Designer Recommendation

June 10, 2016

To: Peter Heimbach

From: Robbi Stivers

Project: Parking Garage LED Lighting Upgrade
UT Chattanooga
540/005-03-2016

Category: Minor – Direct Solicitation

Total Budget: \$755,000.00

MACC: \$660,000

Designer Fee: \$56,890.00

Project Scope: This project will upgrade on-campus parking garage lighting systems in the 5th Street garage and the Lupton Library garage with energy efficient LED fixtures. Existing panels, conduit and wiring will also be replaced.

- 1. March Adams & Associates, Inc.

Project experience shows relevant garage experience, with one garage on the UT Chattanooga campus. The team proposed has extensive engineering experience including work with LED and photometric calculations.

- 2. Advanced Energy Engineering and Design, Inc.

This firm has experience on the Chattanooga campus. They hold the current Professional Consultant contract and have worked on scoping similar projects. Other experience listed include projects with LED lighting incorporated into the scope. The staff proposed are experienced and were members of the team on the referenced projects.

A total of 3 firms were solicited for this project with 2 submitting qualifications.
