Accrediting Agencies Overview
July 2010**

Universities

- Approximately 400 creditable programs are accredited by 41 approved accrediting agencies.
- Review cycles vary, with some accreditors requiring comprehensive reviews ranging from 2 to 10 years.
- Of the 41 approved accrediting agencies, 12 agencies accredit programs for an average of 6 years

Community Colleges

- 122 creditable programs are accredited by 19 approved accrediting agencies.
- Review cycles vary, with some accreditors requiring comprehensive reviews ranging from 2 to 10 years.
- Of the 19 approved accrediting agencies, 12 agencies accredit programs for an average of 7 years
- CAAHEP (Commission on Accreditation of Allied Health Education Programs) accredits educational programs in 18 disciplines. The variation in accreditation cycle length is due to the various disciplines accredited by CAAHEP.

Accrediting Agencies Overview: Community Colleges
July 2010**

- 122 creditable programs are accredited by 19 approved accrediting agencies.
- Review cycles vary, with some accreditors requiring comprehensive reviews ranging from 2 to 10 years.
- Of the 19 approved accrediting agencies, 12 agencies accredit programs for an average of 7 years
- CAAHEP (Commission on Accreditation of Allied Health Education Programs) accredits educational programs in 18 disciplines. The variation in accreditation cycle length is due to the various disciplines accredited by CAAHEP.
