Kindergarten

Thank you for your diligence in submitting materials for the Tennessee ELA material review process. The Tennessee Textbook Commission and the Tennessee Department of Education are committed to the strongest outcomes for Tennessee children. As materials were reviewed using the original scoring rubric, your material was flagged for certain indicators. During the re-review process, those flagged indicators were reviewed again using the same scoring rubric and the revised materials and guidance that you submitted. Re-reviews were completed on Sept. 28 and Sept. 29.

This report serves as notice of the results of the re-review. These results will be published on the TDOE textbook website as required by Tennessee Code Annotated.
