**SSC Report:** 09/14/2015 Misty Dunne summarized the transaction. Staff referred to Executive Subcommittee with recommendation.

DEPARTMENT OF GENERAL SERVICES

Statewide

**Requested Action:** Approval of a project and scope and to release a Request for Proposal

**Project Title:** Energy Generation Systems

**Project Description:** Generation of electricity from systems installed and maintained by others and located on State owned properties.

**SBC Number:** 460/000-06-2015

**Comment:** The State seeks to reduce electrical utility cost and consumption through the installation of on-site renewable energy generating systems. The energy generating systems will be leased and the term of the lease will be for 25 years with a right to terminate with removal after six years. The Central Procurement Office will assist with the procurement. Funding for the lease payments will be diverted from the User Agencies' electrical operating costs and will be less than the current annual energy expenditures. The projected operating cost savings are due to the reduced cost of electricity from the on-site systems as compared to purchasing electricity from the grid. All sites will be subject to the approval of the State Building Commission. Sites on which energy generating systems may be installed may include:

Department of Correction

- DeBerry Correctional Facility/ Riverbend Maximum Security Institution

DEPARTMENT OF GENERAL SERVICES

William R. Snodgrass Tennessee Tower, Nashville, Davidson County, Tennessee

**Requested Action:** Approval of a project, budget, scope, funding and sources(s) of funding, utilizing the Job Order Contract for construction and the Agency Consultant for design

**Project Title:** 27<sup>th</sup> Floor Renovation – Economic & Community Development

**Project Description:** Demolition and build-out of the standard office area floor including standard finishes, renovation of restrooms, necessary system modifications, abatement activities and all related work.

**SBC Number:** 529/079-01-2015

**Total Project Budget:** \$493,000.00

**Source of Funding:** \$200,000.00 15/16 ECD Operating Funds (A)  
293,000.00 FRF Reserves (R)

**Comment:** The JOC is requested in order to expedite this project to take earlier advantage of the type of work environment that management believes is in the best interest of the State. Because design services are limited to construction documents, the use of the Agency consultant is requested. The anticipated construction cost is \$402,000.

**Previous Action:** 09/10/2015 SBC Commissioner Oglesby brought the project up from the floor and Comptroller Wilson questioned the urgency of the request. After discussion, the matter was referred to the Executive Subcommittee with authority to act.
