

Ensuring the protection and safety of
Tennesseans with intellectual disabilities

protection
from harm

The welfare of Tennesseans with intellectual disabilities is paramount to DIDD and its providers. DIDD fosters respect for the persons it supports, and ensures their safety and protection.

The DIDD Protection from Harm East Regional Investigative Unit conducts internal administrative reviews into allegations of abuse, neglect, exploitation, unexplained serious injuries and questionable or suspicious deaths.

DIDD and its providers work to achieve healthy, secure and meaningful lives for Tennesseans with intellectual disabilities. Nothing less is expected, nothing less is accepted.

If you suspect abuse, neglect or exploitation of a person with intellectual disabilities, contact the Department of Intellectual and Developmental Disabilities(DIDD) East Regional Investigative Unit.
