

NOTICE OF AMENDMENT
STATE TRANSPORTATION IMPROVEMENT PROGRAM

The Tennessee Department of Transportation is seeking comments on Amendment #107 and #108 to the 2014-2017 State Transportation Improvement Program.

Amendment #107 is for the amendment of Hardin County project number 1436020 which provides additional Fiscal Year 2015 Surface Transportation Program funds for Right-of-Way (ROW). The project consists of spot improvements from south of Pyburns Drive to north of SR-226 (Airport Road). The termini have been changed to reflect those of the latest plans, "Pyburn Road" has been corrected to "Pyburns Drive", and specific improvements are included under the project description. Total costs have been increased to reflect costs to date, increased ROW funding, and the latest construction estimate. The project is to be let to contract by TDOT.

Amendment #108 is for Hardin County project number 1436030 which provides additional Fiscal Year 2015 National Highway Performance Program funds for construction. The project consists of widening SR-128 from south of Opel Loop to US-64 (SR-15) in Savannah. SR-128 is to be widened from two lanes to a five-lane curb and gutter section with wider outside travel lanes for a shared use path for bicycles. Construction and total cost amounts have been increased to reflect the latest construction estimate. The project is to be let to contract by TDOT.
