1. INTRODUCTION

The State of Tennessee, Department of Education, hereinafter referred to as “the State,” has issued this Request for Proposals (RFP) to define minimum service requirements; solicit proposals; detail proposal requirements; and, outline the State’s process for evaluating proposals and selecting a contractor to provide the needed service.

Through this RFP, the State seeks to buy the best services at the most favorable, competitive prices and to give ALL qualified businesses, including those that are owned by minorities, women, persons with a disability, and small business enterprises, opportunity to do business with the state as contractors and sub-contractors.

1.1. Statement of Procurement Purpose

To provide a comprehensive, high school level reading program and personnel training for Alvin C. York Agricultural Institute (State Special High School) located in Jamestown, Tennessee. This program is needed to improve student communication skills and help improve student scores on the ACT which is required for all students planning to graduate in 2011 and beyond.

1.2. Scope of Service, Contract Period, & Required Terms and Conditions

The RFP Attachment 6.6., *Pro Forma* Contract details the State’s required:

- Scope of Services and Deliverables (Section A);
- Contract Period (Section B);
- Payment Terms (Section C);
- Standard Terms and Conditions (Section D); and,
- Special Terms and Conditions (Section E).

The *pro forma* contract substantially represents the contract document that the successful Proposer must sign.

1.3. Nondiscrimination

No person shall be excluded from participation in, be denied benefits of, or be otherwise subjected to discrimination in the performance of a Contract pursuant to this RFP or in the employment practices of the Contractor on the grounds of disability, age, race, color, religion, sex, national origin, or any other classification protected by federal, Tennessee state constitutional, or statutory law. The Contractor pursuant to this RFP shall, upon request, show proof of such nondiscrimination and shall post in conspicuous places, available to all employees and applicants, notices of nondiscrimination.

The State assumes no responsibility for delays or delivery failures resulting from the method of dispatch. - 1.4.6. The State will convey all official responses and communications related to this RFP to the potential proposers from whom the State has received a Notice of Intent to Propose (refer to RFP Section 1.7).

- 1.6.3. Protests based on any objection shall be considered waived and invalid if the objection has not been brought to the attention of the State, in writing, by the Written Comments Deadline.

1.7. **Notice of Intent to Propose**

Before the Notice of Intent to Propose Deadline detailed in the RFP Section 2, Schedule of Events, potential proposers should submit to the RFP Coordinator a Notice of Intent to Propose (in the form of a simple e-mail or other written communication). Such notice should include the following information:

- the business or individual’s name (as appropriate)
- a contact person’s name and title
- the contact person’s mailing address, telephone number, facsimile number, and e-mail address

1.8. **Proposal Deadline**

A Proposer must ensure that the State receives a proposal no later than the Proposal Deadline time and date detailed in the RFP Section 2, Schedule of Events. A proposal must respond, as required, to this RFP (including its attachments) as may be amended. 3. PROPOSAL REQUIREMENTS

3.1. Proposal Form

A response to this RFP must consist of two parts, a Technical Proposal and a Cost Proposal.

- 3.1.1. **Technical Proposal.** The RFP Attachment 6.2., Technical Proposal & Evaluation Guide details specific requirements for making a Technical Proposal in response to this RFP. The guide includes mandatory requirement items, general qualifications and experience items, and technical qualifications, experience, and approach items all of which must be addressed with a written response and, in some instances, additional documentation.

NOTICE: A technical proposal must not include any pricing or cost information. If any pricing or cost information amounts of any type (even pricing relating to other projects) is included in any part of the technical proposal, the state will deem the proposal to be non-responsive and reject it.

- 3.1.1.1. A Proposer must use the RFP Attachment 6.2., Technical Proposal & Evaluation Guide to organize, reference, and draft the Technical Proposal by duplicating the attachment, adding appropriate proposal page numbers as required, and using the guide as a table of contents covering the Technical Proposal.
- 3.1.1.2. A proposal should be economically prepared, with emphasis on completeness and clarity. A proposal, as well as any reference material presented, must be written in English and must be written on standard 8 ½" x 11" pages (although oversize exhibits are permissible). All proposal pages must be numbered.
- 3.1.1.3. All information and documentation included in a Technical Proposal should respond to or address a specific requirement detailed in the RFP Attachment 6.2., Technical Proposal & Evaluation Guide. All information must be incorporated into a response to a specific requirement and clearly referenced. Any information not meeting these criteria will be deemed extraneous and will not contribute to evaluations.
- 3.1.1.4. The State may determine a proposal to be non-responsive and reject it if:
- a. the Proposer fails to organize and properly reference the Technical Proposal as required by this RFP and the RFP Attachment 6.2., Technical Proposal & Evaluation Guide; or
 - b. the Technical Proposal document does not appropriately respond to, address, or meet all of the requirements and proposal items detailed in the RFP Attachment 6.2., Technical Proposal & Evaluation Guide.
- 3.1.2. **Cost Proposal.** A Cost Proposal must be recorded on an exact duplicate of the RFP Attachment 6.3., Cost Proposal & Scoring Guide.

