UST Approved Corrective Action Contractors

These companies are approved by the Department of Environment and Conservation, Division of Underground Storage Tanks to conduct and oversee corrective action (fund eligible activities) at petroleum underground storage tank sites as of July 20, 2016.

The appearance of a Corrective Action Contractor (CAC) on the UST Approved CAC List shall in no way establish liability or responsibility on the part of the Division, the Fund, or the State of Tennessee in regards to the service provided by the CAC or circumstances which occur as a result of such service. The list is presented by the Division as a matter of convenience.

The companies listed below were Approved Corrective Action Contractors on the above indicated date. Please call the Tennessee Division of Underground Storage Tanks at 615-532-0945 for information on a company's UST Approved CAC status.
