1. The Tennessee Department of Agriculture (TDA) provides funds through the Agricultural Resources Conservation Fund (ARCF) (TCA 67-4-409(l)) subject to ARCF Guidance.
2. The Estimated Incentive Payment Amount offered by the SWCD through this Agreement is indicated in Item 8 below. There is no guarantee of additional financial assistance for unforeseen conditions which may arise/are not accounted for in the cost estimate. Final Incentive Payments to the Cooperator will be based on as-built quantities of the individual practices. Final payments to cooperators will be the calculated TDA Prescriptive Rate, up to any SWCD-imposed annual or practice-specific caps.
3. Approval of BMP(s) eligible for incentive payments will be based on a United States Department of Agriculture-Natural Resources Conservation Service (NRCS) Conservation Plan and this Agreement. In accordance with the ARCF Guidelines, the cooperator/landowner agrees to maintain each BMP for its normal life expectancy as set forth in the NRCS Field Office Technical Guide (indicated below). If the land is sold, or if the land should pass to heirs before the end of the normal life expectancy of the BMP(s), I/we agree that the maintenance of the BMP(s) will be made a condition of the sale or transfer by securing the agreement of the new owners to the terms of this Agreement, or in the alternative I/we agree to reimburse the SWCD a pro-rated amount for the shortened life of the practice.
4. All parties to this agreement warrant to hold harmless all other parties for any damages arising directly or indirectly from implementation of the BMPs listed below.
5. I agree that the Commissioner of TDA or their designee, the NRCS State Conservationist or their designee, or the SWCD Supervisors or their employees may periodically enter my property for the purpose of determining compliance with this Agreement.