NOTICE: If a proposer fails to submit a cost proposal exactly as required, the state will deem the proposal to be non-responsive and reject it.

- 3.1.2.1. A Proposer must only record the proposed cost exactly as required by the RFP Attachment 6.3., Cost Proposal & Scoring Guide and must NOT record any other rates, amounts, or information.

3.1.2.2. The proposed cost shall incorporate ALL costs for services under the contract for the total contract period.

3.1.2.3. A Proposer must sign and date the Cost Proposal.

3.1.2.4. A Proposer must submit the Cost Proposal to the State in a sealed package separate from the Technical proposal (as detailed in RFP Sections 3.2.3., *et seq.*).

3.2. **Proposal Delivery**

A Proposer must deliver a proposal in response to this RFP as detailed below. The State will not accept a proposal delivered by any other method.

3.2.1. A Proposer must ensure that both the original Technical Proposal and Cost Proposal documents meet all form and content requirements detailed within this RFP for such proposals including but not limited to required signatures.

3.2.2. A Proposer must submit original Technical Proposal and Cost Proposal documents and copies as specified below.

3.2.2.1. One (1) original Technical Proposal paper document labeled:

“RFP # 33190-00910 TECHNICAL PROPOSAL ORIGINAL”

and five (5) copies of the Technical Proposal each in the form of one (1) digital document in “PDF” format properly recorded on its own otherwise blank, standard CD-R recordable disc labeled:

“RFP # 33190-00910 TECHNICAL PROPOSAL COPY”

The digital copies should not include copies of sealed customer references, however any other discrepancy between the original Technical Proposal document and the digital copies may result in the State rejecting the proposal as non-responsive.

3.2.2.2. One (1) original Cost Proposal paper document labeled:

“RFP # 33190-00910 COST PROPOSAL ORIGINAL”

and one (1) copy in the form of a digital document in “PDF” format properly recorded on separate, blank, standard CD-R recordable disc labeled:

“RFP # 33190-00910 COST PROPOSAL COPY”

In the event of a discrepancy between the original Cost Proposal document and the digital copy, the original, signed document will take precedence.

3.2.3. A Proposer must separate, seal, package, and label the documents and discs for delivery as follows.

3.2.3.1. The Technical Proposal original document and copy discs must be placed in a sealed package that is clearly labeled:

“DO NOT OPEN... RFP # 33190-00910 TECHNICAL PROPOSAL FROM [PROPOSER LEGAL ENTITY NAME]”

3.2.3.2. The Cost Proposal original document and copy disc must be placed in a separate, sealed package that is clearly labeled:

“DO NOT OPEN... RFP # 33190-00910 COST PROPOSAL FROM [PROPOSER LEGAL ENTITY NAME]”

3.2.3.3. The separately, sealed Technical Proposal and Cost Proposal components may be enclosed in a larger package for mailing or delivery, provided that the outermost package is clearly labeled:

“RFP # 33190-00910 SEALED TECHNICAL PROPOSAL & SEALED COST PROPOSAL FROM [PROPOSER LEGAL ENTITY NAME]”

3.2.4. A Proposer must ensure that the State receives a proposal in response to this RFP no later than the Proposal Deadline time and date detailed in the RFP Section 2, Schedule of Events at the following address.

