31st Annual TMA Insurance Workshops

An Informative, Interactive Learning Experience With No Individual Plan Marketing

Meeting Format

Join representatives from Cahaba, GBA, Commercial Carriers, the Bureau of TennCare, TennCare MCOs, and Medicare Advantage for valuable tips on how to:

- file a claim
- file a dispute/appeal
- read and utilize the remittance advice
- handle policy /process changes for providers
- obtain an authorization
- access claims reports/data from the plan
- audit vendors for each plan

Additionally, you will learn how to identify legitimate audit requests from each plan, as well as what to expect and what your rights are as a provider.
