Information about the Adult Day Care Advisory Committee, and the Star Quality Advisory Council can also be found on the Secretary of States website under Board and Commission Vacancies: <http://state.tn.us/sos/pub/oa/index.htm>

\* These groups recently completed a review of the standards within the last few years and are not currently involved in reviewing any of the standards at this time. When it is time to initiate another review of these classes of care, these members may be called upon for that purpose, or new members may be appointed to conduct the review.