3.3. Proposal & Proposer Prohibitions

- 3.3.1. A proposal must not include the Proposer’s own contract terms and conditions. If a proposal contains such terms and conditions, the State, at its sole discretion, may determine the proposal to be a non-responsive counteroffer and reject it.
- 3.3.2. A proposal must not restrict the rights of the State or otherwise qualify either the offer to deliver services as required by this RFP or the Cost Proposal. If a proposal restricts the rights of the State or otherwise qualifies either the offer to deliver services as required by this RFP or the Cost Proposal, the State, at its sole discretion, may determine the proposal to be a non-responsive counteroffer and reject it.
- 3.3.3. A proposal must not propose alternate services (*i.e.*, offer services different from those requested and required by this RFP). The State will consider a proposal of alternate services to be non-responsive and reject it.
- 3.3.4. A Cost Proposal must not result from any collusion between Proposers. The State will reject any Cost Proposal that was not prepared independently without collusion, consultation, communication, or agreement with any other Proposer. Regardless of the time of detection, the State will consider any such actions to be grounds for proposal rejection or contract termination.
- 3.3.5. A Proposer must not provide, for consideration in this RFP process or subsequent contract negotiations, incorrect information that the Proposer knew or should have known was materially incorrect. If the State determines that a Proposer has provided such incorrect information, the State will deem the Proposer’s proposal non-responsive and reject it.
- 3.3.6. A Proposer must not submit more than one Technical Proposal and one Cost Proposal in response to this RFP. If a Proposer submits more than one Technical Proposal or more than one Cost Proposal, the State will deem all of the proposals non-responsive and reject them.

3.3.7. A Proposer must not submit a proposal as a prime contractor while also permitting one or more other Proposers to offer the Proposer as a subcontractor in their own proposals. Such may result in the disqualification of all Proposers knowingly involved. This restriction does not, however, prohibit different Proposers from offering the same subcontractor as a part of their proposals (provided that the subcontractor does not also submit a proposal as a prime contractor).

3.3.8. A Proposer must not be (and the State will not award a contract to):

- a. an individual who is, or within the past six months has been, an employee or official of the State of Tennessee;
- b. a company, corporation, or any other contracting entity in which an ownership of two percent (2%) or more is held by an individual who is, or within the past six months has been, an employee or official of the State of Tennessee (this will not apply either to financial interests that have been placed into a "blind trust" arrangement pursuant to which the employee does not have knowledge of the retention or disposition of such interests or to the ownership of publicly traded stocks or bonds where such ownership constitutes less than 2% of the total outstanding amount of the stocks or bonds of the issuing entity);
- c. a company, corporation, or any other contracting entity which employs an individual who is, or within the past six months has been, an employee or official of the State of Tennessee in a position that would allow the direct or indirect use or disclosure of information, which was obtained through or in connection with his or her employment and not made available to the general public, for the purpose of furthering the private interest or personal profit of any person; or,
- d. any individual, company, or other entity involved in assisting the State in the development, formulation, or drafting of this RFP or its scope of services (such person or entity being deemed by the State as having information that would afford an unfair advantage over other Proposers).

For the purposes of applying the requirements of this RFP subsection 3.3.8., the State will deem an individual to be an employee or official of the State of Tennessee until such time as all compensation for salary, termination pay, and annual leave has been paid.

3.4. **Proposal Errors & Revisions**

A Proposer is liable for any and all proposal errors or omissions. A Proposer will not be allowed to alter or revise proposal documents after the Proposal Deadline time and date detailed in the RFP Section 2, Schedule of Events unless such is formally requested, in writing, by the State.

3.5. **Proposal Withdrawal**

A Proposer may withdraw a submitted proposal at any time before the Proposal Deadline time and date detailed in the RFP Section 2, Schedule of Events by submitting a written request signed by an authorized Proposer representative. After withdrawing a proposal, a Proposer may submit another proposal at any time before the Proposal Deadline.

3.6. **Proposal of Additional Services**

If a proposal offers services in addition to those required by and described in this RFP, the State, at its sole discretion, may add such services to the contract awarded as a result of this RFP. Notwithstanding the foregoing, a Proposer must not propose any additional cost amount(s) or rate(s) for additional services. Regardless of any additional services offered in a proposal, the Proposer's Cost Proposal must only record the proposed cost as required in this RFP and must not record any other rates, amounts, or information.

NOTICE: If a Proposer fails to submit a Cost Proposal exactly as required, the State will deem the proposal non-responsive and reject it.

3.7. Proposal Preparation Costs

The State will not pay any costs associated with the preparation, submittal, or presentation of any proposal.

4. GENERAL CONTRACTING INFORMATION & REQUIREMENTS

4.1. RFP Amendment

The State reserves the right to amend this RFP at any time, provided that it is amended in writing. However, prior to any such amendment, the State will consider whether it would negatively impact the ability of potential proposers to meet the proposal deadline and revise the RFP Schedule of Events if deemed appropriate. If an RFP amendment is issued, the State will convey it to potential proposers who submitted a Notice of Intent to Propose (refer to RFP Section 1.7). A proposal must respond, as required, to the final RFP (including its attachments) as may be amended.

