

COMPLIANCE ASSURANCES FOR USE OF IDEA FUNDS

The applicant hereby certifies to the Commissioner of Education that the representation made in this application properly reflects the projected pupils, personnel, and expenditures to be incurred in the operation of the special education program for pupils with disabilities conducted within the school system, that the expenditures for services and goods will be made exclusively for the benefit of pupils which meet the eligibility criteria established by the Department of Education, and that personnel assignments and other documentation of expenses will be readily available for audit. All records necessary to ensure the correctness of the information provided by the agency will be kept five years beyond the final reporting date and access to such records will be provided to the State Department of Education.

The Local Education Agency (LEA) hereby assures the State Education Agency (SEA) that the LEA meets each of the following conditions:

1. Special Education and Related Services will be provided in compliance with the established Tennessee Rules, Regulations & Minimum Standards.
2. The LEA, in providing for the education of children with disabilities within its jurisdiction, has in effect policies, procedures, and programs that are consistent with the State policies and procedures established under §612.

 - b. The LEA has established a goal of providing full educational opportunity to all children with disabilities and a detailed timetable for accomplishing that goal. 612(a) (2)
 - c. All children with disabilities residing in the LEA, including children with disabilities who are homeless children, or are wards of the State, and children with disabilities attending private schools within the LEAs jurisdiction, regardless of the severity of their disabilities, and who are in need of special education and related services, are identified, located and evaluated and a practical method is developed and implemented to determine which children with disabilities are currently receiving needed special education and related services. 612(a) (3)
 - d. An individualized education program (IEP), or an individualized family service plan (IFSP), that meets the requirements of section 636(d), is developed, reviewed and revised for each child with a disability in accordance with section 614(d). 612(a) (4)
 - e. To the maximum extent appropriate, children with disabilities, including children in public or private institutions or other care facilities, are educated with children who are not disabled. Special classes, separate schooling, or other removal of children with disabilities from the regular educational environment occurs only when the nature or severity of the disability of a child is such that education in regular classes with the use of supplementary aids and services cannot be achieved satisfactorily. 612(a) (5) (A)
 - f. Children with disabilities and their parents are afforded the procedural safeguards required by §615. 612(a) (6)
 - g. Children with disabilities are evaluated in accordance with subsections (a) through (c) of § 614. 612(a) (7)

 - m. LEA: Cleveland City Schools

3. The LEA shall provide the SEA with information necessary to enable the SEA to carry out its duties under this part, including, with respect to Sections 612(a) (15) and 612 (a) (16), information relating to the performance of children with disabilities participating in programs carried out under this part. 613(a) (7)

6. Subject to section 613(b) (3), the LEA application submitted to the SDE shall remain in effect until the LEA submits to the SDE such modifications as the LEA determines necessary. 613(b) (2)
7. Ensure that all requirements under §613(a) (5) regarding treatment of Charter Schools and their students are being carried out in a manner consistent with the statute.
8. Children with disabilities served with IDEA funds shall be counted in the same manner as children without disabilities to supplement the academic program funds earned and paid from the Basic Education Program. TRR&MS 0520-1-9-.03 (3) (a)
9. Funds provided under IDEA will be used to pay the excess cost of providing special education and related services to children with disabilities; shall be used to supplement the State, Local and other Federal funds and not to supplant such funds; and shall not be used, except as provided in §613(a) (2) (B)-(C) to reduce the level of expenditures. §613(a) (2) (A) and §612(a) (17), TRR&MS 0520-1-9-03(2) (k) (4)
10. According to Rule 0520-1-9-14(6) (a), procedures for providing an independent education evaluation (IEE) upon parental request have been submitted and approved to the Department of Education. Any future revision to the IEE procedure will be submitted to the Department for approval.

There have been no changes since the original submission. (The State will review LEA caseload and class size standards for compliance.) Any future LEA updates or revisions will be submitted to the Division of Special Education for approval and for reference purposes.
12. Children with disabilities served with IDEA funds have at least the same average amount spent on them, from sources other than Part B, as do the children in the school system taken as a whole. TRR&MS 0520-1-9-.03 (3) (a) (b)
13. Eligibility as a child with a disability pursuant to the IDEA and state disability eligibility standards will be established prior to expenditure of IDEA Part B funds for implementation of school nurse or school health services pursuant to 34 C.F.R. §300.34(c)(13).
14. Children with healthcare needs or medical conditions of a short duration, temporary nature, or medical conditions that require infrequent school nurse or school health services, and whose educational performance is not adversely affected by such healthcare needs or medical conditions, will not be certified as eligible pursuant to IDEA and state disability eligibility standards for the purpose of accessing IDEA Part B funds to provide school nurse or school health services for such children.
15. Prior to including school nurse or school health services in an Individualized Education Program (IEP), an IEP Team will determine that the child needs school nurse or school health services to benefit from his or her education and thereby receive FAPE. In making this determination, the IEP Team will consider the child's educational progress.
16. School nurse or school health services will not be included as related services in instances where an IDEA eligible child's healthcare needs or medical condition do not affect his or her educational performance or the receipt of FAPE.

C. FINANCIAL INFORMATION

1. PERMISSIVE USE OF FUNDS

AFTER reading the requirements on the corresponding form, you must answer **yes** or **no** to each of the following items (A, B, and C). Any **yes** response requires completion of a corresponding form that follows. If **no** is answered on all three items, continue completing the application and disregard the attached forms for these permissive programs.

Yes No **A. Adjustment to Local Effort in Certain Fiscal Years.** IDEA 04 allows an LEA to reduce state and local maintenance of effort by an amount that equals up to 50% of the increase in IDEA funds from the previous year if those funds are used to provide activities authorized under ESEA. If the LEA wishes to reduce MOE, it must use the attached form to calculate the maximum amount available for this purpose (Page 5A) and indicate how these funds will be used (Page 4A(1)).

There are limitations to this adjustment. Any LEA identified as not meeting requirements in the State's APR, is prohibited by law from reducing its maintenance of effort figures.

Yes No **B. Permissive Use of IDEA funds for Schoolwide Program.** IDEA allows an LEA to use funds to carry out a schoolwide program under Section 1114 of ESEA. If an applicant utilizes these funds, you will report the designated amount for each school and ensure that excess cost and service requirements are met. *(Use form on Page 4B)*

Yes No **C. Permissive Use of IDEA funds for Coordinated Early Intervening Services.** IDEA allows an LEA to use up to 15% of funds, in combination with other amounts (other than education funds), to develop and implement Coordinated Early Intervening Services, which may include interagency financing structures, for students in kindergarten through grade 12 (with particular emphasis on students in kindergarten through grade 3) who have **not been identified** as needing special education or related services but who need additional academic and behavioral **support to succeed in a general education environment.** *(Use form on Page 4C) If the LEA is also electing to reduce local effort.*

NOTE: If an LEA is determined to have significant disproportionality based on race and ethnicity utilizing state criteria, the LEA must utilize Coordinated Early Intervening Services (Section 618 (d) (2) (B)). The amount expended by an LEA under Coordinated Early Intervening Services shall count toward the maximum amount of expenditures such LEAs may reduce in Item "A" *Adjustment to Local Effort* (above).

If an applicant utilizes these funds, the calculations must be shown on the corresponding forms.
