

NOTICE OF PUBLIC MEETING

Velsicol Chemical LLC (Velsicol)

Application for Renewal of Permit Number TNHW-105

U.S. EPA ID No. TND 06 131 4803

Velsicol Chemical LLC will conduct a public meeting to provide information regarding an application for renewal of hazardous waste permit number TNHW-105. The permit, which was originally issued by the Tennessee Department of Environment and Conservation, Division of Solid Waste Management on September 28, 2001, will allow Velsicol to continue management of solid waste management units (SWMUs) and areas of concern under a Resource Conservation and Recovery Act (RCRA) Corrective Action Program. The facility was operated as a chemical manufacturing plant until 2007 and has undergone demolition to remove manufacturing equipment. The physical location and address of the facility is 4902 Central Avenue, Chattanooga, Tennessee 37410. Additional information on Velsicol's Corrective Action Program is available at the South Chattanooga Branch Library, 925 W. 39th Street, Chattanooga, TN 37410.

The meeting will be held on June 13, 2011 at 5:30 p.m. at the South Chattanooga Recreation Center at 1151 W. South 40th Street, Chattanooga, TN 37410. This facility is accessible to the physically challenged. Anyone requiring additional special access to participate in the meeting should telephone Mr. Gary Hermann at (901) 323-6226, ext. 120 at least 72-hours prior to the meeting. Any questions regarding the meeting should be directed to Gary Hermann, Sr. Environmental Projects Manager, Velsicol's Memphis Environmental Center, Inc., 1199 Warford St., Memphis, TN 38108.