4.2. RFP Cancellation

The State reserves the right, at its sole discretion, to cancel or to cancel and reissue this RFP in accordance with applicable laws and regulations.

4.3. State Right of Rejection

4.3.1. Subject to applicable laws and regulations, the State reserves the right to reject, at its sole discretion, any and all proposals.

4.3.2. The State may deem as non-responsive and reject any proposal that does not comply with all terms, conditions, and performance requirements of this RFP. Notwithstanding the foregoing, the State reserves the right to waive, at its sole discretion, a proposal's minor variances from full compliance with this RFP. If the State waives variances in a proposal, such waiver shall not modify the RFP requirements or excuse the Proposer from full compliance with such, and the State may hold any resulting Contractor to strict compliance with this RFP.

4.4. Assignment & Subcontracting

4.4.1. The Contractor may not subcontract, transfer, or assign any portion of the Contract awarded as a result of this RFP without prior approval of the State. The State reserves the right to refuse approval, at its sole discretion, of any subcontract, transfer, or assignment.

4.4.2. If a Proposer intends to use subcontractors, the proposal in response to this RFP must specifically identify the scope and portions of the work each subcontractor will perform (refer to RFP Attachment 6.2., Section B, General Qualifications & Experience Item B.14.).

4.4.3. Subcontractors identified within a proposal in response to this RFP will be deemed as approved by the State unless the State expressly disapproves one or more of the proposed subcontractors prior to signing the Contract.

4.4.4. The Contractor resulting from this RFP may only substitute another subcontractor for a proposed subcontractor at the discretion of the State and with the State's prior, written approval.

4.4.5. Notwithstanding any State approval relating to subcontracts, the Contractor resulting from this RFP will be the prime contractor and will be responsible for all work under the Contract.

4.5. Right to Refuse Personnel

The State reserves the right to refuse, at its sole discretion and notwithstanding any prior approval, any personnel of the prime contractor or a subcontractor providing service in the performance of a contract resulting from this RFP. The State will document in writing the reason(s) for any rejection of personnel.

4.6. Insurance

At any time, the State may require the Contractor resulting from this RFP to provide a valid, Certificate of

Insurance indicating current insurance coverage meeting minimum requirements as may be specified by this RFP. A failure to provide said documentation will be considered a material breach and grounds for contract termination.

4.7. **Licensure**

4.7.1. All persons, agencies, firms, or other entities that provide legal or financial opinions, which a Proposer provides for consideration and evaluation by the State as a part of a proposal in response to this RFP, shall be properly licensed to render such opinions.

4.7.2. Before the Contract resulting from this RFP is signed, the apparent successful Proposer (and Proposer employees and subcontractors, as applicable) must hold all necessary, appropriate business and professional licenses to provide service as required. The State may require any Proposer to submit evidence of proper licensure.

4.8. **Disclosure of Proposal Contents**

4.8.1. Each proposal and all materials submitted to the State in response to this RFP become the property of the State of Tennessee. Selection or rejection of a proposal does not affect this right. By submitting a proposal, a Proposer acknowledges and accepts that the full proposal contents and associated documents will become open to public inspection in accordance with the laws of the State of Tennessee.

4.8.2. The State will hold all proposal information, including both technical and cost information, in confidence during the evaluation process. Notwithstanding the foregoing, a list of actual Proposers submitting timely proposals may be available to the public, upon request, after technical proposals are opened.

4.8.3. Upon completion of proposal evaluations, indicated by public release of an Evaluation Notice, the proposals and associated materials will be open for review by the public in accordance with *Tennessee Code Annotated*, Section 10-7-504(a)(7).

4.9. **Contract Approval and Contract Payments**

4.9.1. This RFP and its contractor selection processes do not obligate the State and do not create rights, interests, or claims of entitlement in either the Proposer with the apparent best-evaluated proposal or any other Proposer. State obligations pursuant to a contract award shall commence only after the contract is signed by the State agency head and the Contractor and after the Contract is approved by all other state officials as required by applicable laws and regulations.

4.9.2. No payment will be obligated or made until the relevant Contract is approved as required by applicable statutes and rules of the State of Tennessee.

4.9.2.1. The State shall not be liable for payment of any type associated with the Contract resulting from this RFP (or any amendment thereof) or responsible for any work done by the Contractor, even work done in good faith and even if the Contractor is orally directed to proceed with the delivery of services, if it occurs before the Contract start date or after the Contract end date.

4.9.2.2. All payments relating to this procurement will be made in accordance with the Payment Terms and Conditions of the Contract resulting from this RFP (refer to RFP Attachment 6.6., *Pro Forma* Contract, Section C).

