August 2, 2016

Re: RFP #15-10-906 Weakley TDOC

Proposers:

The State of Tennessee, Department of General Services, State of Tennessee Real Estate Asset Management ("STREAM"), is cancelling the solicitation for the above referenced RFP. It was determined that the exclusion boundaries were too vague.

STREAM appreciates and understands companies may have already gone through great efforts in preparing a response, and apologizes for any inconvenience this may have caused.

STREAM encourages all companies to continue to check the website below for any solicitation opportunities and appreciates your interest in doing business with the State of Tennessee.
