Note: the salary schedule as shown above is a draft and does not include any COLA adjustment that may be added at a later date.

Beginning in 2014-15, the MS+30 lane is closed to new participants. Professional personnel employed during 2013-2014 and having MS+30 placement will retain placement on this degree lane.

Beginning in 2014-15, newly hired teachers must have a content area degree to qualify for placement on EDS or EDD lanes. Professional personnel employed during the 2013-2014 year and placed on EDS or EDD lanes will retain the placement. Teachers currently engaged in obtaining an EDS or EDD degree may be eligible for placement on these lanes, provided certain requirements are fulfilled.

See the Differentiated Pay Plan for 2014-2015 for further details on these items.