4.9.2.3. If any provision of the Contract provides direct funding or reimbursement for the competitive purchase of services or items to be delivered to the State as a component of contract performance or otherwise provides for the reimbursement of specified, actual costs, the State will employ all reasonable means and will require all such documentation

that it deems necessary to ensure that such purchases were competitive and costs were reasonable, necessary, and actual. The Contractor shall provide reasonable assistance and access related to such review. Further, the State shall not remit, as funding or reimbursement pursuant to such provisions, any amount(s) which it determines did not result from a reasonably competitive purchase or do not represent reasonable, necessary, and actual costs.

4.10. Contractor Performance

The Contractor resulting from this RFP will be responsible for the completion of all service set out in this RFP (including attachments) as may be amended. All service is subject to inspection and evaluation by the State. The State will employ all reasonable means to ensure that service is progressing and being performed in compliance with the Contract, and the Contractor must cooperate with such efforts.

4.11. Contract Amendment

During the course of a Contract pursuant to this RFP, the State may request the Contractor to perform additional work within the general scope of the Contract and this RFP, but beyond the specified scope of service, and for which the Contractor may be compensated. In such instances, the State will provide the Contractor a written description of the additional work. The Contractor must respond to the State with a time schedule for accomplishing the additional work and a price for the additional work based on the rates included in the Contractor's proposal to this RFP. If the State and the Contractor reach an agreement regarding the work and associated compensation, such agreement must be effected by means of a Contract Amendment. Further, any such amendment requiring additional work must be signed by both the State agency head and the Contractor and must be approved by other state officials as required by applicable statutes and rules of the State of Tennessee. The Contractor must not commence additional work until the State has issued a written Contract Amendment with all required approvals.

4.12. Severability

If any provision of this RFP is declared by a court to be illegal or in conflict with any law, said decision will not affect the validity of the remaining RFP terms and provisions, and the rights and obligations of the State and Proposers will be construed and enforced as if the RFP did not contain the particular provision held to be invalid.

5. PROPOSAL EVALUATION & CONTRACT AWARD

5.1. Evaluation Categories & Maximum Points

The State will consider qualifications, experience, technical approach, and cost in the evaluation of proposals and award points in each of the categories detailed below (up to the maximum evaluation points indicated) to each apparently responsive proposal.

EVALUATION CATEGORY	MAXIMUM POINTS POSSIBLE
General Qualifications & Experience (refer to RFP Attachment 6.2., Section B)	30
Technical Qualifications, Experience & Approach (refer to RFP Attachment 6.2., Section C)	40
Cost Proposal (refer to RFP Attachment 6.3.)	30

5.2. Evaluation Process

The proposal evaluation process is designed to award the contract resulting from this RFP not necessarily to the Proposer offering the lowest cost, but rather to the responsive and responsible Proposer offering the best combination of attributes based upon the evaluation criteria. (“Responsive Proposer” is defined as a Proposer that has submitted a proposal that conforms in all material respects to the RFP. “Responsible Proposer” is defined as a Proposer that has the capacity in all respects to perform fully the contract requirements, and the integrity and reliability which will assure good faith performance.)

5.2.1. **Technical Proposal Evaluation.** The RFP Coordinator and the Proposal Evaluation Team (consisting of three or more State employees) will use the RFP Attachment 6.2., Technical Proposal & Evaluation Guide to manage the Technical Proposal Evaluation and maintain evaluation records.

5.2.1.1. The State reserves the right, at its sole discretion, to request Proposer clarification of a Technical Proposal or to conduct clarification discussions with any or all Proposers. Any such clarification or discussion will be limited to specific sections of the proposal identified by the State. The subject Proposer must put any resulting clarification in writing as may be required and in accordance with any deadline imposed by the State.

5.2.1.2. The RFP Coordinator will review each Technical Proposal to determine compliance with RFP Attachment 6.2., Technical Proposal & Evaluation Guide, Section A—Mandatory Requirements. If the RFP Coordinator determines that a proposal may have failed to meet one or more of the mandatory requirements, the Proposal Evaluation Team will review the proposal and document the team’s determination of whether:

- a. the proposal adequately meets requirements for further evaluation;
- b. the State will request clarifications or corrections; or,
- c. the State will determine the proposal non-responsive to the RFP and reject it.

