

## Annual Wildlife Disease Field Investigation Report 2009 - 2010

Compiled by Roger Applegate

This report covers the annual period of the Wildlife Disease Collections Field Order, 1 March 2009 to 28 February 2010. During this period SCWDS has processed 14 submissions with 3 still pending a final diagnosis. Final diagnosis on those cases will be included in the next report. Please contact me if you need a copy of a particular case report.
