MEMORANDUM

TO: TFACA Customers

FROM: Roger Hawks, Executive Director

DATE: April 21, 2014

SUBJECT: Increase in meal prices effective for classes beginning after July 1, 2014

Due to the recently passed State of TN Budget for FY 14-15, TFACA will be required to increase meal fees effective July 1, 2014. The increase helped us avoid an additional reduction in funding.

Effective April 21, 2014, all meal prices will be increased by a factor of \$1.00 per meal for classes or groups which do not have a current agreement signed or in process for a class scheduled to take place **on or after July 1, 2014**. If meals are paid for outside of classes, the per-meal cost will be \$1.00 more than what is currently charged, making the new prices for the meals \$6.00 for breakfast, \$8.00 for lunch, and \$9.00 for dinner. The example is for shared mission pricing.

The price increases will officially take effect July 1, 2014, but due to the scheduling of classes in advance, all classes scheduled after Monday, April 21, 2014, that have a start date of July 1, 2014, or later, will see their fees increased accordingly. If a course or class begins prior to July 1, 2014, and continues on into July, the dates prior to July 1st will be charged the current per-meal price whereas the dates on or after July 1st will be charged the "new" per-meal prices accordingly.

We appreciate the support of our many students, customers and state agencies which use our facility. We look forward assisting with your training needs!
