

LIGHTS! CAMERA!

FIRE PREVENTION!

We've launched the Tennessee State Fire Marshal's Office Annual Video Contest. Fire mortality rates in Tennessee are the lowest they've ever been—and we want to drive them even lower.

We need your help to spread the word.

Here's your chance to show off your video skills, help save lives, and maybe win a nifty prize to boot!

IT'S EASY AS 1, 2, 3

1

Go to tn.gov/firecontest and download a jingle. *(Read the rules to make sure you're following them.)*

2

Make and submit your video. *(Make it fun, make it imaginative, make it memorable.)*

3

We'll pick the best one and award prizes, including a Grand Prize of \$500!

**It's as simple as that. Questions?
