

SWC 3005 Detail/Contact Page
Tablets Contract, Insight/Dell
Edison Contract #44232, Edison Vendor ID #529

These prices are effective November 13, 2014 through November 12, 2018.

The products available on this Insight/Dell Tablet Statewide Contract may be purchased, at the prices indicated, by departments, agencies, commissions, etc. of Tennessee State Government and are also available, at the prices indicated, to non-Tennessee State Government entities such as local government agencies, school systems, etc.

Item IDs in this Statewide Contract may only be used to purchase the items listed in the associated Description column. The peripherals and options under this contract are not to be used for iPads or any Windows-based tablets other than the tablet platforms on this contract. Any other use of the Item IDs by State Agencies violates State of Tennessee purchasing procedures. Any agency found to be in violation of these procedures is subject to administrative sanctions. Any other use of the Item IDs by a Contractor violates the terms and conditions of the Statewide Contract.

FOR STATE AGENCIES ONLY: If Tablet Platform 2 is ordered, it must be authorized by OIR prior to purchase. Orders for products from this contract must be in accordance with the following:

[Workstation Support Consolidation Project, Computer Technology Procurement Policy](#)
