Dear Ms. Parker,

On behalf of the Tennessee Department of Labor and Workforce Development, ES Division, and in accordance with TEGL No. 23-09, Tennessee is requesting the opportunity to negotiate new PY 2010 performance levels and to participate in the pilot to use the regression analysis in the negotiation process for setting the performance levels. We would like to participate in the Regression Model Pilot for PY 2010 performance, contingent upon the receipt of details regarding how the Regression Model Pilot will be applied.

Should we not be accepted in the Regression Model Pilot, we submit the following Wagner-Peyser Tennessee performance goals for consideration:

EER – 58.0
ERR – 78.0
Average Earnings - \$10,500.00

We appreciate the opportunity for performance goals negotiations. Should you have any questions or require additional information, please contact Don Ingram, ES Administrator at 615/253-4809 (Donald.Ingram@tn.gov) or Harold Davis, Director, Job Service Program Support at 615/253-6355 (Harold.Davis@tn.gov).

This document is available on our departmental website at: <http://www.tn.gov/labor-wfd/>

Sincerely,
