Subject: **Class 1 Modification – Update Contingency Plan Emergency Coordinator List Hazardous Waste Management Permits TNHW-155, TNHW-185, and TNHW-189**

By correspondence submitted via certified mail on February 13, 2024, Eastman put into effect a Class 1 modification of supporting documentation referenced by Hazardous Waste Management Permits TNHW-155, TNHW-185, and TNHW-189 (the 'Permits'). The modification consisted of updating information contained in Table 1 of the Contingency Plan, Attachment 6 of each permit. The notifications are made in accordance with Rule 0400-12-01-.07(9)(c)5(i)II, which requires notification of all persons on the facility mailing list within 90 days after the modifications are put into effect.

Questions regarding the processing of the permit modifications can be addressed to Ms. Beverly H. Philpot, Hazardous Waste Program Manager, Tennessee Department of Environment and Conservation, Division of Solid Waste Management, Central Office, 312 Rosa L. Parks Avenue, 14th Floor, Nashville, TN 37243. Ms. Philpot may be reached via telephone at (615) 795-1188 or via electronic mail at Beverly.Philpot@tn.gov.

If you have questions concerning the permits or the modifications, you may contact Keith Harris with Eastman at (423) 229-3926, via electronic mail at jkharris@eastman.com or by USPS mail at Keith Harris, Eastman Chemical Company, P. O. Box 1973, B-284, 4th Floor, Kingsport, Tennessee, 37662.
