Outreach and Assistance Program

Giles County Small Farm Workshop

May 17, 2016

8:30AM - 4:15PM

Giles County Agri-Park

2014 Elkton Pike

Pulaski, TN 38478

Cost: FREE

Come join us for an information filled day. This program is for beginning, experienced and veteran farmers. Our Outreach and Assistance Program provides educational training and information about USDA and TDA programs as well as contact information. You will get to hear from specialists from TSU and UT as well as local service agencies. There will be two tracts offered for attendees. A business tract or a production tract. Follow a tract or mix and match the sessions.

Please contact the UT-TSU Extension Office –Giles County to make reservations and for any questions. Seating is limited. Call now to reserve your space.

931-363-3523.
