

PUBLIC NOTICE

A Public Hearing for the purpose of receiving comments on the draft Title V operating permit 561481 for Heraeus Metal Processing, LLC will be held at **6:00 p.m. on January 25, 2011, at the Morgan County Courthouse, Main Court Room, Wartburg, Tennessee 37887.** This opportunity for public participation is a legal requirement of the 1990 Clean Air Act.

Heraeus Metal Processing, LLC has applied to the Tennessee Air Pollution Control Division (TAPCD) for a major source-operating permit subject to the provisions of paragraph 1200-03-09-.02(11) of the Tennessee Air Pollution Control Regulations (also frequently referred to as Title V regulations). A major-source (Title V) operating permit is required by both the Federal Clean Air Act and the Tennessee Air Pollution Control Regulations.

The applicant is Heraeus Metal Processing, LLC with a site address of 1975 Knoxville Highway, Wartburg, TN, 37887. They seek to obtain a major source-operating permit for a precious metals reclamation facility. However, it should be noted that this facility has current state permits.

A copy of the application materials used by the TAPCD and a copy of the draft permit are available for public inspection during normal business hours at the following locations:

Wartburg Public Library
514 Spring Street
Wartburg, TN 37887-0366

Tennessee Department of Environment and Conservation
Division of Air Pollution Control

Interested parties are invited to review these materials and comment. To be considered, oral comment may be presented at the hearing, while written comments must be received by close of the comment period. The close of the comment period will be announced during the public hearing for record. Written comment may be accepted during the hearing and/or addressed to **Mr. Barry R. Stephens, P.E., Director, Air Pollution Control Division, 9th Floor, L & C Annex, 401 Church Street, Nashville, Tennessee 37243-1531.** Questions concerning the source may be addressed to Doug Warden at the same address or by calling (615)-532-0621. A final determination will be made after weighing all relevant comments.

Individuals with disabilities who wish to review information maintained at the above-mentioned depositories should contact the Tennessee Department of Environment and Conservation to discuss any auxiliary aids or services needed to facilitate such review. Such contact may be in person, by writing, telephone, or other means, and should be made no less than ten days prior to the end of the public comment period to allow time to provide such aid or services. Contact the Tennessee Department of Environment and Conservation ADA Coordinator, 12th Floor, 401 Church Street, Nashville, TN 37243, 1-(866)-253-5827. Hearing impaired callers may use the Tennessee Relay Service, 1-(800)-848-0298.
