## Participate in 2012 Career Fair

The Workforce Education Council invites your business to participate in an upcoming Career Fair. This event is designed to showcase a diverse array of careers to 8th-11th grade students and adults in our community, in addition to highlighting the educational opportunities available. This event will take place on Thursday, February 9th, 3-7pm, at The Mall at Johnson City.

This event will feature careers in "clusters" - healthcare, professional, technology, marketing, manufacturing, and services. We need businesses to come prepared to talk about jobs in your profession, educational background needed, skill sets needed, etc. Spaces in each "cluster" are limited, so if interested, please respond quickly. There is NO charge for you to participate. The Mall will provide you with a table, tablecloth, and 2 chairs - tables will be located on the upper and lower levels of The Mall.

All participants are asked to provide a door prize valued at \$25, which will be given away the night of the event.
