ending on (**month, day, year**), that this permit be issued. Copies of the application and associated documents for this proposal may be viewed at the (**name and address of library**); telephone: (**phone number of library**). These materials are also available for public inspection in the Public Access Area at the TDEC (**Name of FO**) Environmental Field Office, (**address of FO**); telephone: (**phone number of FO**).

During the public comment period provided, any interested person may submit written comments on the draft permit and may request a public hearing. A request for a public hearing shall be in writing and shall state the nature of the issues proposed to be raised in the hearing. The public is invited to submit comments in writing to: Mr. Mike Apple, Director, Division of Solid Waste Management, 5th Floor, L&C Tower, 401 Church Street, Nashville, TN 37243-1535; telephone: 615-532-0780. Comments must be received by 4:30 p.m. (**CDT**) on (**day of week, month, day, year**), to assure consideration. After considering all public comments, the DSWM Director will issue a final permit decision and a Response to Comments, which can be viewed at the (**name of library**) or at the TDEC Field Office in (**name of FO**).
