

# PRESCRIBED FIRE

... IS GOOD FIRE

6401  
10F9

**Like a doctor prepares a prescription for a patient** for specific results, a **prescribed fire** has a science-based prescription prepared for it.

## WHAT IS IT?

**Prescribed fire** is the use of fire to meet a specific objective, using a specific plan, to restore or maintain the health of a specific ecosystem. The prescription includes specific weather and fuel conditions required to carry out the fire.
