Write your final composition here.

1976 taht is win mi dad wuz a liev
and I mes taht ne win dad wuz a liev naol bkezy
I Love nem so mut taht I saud taht nen
wuz a liev to Day and min mem mued be hepey to Day
and I mued be hepey to Day to Love min dad to Day
and I cued be so so so hepey if min dad muz eruy.
to Day and taht is thx n.

Essay #1
Score Point: 1

This essay demonstrates fundamental deficiencies in expository writing skills. The response addresses the prompt by providing a date in time to which the writer would like to travel (1976). The response contains serious and persistent spelling errors that cause the writing to be virtually incoherent. In addition, repetitious phrases negate any perceived development.
