(a) The appropriation reflects a base appropriation reduction of \$25,904,400, which recognizes the increased recurring operating costs at the Southeastern Tennessee State Regional Correctional Facility in fiscal year 2012-2013.

(b) The appropriation in the amount of \$30,807,000 is hereby reappropriated to the department for major maintenance and capital outlay purposes.

(c) From the balance of the reserve fund carried forward at June 30, 2012, there is hereby appropriated the sum of \$2,243,000 to the department for major maintenance and capital outlay purposes in the 2012-2013 fiscal year.

(d) From any remaining reserve fund balance carried forward at June 30, 2012, there is hereby appropriated a sum sufficient to the department for major maintenance and capital outlay purposes.

(e) Other appropriations made under this act to the Department of Correction, Sentencing Act of 1985, are hereby reappropriated to the department for major maintenance and capital outlay purposes.

(f) On or before October 1, 2012, the Commissioner of Finance and Administration shall submit a detailed financial report to the Chairs of the Finance, Ways and Means Committees of the Senate and House of Representatives and to the Chairs of the State and Local Government Committees of the Senate and House of Representatives concerning all activities of the "Sentencing Act of 1985 reserve account (established and maintained pursuant to TCA, § 9-4-210)" during fiscal year 2011-2012. The report shall indicate the account balance on July 1, 2011, and shall itemize all funds deposited into the reserve account as well as all funds allocated from the reserve account. For each such allocation from the reserve account, the report shall describe the purpose, amount and location of the allocation as well as any other information deemed to be informative by the Commissioner.

Item 13. The provisions of this item shall take effect upon becoming law, the public welfare requiring it. From the appropriation made to the Department of Economic and Community Development for capital outlay grants to the Wacker Chemie AG Plant project in Section 1, Title III-32 of Chapter 554, Public Acts of 2009, the Commissioner of Finance and Administration is authorized to approve transfers to the FastTrack Infrastructure and Job Training Assistance program in the general fund.

Item 14. Capital improvement projects recommended for higher education institutions in the 2012-2013 Budget Document on page A-145 include funding partially from institutional sources. Matching funds may include gifts, grants, institutional funds, student fees, and other non-state sources. The provisions of this item shall not apply to the project identified as UT Health Sciences Center Buildings Demolition.

Item 15. The capital maintenance project, ETSU CoM Family Practice Replace Roof, to be funded in the amount of \$500,000 from the Tennessee Board of Regents appropriation in Section 1, Title III-32, Item 14 of this act and listed on page A-147 of the 2012-2013 budget document, is deleted and there is hereby reappropriated the sum of \$500,000 for the ETSU CoM Education Building Electrical Updates.

Item 16. In addition to the capital budget projects listed on pages A-144 through A-146 of the 2012-2013 budget document, two capital improvement projects and one capital maintenance project are funded in the appropriations in Section 1, Title III-32, Items 5, 7 and 13 of this act:

SECTION 3.

Item 1. Appropriations made under Section 1, Titles III-11 and III-16, for the operation of the state regulatory boards, shall be subject to allotment by the Commissioner of Finance and Administration, and no expenditure shall be made by any said boards out of fees collected by them unless and until such allotments have been made by the Commissioner of Finance and Administration. Such allotments for the operation of said respective boards as are made by the Commissioner of Finance and Administration shall be disbursed under the provisions of Tennessee Code Annotated, Title 4, Chapter 3, Part 10 and Title 9, Chapter 4, Part 51.

The allotment hereinabove provided shall be subject to the condition that no money shall be paid therefrom for the salary of any employee of said boards unless and until such salary has been approved by the Commissioner of Human Resources. The appointment of all employees of said boards shall likewise be approved by the Commissioner of Human Resources.

Notwithstanding any provision of law to the contrary, no member of any board or commission established by law or pursuant to law, which receives an appropriation under this act, regardless of the source of funding, shall receive any compensation, whether denominated per diem or by whatever name called, except for days in which such member actually works four (4) or more hours performing duties directly relating to that board's or commission's activities, or for time or days spent attending meetings of that board or commission. The chair or head of each board or commission, the department head to which such board or commission is attached administratively, and the Commissioner of Finance and Administration, shall prescribe procedures to contain, as a minimum, a certification of time worked by each member claiming compensation.

Item 2. Except as otherwise provided in this section, the appropriations to the Wildlife Resources Agency under Section 1, Title III-6, shall be paid out of the special fund established under Tennessee Code Annotated, Title 70, Chapter 1, Part 4 and Section 69-9-203. Such appropriations shall be expended under the provisions of Tennessee Code Annotated, Title 4, Chapter 3, Part 10 and Title 9, Chapter 4, Part 51, and shall be used only for the expenses of the Wildlife Resources Agency pursuant to Tennessee Code Annotated, Title 70 and Title 69, Chapter 9, Part 2, and no part of the unexpended fund left at the end of the fiscal year shall be used for any other purpose but shall be carried over in said fund and may be expended during the next year, and all of said fees and revenues provided by Tennessee Code Annotated, Title 70 and Title 69, Chapter 9, Part 2, are herein specifically apportioned and appropriated to the use and for the benefit of the Wildlife Resources Agency to be expended under the provisions of Tennessee Code Annotated, Title 4, Chapter 3, Part 10 and Title 9, Chapter 4, Part 51. Nothing in this item shall be construed as relieving the Wildlife Resources Agency of the duty of policing littering of lakes and streams.

