New event permit applications must include the following:

1. A completed Equine Interstate Event Permit Application
2. Original or legible photocopy of the Tennessee Certificate of Veterinary Inspection issued within 30 days of permit application
3. The original or legible photocopy of the Equine Infectious Anemia (Coggins) test record (VS Form 10-11) performed within the last 6 months
4. Digital photos of the left side, right side and front of the horse

Renewal applications must include the following:

1. A completed Equine Interstate Event Permit Application
2. Original or legible photocopy of the Tennessee Certificate of Veterinary Inspection issued within 30 days of renewal permit application
3. The original or legible photocopy of the Equine Infectious Anemia (Coggins) test record (VS Form 10-11) performed within the last 6 months

Documents may be submitted via mailing address above, faxed to (615) 837-5250, or scanned and emailed to animal.health@tn.gov.

A travel record must be in the owner/transporter's possession with each equine movement.

Equine Event Permits (passport) are valid for six months.

Exceptions:

1. Owner/transporter must carry a functional microchip scanner for horses utilizing microchips other than the ISO/ANSI compatible RFID chip 11784/85, 134.2 kHz as the identification method.
2. Digital photographs are not an acceptable form of identification for entry into Louisiana.
3. Owners and veterinarians must comply with any additional equine import requirements of the destination state. Please check with the state of destination prior to entry.
