1. On RFP Amendment One at the bottom of last page under "Comment" it states, "This office...needs to be accessible to public transportation". How close to the bus route must the office be and is this a requirement?	The office needs to be within reasonable walking distance to a bus line, for ease of access for the agency's clients. Proximity to public transportation will be one of the variables taken into consideration, so it will be weighed along with the other variables.