Item 3. The appropriation to the State Board of Law Examiners in Section 1, Title II, Item 16, shall be from funds generated by fees collected by the board under the provisions of Tennessee Code Annotated, Title 23, Chapter 1.

In case the appropriation to the board shall prove inadequate to allow the board to function efficiently, the Commissioner of Finance and Administration may make an additional allotment thereto from the general fund, the total of all allotments to the board not to exceed the revenues paid into the treasury by the board.

Item 4. The appropriation to the Department of Financial Institutions in Section 1, Title III-12, shall be derived from banking fees assessed pursuant to Tennessee Code Annotated, Title 45, Chapter 1, Part 1. No part of the unexpended fees left at the end of the fiscal year shall revert to the general fund.

DEPARTMENTAL REVENUES

SECTION 4. All departmental revenues of every kind, as hereinafter defined, collected by any department, institution, office, or agency, in the course of its operations, for its own use, are hereby appropriated to it in addition to the specific appropriations made by this act, unless otherwise provided in this act or other provision of law. Federal aid funds granted to the state for the use of or to be administered by any department, institution, or agency, are likewise appropriated. For the purpose of this section "departmental revenues" are defined as (1) earnings or charges for goods or services; (2) donations, contributions or participation by political subdivisions, foundations, corporations, firms or persons. State revenues, in contradistinction to departmental revenues, are the proceeds of taxes, licenses, fees, fines, forfeiture or other imposts laid specifically by law.

Notwithstanding any provision of the previous paragraph, the Department of Health shall deposit all funds generated by fees or taxes collected by such entity in the general fund of the state. Any appropriations for the operation of such entity shall be subject to allotment by the Commissioner of Finance and Administration, and no expenditure shall be made by any such

HB 3835

entity out of fees or taxes collected by it, unless and until such allotments have been made by the Commissioner of Finance and Administration. Such allotments for the operation of such entity as are made by the Commissioner of Finance and Administration shall be disbursed under the provisions of Tennessee Code Annotated, Title 4, Chapter 3, Part 10 and Title 9, Chapter 4, Part 51.

Item 2. From the appropriations made to the Department of Education under Section 1, Title III-9, of this act, the Department of Education is authorized to pay through disbursements to local education agencies (LEAs), the following amounts based on the Basic Education Program (BEP) formula, of participation in the basic accident and medical expense insurance plan, authorized by Tennessee Code Annotated, Title 8, Chapter 27, Part 3, by eligible employees of local education agencies:

The Local Education Insurance Committee shall determine a calendar year 2013 plan of benefits, related services, and monthly premiums for each of the health care options offered through the "basic plan" it authorizes pursuant to Section 8-27-302, Tennessee Code Annotated, which results, with reasonable certainty, in the provision of sufficient revenues to pay plan expenses and to provide for the funding of reserves for estimated incurred but unreported claims. The aggregate amount of funds obligated through the determination of the plans of benefits and the monthly premiums by the Local Education Insurance Committee shall not exceed the amount appropriated to the Department of Education, Basic Education Program's insurance component in this act. The monthly premiums shall be subject to the approval of the Commissioner of Finance and Administration pursuant to Section 4-3-1006, Tennessee Code Annotated.

Item 6. The Department of Education shall submit to the Office of Legislative Budget Analysis the revised BEP funding formula for the ensuing fiscal year no later than January 1 of each year.

Item 7. Local education agencies are required to report average daily membership (ADM) to the Department of Education on a scheduled basis. To the extent

Item 3. In addition to any other funds appropriated by the provisions of this act, there is hereby appropriated to the Department of Finance and Administration for distribution to the appropriate entities a sum sufficient to fund any bill on which the fiscal note indicates that the cost of implementation of the bill as enacted is minimal or not significant. It is the legislative intent that if funding is earmarked for implementation in such bills that the funds appropriated in this item be reduced accordingly. It is the legislative intent to recognize a revenue loss from bills that result in no expenditure increase but forgo revenue which has not been collected previously.

Item 4. In addition to any other funds appropriated by the provisions of this act, if the fiscal note on any bill states that state revenues would be increased in an amount equal to or greater than state expenditures as a result of the enactment of such bill, then there is appropriated a sum sufficient from such increased revenue to the appropriate entity, as determined by the Commissioner of Finance and Administration, to implement such bill.

