Dear [REDACTED]

Tennessee's Financial Responsibility Law requires motor vehicle owners to maintain proof of liability insurance coverage or a verifiable exemption. The Department of Revenue has developed an online verification system to verify financial responsibility for Tennessee drivers.

### Your insurance status:

While our records indicate that the VIN listed above has an active Tennessee registration, we are unable to verify that insurance coverage is currently in place.

### What to do:

• Go to [www.DriveInsuredTN.com](http://www.DriveInsuredTN.com), select "*Respond to your Notice*", and sign in with the PLATE number and the provided PIN above to access the online form. Please complete and submit the online form within 30 days of the date shown on this correspondence.

- **If you have insurance:**
  - Select "*Verify Insurance*" and complete the online form. You will need **POLICY NUMBER, INSURERS NAIC CODE, and INSURANCE AGENTS CONTACT INFORMATION.**
- **If your vehicle is covered under a commercial policy, self-insured, not used or ownership has changed:**
  - Select "*Provide Affidavit*" and complete the online form.
- **If you do NOT have insurance:**
  - If the vehicle referenced above is not covered by liability insurance and cannot be verified as exempt, you are violating state law.
  - You should immediately obtain liability auto insurance and verify active coverage by completing the online form at [www.DriveInsuredTN.com](http://www.DriveInsuredTN.com).

### If we do NOT hear from you:

- If the additional information in the system is not updated within 30 days to reflect coverage for the vehicle, you will receive additional notices from the Department of Revenue.
- For further information please visit [www.DriveInsuredTN.com](http://www.DriveInsuredTN.com), send us an email at [Insurance.Verification@tn.gov](mailto:Insurance.Verification@tn.gov) or speak to a customer service representative at 615-741-3101, option 2.
