**INSTRUCTIONS FOR COMPLETING
NATURAL DISASTER CLAIM FOR REFUND OF SALES TAX (2011)**

Tennessee Code Annotated Section 67-6-396 authorizes a refund of sales tax paid by any natural person receiving disaster assistance through the Federal Emergency Management Agency (FEMA) as a result of a disaster occurring between March 23, 2011 and May 12, 2011.

If you received FEMA assistance as a result of this natural disaster, you should complete this form to claim a refund for the sales tax paid on "major appliances," "residential building supplies," or "residential furniture" as defined below, purchased through December 31, 2011.

Each household may file only one claim form for that residence. The claim must be filed on or before February 29, 2012. The total amount of refund for sales taxes paid on the items included in this one-time claim cannot exceed \$2,500.

To receive a refund of sales tax, you must:

1) Complete all items on the reverse side:

- Name and Social Security Number (Name should be one shown on FEMA documents)
- Spouse's Name and Social Security Number
- Address of Primary Residence at time of disaster
- Current Mailing Address
- FEMA Application Number and Disaster Number
- Schedule of Qualifying Purchases and Tax Paid

2) Attach copies of the following items:

- Proof FEMA assistance was received – include copy of FEMA decision letter or payment from FEMA bearing FEMA application number and disaster number
- Copies of receipts showing payment of Tennessee Sales Tax
- Copies of other payment documents – ONLY if store receipts not available – (Examples: checks, credit card receipts, sworn oath that cash was paid by you)

3) Remember to sign the claim form.

Refunds can be claimed for Tennessee sales tax paid to a retailer only on qualifying items. Qualifying items are items that meet the definitions of "major appliance," "residential building supplies," or "residential furniture."

4) File only one refund claim.

You can only apply once per residence. Thus, you should include all of your qualifying purchases in this claim for refund. The only limit on including multiple items is that the total tax refunded to you cannot exceed \$2,500.

5) Mail this claim form and documentation to:

Attn: Disaster Relief Claim (2011 Disaster)
Tennessee Department of Revenue
Andrew Jackson State Office Building – 4th Floor
Nashville, Tennessee 37242

6) File claim on or before February 29, 2012.

7) Include tax paid on only qualifying items.

Qualifying items on which you can claim a refund of sales tax paid:

"Major appliance" means any water heater, dishwasher, washer, dryer, refrigerator, freezer, stove, range, oven, cooktop, microwave, vacuum, or fan that is used in your primary residence to replace an appliance that was damaged or destroyed provided that the sales price per item is \$3,200 or less.

"Residential building supplies" means any of the following items if used in your primary residence for purposes of restoration, repair, replacement, or rebuilding due to the disaster provided that the sales price per item is \$500 or less:

- Cleaning and disinfecting materials,
- Trash bags, boxes, construction tools, and hardware, or
- Roofing shingles, roofing paper, gutters, downspouts, vents, doors, windows, sheetrock, drywall, insulation, paint and paint materials, flooring, and other necessary building materials.

"Residential furniture" means furniture commonly used in a residential dwelling that is used in your primary residence to replace furniture that was damaged or destroyed in this disaster provided that the sales price per item is \$3,200 or less.
