Dear Dr. Mezera:

Pursuant to TCA 49-1-104 (g) (1), I am writing to request approval for the extension of MNPS' career and technical education class size waiver initiative for the 2014-15 school year, which *"allows class sizes in career and technical education classes to be extended; provided, that the class sizes do not exceed the limit set for academic classes in grades seven through twelve (7-12) and that the pilot initiative is only implemented in schools or programs that use the career academy or small learning community model."*

I look forward to your response.

Sincerely,

Chaney Mosley, Ph.D.

With receipt of your request, and pursuant to TCA 49-1-104 (g) (1), approval is granted for the extension of MNPS' career and technical education class size waiver pilot initiative, which "*allows class sizes in career and technical education classes to be extended; provided, that the class sizes do not exceed the limit set for academic classes in grades seven through twelve (7-12) and that the pilot initiative is only implemented in schools or programs that use the career academy or small learning community model.*"

Any matters pertaining to the ongoing implementation of this pilot may directed to Danielle Mezera, Assistant Commissioner, Division of Career and Technical Education, 615-253-2114.

Sincerely,