SECTION 13. The provisions of this section shall take effect upon becoming a law, the public welfare requiring it.

SECTION 14. The appropriations made by this act and all other appropriations, including appropriations of departmental revenues as set forth in Section 4 of this act, except such as may be made for the expenses of the Legislative Branch, and the appropriations made for the Judiciary, including the Attorney General and Reporter, District Attorneys General, Public Defenders, and the Office of the Post-Conviction Defender, the Secretary of State, Comptroller of the Treasury and State Treasurer, shall be obligated and expended under the provisions of Tennessee Code Annotated, Title 4, Chapter 3, Part 10 and Title 9, Chapter 4, Part 51, which shall remain in full force and effect; and in case of conflict with any other law, the provisions of such laws shall prevail, except as otherwise herein specifically provided. All appropriations

except those made by acts authorizing bond issues and expenditures thereof and those excepted from obligations and expenditure hereinabove, though made by other statutes, shall likewise be obligated and expended under the provisions of Tennessee Code Annotated, Title 4, Chapter 3, Part 10 and Title 9, Chapter 4, Part 51.

SECTION 15.

Item 1. No part of the fund appropriated to any department, office, instrumentality, or agency of the state government shall be expended in any other such entity, but if the head of any department, office, commission or instrumentality of the state government finds that there is a surplus in any classification, division, or unit under such entity, and a deficiency in any other division, unit or classification, then in that event the head of such department, office, commission or instrumentality of the state government may transfer such portion of such funds as may be necessary for the one division, unit or classification where the surplus exists to the other, except as otherwise provided herein, provided such transfer is approved by the Commissioner of Finance and Administration. Item 3. The Commissioner of Finance and Administration shall have power and authority to refuse, with the approval of the Governor, to approve or honor any and all requisitions for purchases, except requisitions for purchases authorized by the Legislative Branch, including the Secretary of State, Comptroller of the Treasury and State Treasurer, and the Judiciary, including the Attorney General and Reporter. In case any division or function of government for which an appropriation is provided in this act or otherwise, shall be transferred from an existing department, to any other department, such transfer shall automatically result in the appropriation for such transferred division or function becoming available to the department to which such transfer is made for the purposes of such transferred division or function.

Item 4. From the appropriations made to the various state departments and agencies under this act, and other general acts appropriating money, there may be paid any expenses incurred by said departments and agencies for the purpose of conducting and serving as host for regional or national conferences of which such departments or agencies may be members. Item 5. Notwithstanding any provision of law to the contrary, no state department or agency in the Executive Branch of state government is authorized to make organizational changes within such department or agency without the prior approval of the Commissioner of Finance and Administration. Where such organizational changes require a transfer of funds between organizational accounts and are contrary to the manner in which appropriations have been made herein, approval of said transfers is subject to approval by the Commissioner of Finance and Administration and by a majority of a committee composed of the Speaker of the Senate, the Speaker of the House and the Comptroller of the Treasury.

Item 10. The Commissioner of Finance and Administration shall establish a state regulatory fee of \$5.00 for one year and \$10.00 for two years. When submitted, a copy of operational budget expansion reports shall be provided to the Fiscal Review Committee executive director and the Office of Legislative Budget Analysis director for information purposes. For the purposes of this paragraph, the term "departmental revenues" means earnings or charges for goods or services; or donations, contributions or participation by political subdivisions, foundations, corporations, firms or persons; and the term "state revenues" means the proceeds of taxes, licenses, fees, fines, forfeiture or other imposts laid specifically by state law.

The Housing and Community Development Act of 1981 made it possible for states to assume administration of the Small Cities Community Development Block Grant (CDBG) previously administered by the U.S. Department of Housing and Urban Development (HUD). There shall be appropriated by the General Assembly to ECD such funds as may be allocated to Tennessee by the federal government for the CDBG Program. Set-Aside	1,000,000	1,000,000

Selection criteria for project approvals shall be uniform within categories, objective and quantitative, and shall be based on project need, project feasibility, project impact, community need, and, for community livability projects, essentialness.

Project application materials will be supplemented, as appropriate, by site visits and by informed opinions of state agencies knowledgeable about particular projects.

The level of CDBG assistance for individual projects shall be determined by the following factors: (1) the percent of project beneficiaries that have family incomes below the low and

moderate income (LMI) levels; (2) a maximum grant and/or loan of \$750,000.00 for individual projects (\$300,000.00 for community livability projects); (3) a maximum grant and/or loan to any applicant of \$750,000.00 in two successive years; and (4) the grantee's ability to pay. If modifications in the expenditure plan for the CDBG Program are required, said modifications shall be accomplished in the following manner: (1) if the General Assembly is in session such modifications shall be approved by the General Assembly, or (2) if the General Assembly is not in session, the Governor may, (a) submit such modifications to the State Funding Board for approval or, (b) call a special session of the General Assembly for approval.
