

CONDUCTING BUSINESS WITH TDOT

CIVIL RIGHTS OFFICE
SMALL BUSINESS DEVELOPMENT PROGRAM

Statement of Commitment

- The DBE program is intended to remedy past and current discrimination against disadvantaged business enterprises, to ensure a “level playing field,” on which DBEs can compete fairly for contracts.

DBE Program

What is the program?

This program was developed by the Federal Highway Administration and is administered by the Tennessee Department of Transportation Civil Rights Office Small Business Development Program to encourage minority, female and other disadvantaged firms to work in the highway/bridge industry. Both state and federal construction projects and monies are included in it.

Who can qualify as a DBE?

Owners must possess the expertise to control the daily operations and management of the firm.

Owners must be able to show ownership of at least 51% of the firm through real and substantial investments of capital.

Owners' net worth must not exceed \$750,000. (excluding personal residence and stock/ownership in the potential DBE firm).

Call the Small Business Development Program in Nashville at (615) 741-8881 or 1-888-370-3647 for further information or check our web-site @:

How to Comply With DBE Utilization Requirements

TDOT's Special Provision (SP) 1247 requires contractors to make an effort to use DBEs for subcontracts or suppliers on federal-aid contracts. TDOT tracks usage & reports to Federal Highway Administration (FHWA) & the Commissioner of TDOT. Prime contractors have an obligation to make every effort in complying w/ intent when awarded goal projects.

DBE/TNUCP Online Directory

Welcome to the Tennessee Uniform Certification Program (TNUCP) Disadvantaged Business Enterprise (DBE) Directory. This website provides a directory of DBE and Airport Concessionaire Disadvantaged Business Enterprise (ACDBE) companies that are certified to conduct business in the state of Tennessee. Companies may be searched for by Federal NAICS Code(s), the type of work performed, and keywords associated with the type of work they do.

We hope you find the site informative, helpful and easy to use.
