- **Source of Funding:** FRF Operating Fund
- **Procurement Method:** Negotiated
- **FRF Rate:** \$18.00

**Comment:** This lease space will house 31 employees with the Tennessee Bureau of Investigation (TBI). The space is special and unique because it was built out with features for TBI purposes such as bullet resistant glass, polygraph and interview rooms with one-way glass, and specially constructed secure evidence rooms with metal plated walls. The location also meets the need to be stand alone with secured parking. TBI has received funding to build a new regional headquarters and this location is only needed until the new facility opens in 3 years. Building out a new leased space with these requirements is prohibitively expensive for a 3 year term and makes this incumbent location special and unique under SBC Policy Item 7.01F.2

**SSC Report:** 07/18/2016 Steve Lusk summarized the transaction. Staff referred to Executive Subcommittee for discussion.