5.2.1.3. Proposal Evaluation Team members will independently evaluate each Technical Proposal (that appears responsive to the RFP) against the evaluation criteria in this RFP, rather than against other proposals and will score each in accordance with the RFP Attachment 6.2., Technical Proposal & Evaluation Guide, Section B and Section C.

5.2.1.4. For each proposal evaluated, the RFP Coordinator will calculate the average of the Proposal Evaluation Team member scores for RFP Attachment 6.2., Technical Proposal

& Evaluation Guide, Section B and for Section C, and record each average as the proposal score for the respective Technical Proposal section.

5.2.1.5. Before Cost Proposals are opened, the Proposal Evaluation Team will review the Technical Proposal Evaluation record and any other available information pertinent to whether or not each Proposer is responsive and responsible. If the Proposal Evaluation Team identifies any Proposer that appears not to meet the responsive and responsible thresholds such that the team would not recommend the Proposer for Cost Proposal Evaluation and potential contract award, the team members will fully document the determination.

5.2.2. **Cost Proposal Evaluation.** The RFP Coordinator will open for evaluation the Cost Proposal of each apparently responsive and responsible Proposer that the Proposal Evaluation Team has effectively recommended for potential contract award and will calculate and record each Cost Proposal score in accordance with the RFP Attachment 6.3., Cost Proposal & Scoring Guide.

5.2.3. **Total Proposal Score.** The RFP Coordinator will calculate the sum of the Technical Proposal section scores and the Cost Proposal score and record the resulting number as the total score for the subject Proposal (refer to RFP Attachment 6.5., Proposal Score Summary Matrix).

5.3. **Contract Award Process**

5.3.1 The RFP Coordinator will submit the Proposal Evaluation Team determinations and proposal scores to the head of the procuring agency for consideration along with any other relevant information that might be available and pertinent to contract award.

5.3.2. The procuring agency head will determine the apparent best-evaluated proposal. (To effect a contract award to a Proposer other than the one receiving the highest evaluation process score, the head of the procuring agency must provide written justification and obtain the written approval of the Commissioner of Finance and Administration and the Comptroller of the Treasury.)

5.3.3. The State reserves the right to make an award without further discussion of any proposal.

5.3.4. The State will issue an Evaluation Notice identifying the apparent best-evaluated proposal and make the RFP files available for public inspection at the time and date specified in the RFP Section 2, Schedule of Events.

NOTICE: The Evaluation Notice shall not create rights, interests, or claims of entitlement in either the Proposer with apparent best-evaluated proposal or any other Proposer.

5.3.5. The Proposer identified as offering the apparent best-evaluated proposal must sign a contract drawn by the State pursuant to this RFP. The contract shall be substantially the same as the RFP Attachment 6.6., *Pro Forma* Contract. The Proposer must sign said contract no later than the Contract Signature by Contractor Deadline detailed in the RFP Section 2, Schedule of Events. If the Proposer fails to provide the signed contract by the deadline, the State may determine that the Proposer is non-responsive to this RFP and reject the proposal.

5.3.6. Notwithstanding the foregoing, the State may, at its sole discretion, entertain limited negotiation prior to contract signing and, as a result, revise the *pro forma* contract terms and conditions or performance requirements in the State's best interests, PROVIDED THAT such revision of terms and conditions or performance requirements shall NOT materially affect the basis of proposal evaluations or negatively impact the competitive nature of the RFP and contractor selection process.

5.3.7. If the State determines that a proposal is non-responsive and rejects it after opening Cost Proposals, the RFP Coordinator will re-calculate scores for each remaining responsive Cost Proposal to determine (or re-determine) the apparent best-evaluated proposal.

Inasmuch, it shall be the responsibility of the State to review Contractor personnel to identify any such issues.
- c. With reference to either subsection a. or b. above, a contractor may submit a written request for a waiver of the VBP restrictions regarding a former state employee and a contract with a state agency that participated in the VBP. - b. At any time State may require the Contractor to provide a valid Certificate of Insurance detailing Coverage Description; Insurance Company & Policy Number; Exceptions and Exclusions; Policy Effective Date; Policy Expiration Date; Limit(s) of Liability; and Name and Address of Insured. All material and information, regardless of form, medium or method of communication, provided to the Contractor by the State or acquired by the Contractor on behalf of the State shall be regarded as confidential information in accordance with the provisions of applicable state and federal law, state and federal rules and regulations, departmental policy, and ethical standards. Such confidential information shall not be disclosed, and all necessary steps shall be taken by the Contractor to safeguard the confidentiality of such material or information in conformance with applicable state and federal law, state and federal rules and regulations, departmental policy, and ethical standards.
