## **BIOGRAPHICAL SKETCH**

Gordon Weaver Browning was born in Carroll County in 1895. He worked his way through school and opened a law practice in 1915, then enlisted in the National Guard when World War I broke out. He served six straight terms in Congress and with the backing of the Crump organization was elected governor in 1936. Later the two men parted ways and Crump helped defeat Browning in 1938. With support from Estes Kefauver, Browning was again elected governor in 1948, and Crump's era of influence ended. Browning supported TVA, opposed Roosevelt's recovery policies, pushed education, roads, tax reform and further governmental reorganizations, favored a balanced budget and repealed the poll tax as a prerequisite for voting. Browning died in 1976.
