EPA ID NUMBER (TNO 21 002 0582)

For more information, contact Mrs. Jacqueline E. Arnold, Environmental Manager, American Ordnance LLC (AO), Milan Army Ammunition Plant (MLAAP) at (731) 686-6146. MLAAP is located at 2280 Highway 104 West, Suite 1, Milan, Tennessee 38358-3176.

Milan, Tennessee – MLAAP currently stores hazardous waste generated from onsite manufacturing operations in addition to waste munitions received from offsite Department of Defense (DOD) facilities and DOD contractors. Hazardous waste is stored in containers in sixteen (16) permitted locations at MLAAP. MLAAP has operated the hazardous waste container storage units according to Permit requirements and Tennessee Hazardous Waste Management Regulations (THWMR) with no deficiencies in over ten (10) years. Site compliance records are available for review at MLAAP.

AO will hold a Public Meeting to discuss the renewal of MLAAP's existing Hazardous Waste Container Storage Permit #TNHW-104. The Public Meeting has been scheduled for September 30, 2010, at 6:00 PM at the Milan Senior Citizen's Center, 1075-B East Van Hook Street, Milan, Tennessee. Representatives from MLAAP will be present to answer any question(s) concerning the Hazardous Waste Container Storage Permit renewal.

MLAAP will accept both oral and written comments concerning the Hazardous Waste Container Storage Permit renewal. Also, written and oral comments may be presented at the Public Meeting. Oral and written comments received at the Public Meeting concerning the Hazardous Waste Container Storage Permit renewal will be included in the Part B Hazardous Waste Container Storage Permit renewal application. Written comments should be addressed to:
