Stakeholders

More than 1,500 stakeholder
meetings

- 10 annual episodes design feedback sessions
- Bi-monthly meetings with TAMHO on episodes and TN Health Link between 2017-2019
- Additionally, hundreds of meetings per quarter between MCOs and providers

"I do feel 100% that I have been allowed to voice my opinions and to voice my concerns, to see the positives and the negatives. And I've always felt that you and your staff have always been very listening and approachable."

An orthopedic provider

"I felt like we actually had a significant input and changed a few ideas, again to avoid unintended consequences."

Best Practices and Stakeholder Relationships

Let's hear from some practices!

We have some special guest speakers to talk about their experiences in the Episodes of Care program.

How the Episodes Team Processes Your Feedback

Approach and Process

- 1. March 2024:** Gather feedback from stakeholders across the state on all episodes.
- 2. Spring 2024:** Conduct analyses to inform how to incorporate feedback.
- 3. Fall 2024:** Release memo to public with responses to all proposed episode changes.
- 4. January 2025:** Accepted changes are implemented for 2025 performance period. Providers will see this year's changes reflected in their August 2024 reports, which capture Q1 2024 performance data.

Stakeholder feedback is important to TennCare and integral to the success of the Episodes program!
