Notice Date:
June 7, 2011

Expiration Date:
July 7, 2011

Pursuant to Chapter 1200-4-7 of the Department's rules, the proposed activity described below has been submitted for approval under an Aquatic Resource Alteration Permit (this also includes §401 Water Quality Certifications). This notice is intended to inform interested parties of this permit application and to ask for comments and information necessary to determine possible impacts to water quality. No decision has been made whether to issue or deny this application.

APPLICANT: Ricky Troutt
 457 Keen Hollow Road
 Westmoreland, Tennessee 37186
 615-888-2907

LOCATION: Three sites in Sumner County. Site # 1 TND0001101 - Middle Fork Drakes Creek N 36.60394 W 86.32894; Site # 2 TND0001102 - Dutch Creek N 36.61264 W 86.32571; Site # 3 TND0001103 - Middle Fork Drakes Creek N 36.59251 W 86.33273.

PROJECT DESCRIPTION / PURPOSE: The applicant is requesting a §401 water quality certification that would authorize instream gravel mining. Gravel mining would be done on an as needed basis for both personal use and resale. The applicant proposes to follow gravel dredging guidelines; i.e., leave a berm of at least ten feet between the excavation and the water and no excavation deeper than the adjacent water surface.

DETERMINATIONS: In accordance with the Tennessee's water quality standards, the division has determined that the proposed activity will result in degradation.

PERMIT COORDINATOR: Robert Baker

FACTORS CONSIDERED: In deciding whether to issue or deny a permit, the department will consider all comments of record and the requirements of applicable federal and state laws. In making this decision, a determination will be made regarding the lost value of the resource compared to the value of any proposed mitigation. The department shall consider practicable alternatives to the alteration. The department shall also consider loss of waters or habitat, diminishment in biological diversity, cumulative or secondary impacts to the water resource, and adverse impact to unique, high quality, or impaired waters.

COMMENTING: Persons wishing to comment on the proposal are invited to submit written comments to the department. Written comments must be received within **thirty days of the date that this notice is posted**. Comments will become part of the record and will be considered in the final decision. The applicant's name and permit number should be referenced. Send all written comments to the department's address listed below and to the attention of the permit coordinator.

PUBLIC HEARING: Interested persons may request in writing that the department hold a public hearing on this application. The request must be filed within the comment period, indicate the interest of the person requesting it, the reasons that the hearing is warranted, and the water quality issues being raised. When there is sufficient public interest in water quality issues, the department will hold a public hearing. Send all public hearing request to the department's address listed below and to the attention of the permit coordinator.

FILE REVIEW: The permit application, supporting documentation including detailed plans and maps, and related comments are available at the department's address (listed below) for review and/or copying.
